Henry De Montherlant Roger Peyrefitte:

The Drama of Fallen France Kenneth Krauss, 2012-02-01 The Drama of Fallen France examines various dramatic works written and or produced in Paris during the four years of Nazi occupation and explains what they may have meant to their original audiences Because of widespread financial support from the new French government at Vichy the former French capital underwent a renaissance of theatre during this period and both the public playhouses and the private theatres provided an amazing array of new productions and revivals Some of the plays considered here are well known Anouilh's Antigone Sartre's The Flies Claudel's The Satin Slipper Others have remained obscure such as Cocteau's The Typewriter Giraudoux's The Apollo of Marsac and Montherlant's Nobody's Son and two Andr Obey's Eight Hundred Meters and Simone Jolivet's The Princess of Ursins have remained virtually unread since the early 1940s In examining French culture under the Vichy regime and the Nazis Kenneth Krauss links the politics of gender and sexuality with the more traditional political concepts of collaboration and resistance A final chapter on Truffaut's 1980 film The Last Metro demonstrates how the present manages to rewrite and revision the complex and seemingly contradictory reality of the past **Correspondance [entre]**

Henry de Montherlant [et] Roger Peyrefitte Henry de Montherlant, 1983 André Gide and the Second World War Jocelyn Van Tuyl, 2012-02-01 Arguably the most influential French writer of the early twentieth century Andr Gide is a paradigmatic figure whose World War II writings offer an exemplary reflection of the challenges facing a leading writer in a time of national collapse Tracing Gide's circuitous intellectual itinerary from the fall of France through the postwar purge this book examines the ambiguous role of France's senior man of letters during the Second World War The writer's intricate maneuverings offer privileged insights into three issues of broad significance the relationship of literature and politics in France during World War II the repressions and repositionings that continue to fuel controversy about the period and the role of public intellectuals in times of national crisis With the exception of the early wartime Journal Gide's publications during France's dark years have received little critical attention This book scrutinizes the entire wartime oeuvre in depth tracing the evolution of Gide's political views and most importantly reading the wartime texts against each other It is the interplay among these texts that reveals the full complexity of Gide's political positionings and the rhetorical brilliance he deployed to redress his tarnished image **French Writers and the Politics of Complicity** Richard J. Golsan, 2006-02 Focusing on the political commitments of three French writers who collaborated with the Vichy Regime and Nazi Germany during World War II and on those of three leading French intellectuals of the 1990s whose misplaced political idealism led them to support xenophobic authoritarian regimes and dangerous historical revisionisms Richard J Golsan reexamines the notion of political commitment or engagement in two difficult periods in modern French history Discussing the fiction essays and journalism of Henry de Montherlant Jean Giono and Alphonse de Chateaubriant Golsan explores the complexity of artistic and intellectual collaboration during the German Occupation He demonstrates that in this context complicity with political

evil often derived from nonpolitical motives including sexual orientation antimodern aesthetics and dangerously skewed religious beliefs Turning to the post cold war era of the 1990s Golsan examines the philosopher Alain Finkielkraut s support for Croatian independence the mediologist Rgis Debray s pro Serb stance during the bombing of Kosovo and the historian Stéphane Courtois s revisionist comparison of Nazi and Communist crimes during the 1997 debate surrounding the publication of *The Black Book of Communism* In these three cases laudable motives and misguided historical comparisons with Vichy Nazism and the Occupation period that marked the political and intellectual discourses of France in the 1990s resulted paradoxically in antidemocratic engagements profoundly at odds with the original motivations behind these intellectuals commitments In each of these case studies political complicity derives from a combination of passions and ideals whether positive or negative emotional or intellectual as well as a desire to make the present conform to a particular and generally skewed vision of the past The full implications of these involvements are neither fully grasped nor understood by their authors either through lack of objectivity rationality or imagination or through willful ignorance The results are always unfortunate and often disastrous Considered together these six intellectuals serve as sobering reminders that political commitments are never as simple or straightforward as they seem and that admirable motives for political involvement can have dangerous and destructive consequences in historical practice

Hermeneutics, Politics, and the History of Religions Christian K. Wedemeyer, Wendy Doniger, 2010 This volume comprises papers presented at a conference marking the 50th anniversary of Joachim Wach s death and the centennial of Mircea Eliade s birth Its purpose is to reconsider both the problematic separate legacies of these two major twentieth century historians of religions and the bearing of these two legacies upon each other Shortly after Wach s death in 1955 Eliade succeeded him as the premiere historian of religions at the University of Chicago As a result the two have been associated with each other in many people s minds as the successive leaders of the so called Chicago School in the history of religions In fact as this volume makes clear there never was a monolithic Chicago School Although Wach reportedly referred to Eliade as the most astute historian of religions of the day the two never met and their approaches to the study of religions differed significantly Several dominant issues run through the essays collected here the relationship between the two men s writings and their lives and in Eliade s case the relationship between his political commitments and his writings in fiction history of religions and autobiography Both men s contributions to the field continue to provoke controversy and debate and this volume sheds new light on these controversies and what they reveal about these two scholars legacies

Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more

comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology **France: The Dark Years, 1940-1944** Julian Jackson, 2003-03-05 The French call them the Dark Years This definitive new history of Occupied France explores the myths and realities of four of the most divisive years in French history Taking in ordinary people's experiences of defeat collaboration resistance and liberation it uncovers the conflicting memories of occupation which ensure that even today France continues to debate the legacy of the Vichy years **Living in Arcadia** Julian Jackson, 2009-12-15 In Paris in 1954 a young man named Andr Baudry founded Arcadie an organization for homosexuals that would become the largest of its kind that has ever existed in France lasting nearly thirty years In addition to acting as the only public voice for French gays prior to the explosion of radicalism of 1968 Arcadie with its club and review was a social and intellectual hub attracting support from individuals as diverse as Jean Cocteau and Michel Foucault and offering support and solidarity to thousands of isolated individuals Yet despite its huge importance Arcadie has largely disappeared from the historical record The main cause of this neglect Julian Jackson explains in *Living in Arcadia* is that during the post Stonewall era of queer activism Baudry's organization fell into disfavor dismissed as conservative conformist and closeted Through extensive archival research and numerous interviews with the reclusive Baudry Jackson challenges this reductive view uncovering Arcadie's pioneering efforts to educate the European public about homosexuality in an era of renewed repression In the course of relating this absorbing history Jackson offers a startlingly original account of the history of homosexuality in modern France **Gay and Lesbian Literary Heritage** Claude J. Summers, 2014-02-25 The revised edition of *The Gay and Lesbian Literary Heritage* is a reader's companion to this impressive body of work It provides overviews of gay and lesbian presence in a variety of literatures and historical periods in depth critical essays on major gay and lesbian authors in world literature and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world New articles in this volume feature authors such as Michael Cunningham Tony Kushner Anne Lister Kate Millet Jan Morris Terrence McNally and Sarah Waters essays on topics such as Comedy of Manners and Autobiography and overviews of Danish Norwegian Philippines and Swedish literatures as well as updated and revised articles and bibliographies **Encyclopedia of Homosexuality** Wayne R. Dynes, 2016-03-22 First published in 1990 *The Encyclopedia of Homosexuality* brings together a collection of outstanding articles that were at the time of this book's original publication classic pioneering and recent Together the two volumes provide scholarship on male and female homosexuality and bisexuality and reaching beyond questions of physical sexuality they examine the effects of homophilia and homophobia on literature art religion science law philosophy society and history Many of the writings were considered to be controversial and often contradictory at that time and refer to issues and difficulties that still exist today This volume contains entries from M Z **A History of**

Homosexuality in Europe, Vol. I & II Florence Tamagne, 2006 Just crawling out from under the Victorian blanket Europe was devastated by a gruesome war that consumed the flower of its youth Tamagne examines the currents of nostalgia and yearning euphoria rebellion and exploration in the post war era and the b *Maricas* Javier Fernández-Galeano, **The Seduction of the Mediterranean** Robert Aldrich, 2002-09-11 Through an explanation of forty figures in European culture The Seduction of the Mediterranean argues that the Mediterranean classical and contemporary was the central theme in homoerotic writing and art from the 1750s to the 1950s Episodes of exile murder drug taking wild homosexual orgies and court cases are woven into an original study of a significant theme in European culture The myth of a homoerotic Mediterranean made a major contribution to general attitudes towards Antiquity the Renaissance and modern Italy and Greece Writing the Story of France in World War II Michael L. Berkvam, 2000 **More Fool Me** Stephen Fry, 2015-06-09 The British comedian recounts the highs and lows of his wild years A gifted writer with a perfect sense of comic timing and anecdote spinning Lots of fun Kirkus Reviews By his early thirties Stephen Fry writer comedian star of stage and screen had as they say made it Much loved on British television author of a critically acclaimed and bestselling first novel with a glamorous and glittering cast of friends he had more work than was perhaps good for him As the 80s drew to a close he began to burn the candle at both ends Writing and recording by day and haunting a never ending series of celebrity parties drinking dens and poker games by night he was a high functioning addict He was so busy so distracted by the high life that he could hardly see the inevitable headlong tumble that must surely follow Filled with raw electric extracts from his diaries of the time More Fool Me is a brilliant eloquent account by a man driven to create and to entertain revealing a side to him he has long kept hidden Fry is an astonishingly charming fellow erudite playful and capable of writing in a style so intimate that readers can picture themselves sitting next to him at a splendid dinner party as he rather one sidedly entertains the entire table Slate National Literature in Multinational States Albert Braz, Paul D. Morris, 2023-04-13 If literature has often informed the creation of a national imaginary a sense of common history and destiny it has also complicated even challenged the unifying vision assumed in the formation of a national literature and sense of nation National Literature in Multinational States questions the persistent association of literature and nation states contrasting this with the reality of multinational and ethnocultural diversity The contributors to this collection interrogate concepts and manifestations of nationalism in the context of literary production while evaluating the place of national literatures in multinational states at a time when social unity and political agreement have never been more elusive The volume strives for synoptic analysis via the complementary multifaceted treatment of literary creation in several geo cultural contexts Canada the Caribbean Europe India and Nigeria Contributors Sabujkoli Bandopadhyay Albert Braz Matthew Cormier Doris Hambuch Clara A B Joseph Paul D Morris Asma Sayed Matthew T treault Uchechukwu Peter Umezurike Jerry White 1940-1945 Années érotiques - tome 2 Patrick Buisson, 2009-06-16 Quel lien secret court de Vichy la R sistance des sectateurs de la R volution nationale aux

