Henry Ward Beecher Peripatetic Preacher:

Henry Ward Beecher Halford R. Ryan, 1990-01-24 For approximately four decades from shortly before the Civil War until his death in 1887 the Reverend Henry Ward Beecher dominated the pulpit and the public platform Halford Ryan argues that although the ministry was Beecher's career public speaking was his calling Combining important orations with a critical analysis of Beecher's rhetoric this book examines all facets of the Reverend's speaking and preaching Particularly it demonstrates that Beecher was unusually skilled in the art of refutative rhetoric that is he often paid more attention to rebutting the claims of his opponents than he did to building his own arguments Of special note is the fact that Ryan's analysis is grounded in original research conducted in the Beecher Family Papers These primary sources described fully in the endmatter are the core materials for the critical chapters the chronology of speeches and sermons and the bibliography Ryan's thesis that Beecher was aware of the importance of delivering his speeches and paid special attention to the presentation of his orations is supported by these resources The book also contains a bibliography of works by and about Henry Ward Beecher texts of his important speeches and sermons and a Chronology of Sermons and Speeches that is keyed to Beecher's various publications This study provides a penetrating analysis of Beecher's impact on issues of sacred and secular interest during a critical period in American history It should be read by both historians and those interested in rhetoric and communications

A History of Preaching Volume 1 Rev. O.C. Edwards JR., 2016-04-25 *A History of Preaching* brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church's ministry of proclamation Bringing together an impressive array of familiar and lesser known figures Edwards paints a detailed compelling picture of what it has meant to preach the gospel Pastors scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching Volume 1 contains Edwards's magisterial retelling of the story of Christian preaching's development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century's discontent with outdated forms and emphasis on new modes of preaching such as narrative Along the way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin Wesley Edwards Rauschenbusch Barth all of their distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 available separately as 9781501833786 contains primary source material on preaching drawn from the entire scope of the church's twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to

its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1 s narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching s role in living out the gospel This work is expected to be the standard text on preaching for the next 30 years says Ann K Riggs who staffs the NCC s Faith and Order Commission Author Edwards former professor of preaching at Seabury Western Theological Seminary is co moderator of the commission which studies church uniting and church dividing issues A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field says Riggs from EcuLink Number 65 Winter 2004 2005 published by the National Council of Churches A History of Preaching Otis Carl Edwards,2004 Accompanying CD ROM contains the full text of volume one and two Volume two contains primary source material on preaching drawn from the entire scope of the church s twenty centuries Each chapter in volume two is geared to its companion chapter in volume one s narrative history

The Company of the Preachers , **From Preachers to Suffragists** Beverly Ann Zink-Sawyer,2003-01-01 Examines the lives and writings of three nineteenth century clergywomen including Antoinette Brown Blackwell Olympia Brown and Anna Howard Shaw who viewed the suffrage movement as an extension of their ministries citing their pivotal contributions to women s rights Original *The Age of Charisma* Jeremy C. Young,2017 This book demonstrates how the modern relationship between leaders and followers in America grew out of late nineteenth and early twentieth century charismatic social movements *Encyclopedia of Protestantism* Hans J. Hillerbrand,2004-08-02 This Encyclopedia is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought **A New History of the Sermon** Robert H. Ellison,2010 This collection offers fresh perspectives on British and American preaching in the nineteenth century Drawing on many religious traditions and addressing a host of cultural and political topics it will appeal to scholars specializing in any number of academic fields *American Religious Leaders* Timothy L. Hall,2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life **Trials of Intimacy** Richard Wightman Fox,1999-11-15 The story of a scandal that shook American culture to the core in the 1870s when a famous writer sued his best friend the nation s leading minister for seducing his wife 56 halftones **Horace Bushnell on Women in Nineteenth-century America** Michiyo Morita,2004 Horace Bushnell on Women in Nineteenth Century America scrutinizes Bushnell s vision of a Christian America based on the organic unity of family church and nation A Christian America was for Bushnell a nation that endorsed basic Christian beliefs He believed the institutions of family church and nation to be the cornerstones in forming maintaining and expanding a Christian America Bushnell thought his vision of a Christian America could be realized through emphasizing the importance of men s government of women and women s subordination to men His complex views about women ranged from patriarchal

and hierarchical to egalitarian and nurturing

The Gendered Pulpit Roxanne Mountford, 2003 In this feminist investigation into the art of preaching one of the oldest and least studied rhetorical traditions Roxanne Mountford explores the relationship between bodies space race and gender in rhetorical performance and American Protestant culture Refiguring delivery and physicality as significant components of the rhetorical situation *The Gendered Pulpit* Preaching in American Protestant Spaces examines the strategies of three contemporary women preachers who have transgressed traditions rearranged rhetorical space and conquered gender bias to establish greater intimacy with their congregations Mountford's examinations of the rhetoric inherent in preaching manuals from 1850 to the present provide insight into how manliness has remained a central concept in American preaching since the mid nineteenth century The manuals illustrate that the character style method of delivery and theological purpose of preachers focused on white men and their cultural standing leaving contemporary women preachers searching for ways to accommodate themselves to the physicality of preaching Three case studies of women preachers who have succeeded or failed in rearranging rhetorical space provide the foundation for the volume These contemporary examples have important implications for feminist theology and also reveal the importance of gender space and bodies to studies of rhetoric in general Mountford explores the geographies of St John's Lutheran Church and the preaching of Rev Patricia O Connor who reformed rhetorical space through the delivery of her sermons At Eastside United Church of Christ Mountford shows Rev Barbara Hill employed narrative style and prophetic utterance in the tradition of black preaching to address gender bias and institute change in her congregation The final case study details the experiences of Pastor Janet Moore and her struggles at Victory Hills United Methodist Church where the fractured congregation could not be united even with Pastor Moore's focus on theological purpose and invention strategies

