Roberts,2017-09-07 This is a book about six women to whom life has presented hurt pain tragedy molestation and rape but they did not stop They believed there was more in life than the difficulties that had presented themselves These women are from different walks of life but they all believed God had greater purposes and destinies for them In this book youll read about the injustices hurt and pain these women experienced but they didnt allow these to stop them from walking in their purpose and destinies      **Herstory** Pamela Tobitt,2018-08-16 MY STORY HER STORY YOUR STORY WE ALL HAVE A STORY I CRIED YOU CRIED AS WIFE MOTHER DAUGHTER SISTER FRIEND WE ALL CRY I AM HEARD YOU ARE HEARD IN OUR CRYING WE ARE ALL HEARD I FOUND LOVE YOU TOO CAN FIND LOVE Love bears all things believes all things hopes all things endures all things Love never ends 1 Corinthians 13 7 8 ESV      Herstory Katherine Halligan,2018-09-11 Move aside history it s time for herstory Celebrate fifty inspiring and powerful women who changed the world and left their mark in this lavishly illustrated biography compilation that s perfect for fans of Good Night Stories for Rebel Girls and She Persisted Throughout history girls have often been discussed in terms of what they couldn t or shouldn t do Not anymore It s time for herstory a celebration of not only what girls can do but the remarkable things women have already accomplished even when others tried to stop them In this uplifting and inspiring book follow the stories of fifty powerhouse women from around the world and across time who each managed to change the world as they knew it forever Telling the stories of their childhood the challenges they faced and the impact of their achievements each lavishly illustrated spread is a celebration of girl power in its many forms From astronauts to activists musicians to mathematicians these women are sure to motivate young readers of all backgrounds to focus not on the can ts and shouldn ts but on what they can do anything      *Herstory 2011* ,      *His Herstory* Bente Brunckhorst,2025-01-14 Bente a Student from Hamburg Germany is sent to a Lutheran High school in Missouri USA Missouri isn t even the first choice for Bente It is indeed an unlucky start And there are health issues Caitlyn the host sister is pregnant too A lot of turmoil lies ahead Keep in mind it is a Christian School Well and how would Martin Luther have reacted to all these shenanigans And the Reverent Caitlyn s grandfather Does he approve Certainly not And Bente doesn t know anything about baseball and when to cheer Does it matter How about the peers Will there be a knight on a charger to fight for them And unbuckling the belts does it solve any problems or is it more so the prior cause of them And besides keep in mind it isn t even a native speaker telling this story      From History to Herstory Paul Leshota,Maxwell Musingafi,Itumeleng Mokhele,Makhulu Makumane,2024-11-15 This book seeks to contribute to reflections done on the gender equality agenda by combing through oral and written resources to unearth and document heroic displays of leadership by women of Africa in general and of Southern Africa in particular that remain hidden under the rubble of Eurocentric colonial and African patriarchal archive and hegemony It seeks to open the archive of Southern Africa to unearth the names of women who have played an important role in shaping the

course of Southern Africa history in every way While acknowledging the systematic marginalisation of women s voices and identities by scribal patriarchy the aim is to bring to life women s experiences and voices through critical engagement of sources of knowledge available to Africa in general and southern Africa in particular The chapters of this book will contribute to the debate on gender equality and women empowerment by women themselves within the framework of Sustainable Development Goals especially SDG 5

**Culture/Contexture** E. Valentine Daniel,Jeffrey M. Peck,2023-11-15 The rapprochement of anthropology and literary studies begun nearly fifteen years ago by such pioneering scholars as Clifford Geertz Edward Said and James Clifford has led not only to the creation of the new scholarly domain of cultural studies but to the deepening and widening of both original fields Literary critics have learned to anthropologize their studies to ask questions about the construction of meanings under historical conditions and reflect on cultural situatedness Anthropologists have discovered narratives other than the master narratives of disciplinary social science that need to be drawn on to compose ethnographies Culture Contexture brings together for the first time literature and anthropology scholars to reflect on the antidisciplinary urge that has made the creative borrowing between their two fields both possible and necessary Critically expanding on such pathbreaking works as James Clifford and George Marcus s *Writing Culture* and Marcus and Michael M J Fischer s *Anthropology as Cultural Critique* contributors explore the fascination that draws the disciplines together and the fears that keep them apart Their topics demonstrate the rich intersection of anthropology and literary studies ranging from reading and race to writing and representation incest and violence and travel and time This title is part of UC Press s *Voices Revived* program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996

True Stories from a Social Worker Colin Ward, Have you ever wondered what a social worker does daily or thought about possibly getting into this field If so this book may be for you *True Stories from a Social Worker* allows you to experience real instances that a social worker may encounter in the field and during their schooling