purateurs de la Libération C'est l'ordre moral revêtu par Patrick Buisson dans ce second volet de sa grande enquête iconoclaste sur la vie sexuelle des Français de 1940-1945. À droite, l'actionnaire, c'est la gauche, le publicain, d'en appeler la purification des mœurs. Avec le même objectif restaurer l'autorité patriarcale mise mal par la libération sexuelle des femmes et des déviants en même temps que punir celles et ceux qui ont joui l'heure où la France souffrait. Pour bien comprendre ce qu'il pond, la purification sexuelle des tondues au cours de l'été 1944, il faut suivre l'auteur dans son exploration prodigieusement documentée des zones rouges de l'Occupation. La collaboration horizontale d'abord qui touche toutes les catégories de la population féminine de Coco Chanel la postière de Saint-Flour d'Arletty aux lycéennes en mal de défilé. Mais aussi le marché noir de la prostitution qui jette sur le pavé des dizaines de milliers d'occasionnelles, l'ultime géométrie des maisons closes sans oublier les relations homosexuelles franco-allemandes. À Vichy ou les infortunes de la vertu, c'est une nouvelle plongée sidérante dans notre inconscient collectif que nous invite le politologue Patrick Buisson, directeur de la chaîne Histoire qui s'impose avec cette somme inégalée comme l'un des meilleurs analystes des passions françaises. Une œuvre stimulante, lue de toute urgence. L'Histoire comme elle se écrit avec un grand H. Des pages d'une tranchante lucidité. Michel Donde l'Académie française. Le Figaro Magazine. Une magistrale chronique des mœurs. Une comédie humaine de l'ros en temps de guerre. Pierre Jean Remy de l'Académie française. Le Figaro. Une lecture historico-libidinale de l'Occupation dans une langue charpentée et chatoyante. Dérangeant mais passionnant. Jérôme Dupuis. L'Express. Buisson reconstitue avec gourmandise le film rotique de ces années noires. Jacques Pierre Amette. Le Point.

La pensée du paradoxe Didier Philippot, Fabienne Bercegol, 2006 French Xx,

French Women Writers Eva Martin Sartori, Dorothy Wynne Zimmerman, 1994-01-01. Marie de France. Mme De Ségur and Mme De Lafayette achieved international reputations during periods when women in other European countries were able to write only letters, translations, religious tracts and miscellaneous fragments. There were obstacles but French women writers were more or less sustained and empowered by the French culture. Often unconventional in their personal lives and occupied with careers besides writing as educators, painters, actresses, preachers, salon hostesses, labor organizers, these women did not wait for Simone de Beauvoir to tell them to make existential choices and have projects in the world. French Women Writers describes the lives and careers of fifty-two literary figures from the twelfth century to the late twentieth. All the contributors are recognized authorities. Some of their subjects like Colette and George Sand are celebrated and others are just now gaining critical notice. From Christine de Pizan and Marguerite de Navarre to Rachilde and Hélène Cixous from Louise Labé to Marguerite Duras, these women speak through the centuries to issues of gender, sexuality and language. French Women Writers now becomes widely available in this Bison Book edition.

Eventually, you will completely discover a new experience and endowment by spending more cash. still when? do you recognize that you require to acquire those all needs similar to having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to comprehend even more roughly the globe, experience, some places, in the manner of history, amusement, and a lot more?

It is your unquestionably own get older to accomplishment reviewing habit. in the middle of guides you could enjoy now is **Henry De Montherlant Roger Peyrefitte** below.