Publisher description

The Sermons of Henry Ward Beecher, 1874

Historical Dictionary of the Civil War and Reconstruction William L. Richter, 2011-12-01 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated Many historians regard the Civil War as the defining event in American history At stake was not only freedom for 3.5 million slaves but also survival of the relatively new American experiment in self government A very real possibility existed that the union could have been severed but a collection of determined leaders and soldiers proved their willingness to fight for the survival of what Abraham Lincoln called the last best hope on earth The second edition of this highly readable one volume *Historical Dictionary of the Civil War and Reconstruction* looks to place the war in its historical context The more than 800 entries encompassing the years 1844-1877 cover the significant events persons politics and economic and social themes of the Civil War and Reconstruction An extensive chronology introductory essay and comprehensive bibliography supplement the cross referenced dictionary entries to guide the reader through the military and non military actions of one of the most pivotal events in American history The dictionary concludes with a selection of primary documents This book is an excellent access point for students researchers and anyone wanting to know more about

the Civil War and Reconstruction *Encyclopedia of African American History, 1619-1895* Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the Encyclopedia of African American History 1619 1895 documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness **Handbook of Contemporary Preaching** Dr. Michael Duduit, 1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more **Sam**

Richards's Civil War Diary Samuel P. Richards, 2009 This previously unpublished diary is the best surviving firsthand account of life in Civil War era Atlanta Bookseller Samuel Pearce Richards 1824 1910 kept a diary for sixty seven years This volume excerpts the diary from October 1860 just before the presidential election of Abraham Lincoln through August 1865 when the Richards family returned to Atlanta after being forced out by Sherman s troops and spending a period of exile in New York City The Richardses were among the last Confederate loyalists to leave Atlanta Sam s recollections of the Union bombardment the evacuation of the city the looting of his store and the influx of Yankee forces are riveting Sam was a Unionist until 1860 when his sentiments shifted in favor of the Confederacy However as he wrote in early 1862 he had no ambition to acquire military renown and glory Likewise Sam chafed at financial setbacks caused by the war and at

Confederate policies that seemed to limit his freedom. Such conflicted attitudes come through even as Sam writes about civic celebrations, benefit concerts, and the chaotic optimism of life in a strategically critical rebel stronghold. He also reflects with soberness on hospitals filled with wounded soldiers, the threat of epidemics, inflation, and food shortages. A man of deep faith who liked to attend churches all over town, Sam often comments on Atlanta's religious life and grounds his defense of slavery and secession in the Bible. Sam owned and rented slaves, and his diary is a window into race relations at a time when the end of slavery was no longer unthinkable. Perhaps most important, the diary conveys the tenor of Sam's family life. Both Sam and his wife Sallie came from families divided politically and geographically by war. They feared for their children's health and mourned for relatives wounded and killed in battle. The figures in Sam Richards's Civil War Diary emerge as real people; the intimate experience of the Civil War home front is conveyed with great power.

Dictionary Of Modern American Philosophers John R. Shook, 2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected. It includes those intellectuals involved in the development of psychology, pedagogy, sociology, anthropology, education, theology, political science, and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century. Each entry contains a short biography of the writer, an exposition and analysis of his or her doctrines and ideas, a bibliography of writings, and suggestions for further reading. While all the major post Civil War philosophers are present, the most valuable feature of this dictionary is its coverage of a huge range of less well known writers, including hundreds of presently obscure thinkers. In many cases, the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers. This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought.

American Sculpture in the Metropolitan Museum of Art: A catalogue of works by artists born before 1865 Metropolitan Museum of Art (New York, N.Y.), Lauretta Dimmick, Donna J. Hassler, 1999 Volume One This volume catalogues the distinguished and comprehensive collection of approximately 400 works of American sculpture by artists born before 1865. This publication includes an introduction on the history of the collection's formation, particularly in the context of the Museum's early years of acquisitions, and discusses the outstanding personalities involved. Metropolitan Museum of Art website

Encyclopedia of Emancipation and Abolition in the Transatlantic World Junius P. Rodriguez, 2015-03-26 The struggle to abolish slavery is one of the grandest quests and central themes of modern history. These movements for freedom have taken many forms, from individual escapes, violent rebellions, and official proclamations to mass organizations, decisive social actions, and major wars. Every emancipation movement, whether in Europe, Africa, or the Americas, has profoundly transformed the country and society in which it existed. This unique A-Z encyclopedia examines every effort to end slavery in the United States and the transatlantic world. It focuses on massive, broad-based movements as well as specific incidents, events, and developments, and pulls together

in one place information previously available only in a wide variety of sources While it centers on the United States the set also includes authoritative accounts of emancipation and abolition in Europe Africa the Caribbean and Latin America The Encyclopedia of Emancipation and Abolition provides definitive coverage of one of the most significant experiences in human history It features primary source documents maps illustrations cross references a comprehensive chronology and bibliography and specialized indexes in each volume and covers a wide range of individuals and the major themes and ideas that motivated them to confront and abolish slavery