This book is meant to be insightful and help open your eyes to a field you may not be familiar with The Mythic Past: Biblical Archaeology And The Myth Of Israel Thomas L Thompson, 2008-08-05 The Jewish people's historical claims to a small area of land bordering the eastern Mediterranean are not only the foundation for the modern state of Israel they are also at the very heart of Judeo Christian belief Yet in *The Mythic Past* Thomas Thompson argues that such claims are grounded in literary myth not history Among the author's startling conclusions are these There never was a united monarch of Israel in biblical times We can no longer talk about a time of the Patriarchs The entire notion of Israel and its history is a literary fiction *The Mythic Past* provides refreshing new ways to read the Old Testament as the great literature it was meant to be At the same time its controversial conclusions about Jewish history are sure to prove incendiary in a worldwide debate about one of the world's seminal texts and one of its most bitterly contested regions *ECRM2014-Proceedings of the 13th European Conference on Research Methodology for Business and Management Studies* Dr Martin Rich, Dr Anne Brown, 2014-06-16 *A Companion to the Works of J. M. Coetzee* Tim Mehigan, 2014-02 New essays providing critical views of Coetzee's major works for the scholar and the general reader J M Coetzee is perhaps the most critically acclaimed bestselling author of imaginative fiction writing in English today He received the Nobel Prize for Literature in 2003 and is the first writer to have been awarded two Booker Prizes The present volume makes critical views of this important writer accessible to the general reader as well as the scholar discussing Coetzee's main works in chronological order and introducing the dominant themes in the academic discussion of his oeuvre The volume highlights Coetzee's exceptionally nuanced approach to writing as both an exacting craft and a challenging moral ethical undertaking It discusses Coetzee's complex relation to apartheid and post apartheid South Africa the land of his birth and evaluates his complicated responses to the literary canon Coetzee emerges as both a modernist and a highly self aware postmodernist a champion of the truths of a literary enterprise conducted unrelentingly in the mode of self confession Contributors Chris Ackerley Derek Attridge Carol Clarkson Simone Drichel Johan Geertsema David James Michelle Kelly Sue Kossew Mike Marais James Meffan Tim Mehigan Chris Prentice Engelhard Weigl Kim L Worthington Tim Mehigan is Professor of Languages in the Department of Languages and Cultures at the University of Otago New Zealand and Honorary Professor in the Department of Languages and Comparative Cultural Studies at the University of Queensland Australia *They Fought Like Demons* DeAnne Blanton, Lauren Cook Wike, 2002-09-01 Popular images of women during the American Civil War include self sacrificing nurses romantic spies and brave ladies maintaining hearth and home in the absence of their men However as DeAnne Blanton and Lauren M Cook show in their remarkable new study that conventional picture does not tell the entire story Hundreds of women assumed male aliases disguised themselves in men's uniforms and charged into battle as Union and Confederate soldiers facing down not only the guns of the adversary but also the gender prejudices of society *They Fought Like Demons* is the first book to fully explore and explain these women their experiences as combatants and the controversial

issues surrounding their military service Relying on more than a decade of research in primary sources Blanton and Cook document over 240 women in uniform and find that their reasons for fighting mirrored those of men patriotism honor heritage and a desire for excitement Some enlisted to remain with husbands or brothers while others had dressed as men before the war Some so enjoyed being freed from traditional women s roles that they continued their masquerade well after 1865 The authors describe how Yankee and Rebel women soldiers eluded detection some for many years and even merited promotion Their comrades often did not discover the deception until the young boy in their company was wounded killed or gave birth In addition to examining the details of everyday military life and the harsh challenges of warfare for these women which included injury capture and imprisonment Blanton and Cook discuss the female warrior as an icon in nineteenth century popular culture and why twentieth century historians and society ignored women soldiers contributions Shattering the negative assumptions long held about Civil War distaff soldiers this sophisticated and dynamic work sheds much needed light on an unusual and overlooked facet of the Civil War experience      **Entangled Narratives** Lars-Christer

Hydén,2017-11-01 As people are living longer on average than ever before the number of those with dementia will increase Because many will live a considerable time at home with their diagnosis we need to know more about the ways people can adapt to and learn to live with dementia in their everyday lives Lars Christer Hydén argues in this book that to do so will involve re imagining what dementia really is and what it can mean to the afflicted and their loved ones One of the most important everyday opportunities for sharing experiences is the simple act of storytelling But when someone close to you gradually loses the ability to tell stories and cherish the shared history you have together this is seen as a threat to the relationship to the feeling of belonging together and to the identity of the person diagnosed Therefore learning about how people with dementia can participate in storytelling along with their families and friends helps to sustain those relationships and identities In *Entangled Narratives* Hydén not only emphasizes the possibilities that are inherent in collaborative storytelling but instructs professionals and otherwise healthy relatives to learn how to effectively listen and ultimately re imagine their patients and loved ones as collaborative meaning makers in their lives      *Modern HERstory* Blair

Imani,2018-10-16 An inspiring and radical celebration of 70 women girls and nonbinary people who have changed and are still changing the world from the Civil Rights Movement and Stonewall riots through Black Lives Matter and beyond With a radical and inclusive approach to history *Modern HERstory* profiles and celebrates seventy women and nonbinary champions of progressive social change in a bold colorful illustrated format for all ages Despite making huge contributions to the liberation movements of the last century and today all of these trailblazers come from backgrounds and communities that are traditionally overlooked and under celebrated not just women but people of color queer people trans people disabled people young people and people of faith Authored by rising star activist Blair Imani *Modern HERstory* tells the important stories of the leaders and movements that are changing the world right here and right now and will inspire you to do the same

*Retelling Violent Death* Edward Rynearson, 2013-01-11 This book provides insight and instruction for bereaved readers and those who work with them
