Heracles Commando:

Heracles Commando Edward McGhee, 1989-06 Hired by a wealthy oil man to help avenge his murdered niece Alec Thompson is the one man with the brains and guts to get close enough to identify a team of terrorists and finger them for assassination A nail biting thriller starring the hero of The Orpheus Circle **The Peddler's Trade** Edward Harper, 2006-09 The Peddler's Trade is a picaresque satirical novel based on my five years in West Africa from 1955 to 1960 The central character through a series of comical accidents finds himself working for the Spillswell Flour Company while without knowing it carrying the credentials of a clandestine agent of the Central Intelligence Agency He stumbles along the West coast of Africa in the throes of becoming independent as corrupt and incompetent colonial regimes are about to be replaced by equally corrupt and incompetent African governments Behind the sardonic humor the book dramatizes the tragic chaos about to envelop the region A chaos which continues in more virulent form today The feckless central character rides an airline as ludicrous as Don Quixote's Rosinante flown by a drunken lubricious former Polish fighter pilot while falling in love with the supposed Chanteur Sewing Machine representative Leila Defesse who is in reality an agent of the French CIA the Direction Generale de la Securite Exterieur The book mirrors the satirical works of Evelyn Waugh in the nineteen thirties Scoop and Black Mischief in which Waugh painted a devastatingly prescient portrait of the African disaster looming over the horizon Still the best two books ever written on the Dark Continent **Reasons of State** Edward Harper, 2008-05 In the year 2052 with the world in a state of geopolitical crisis and disaster in the United States's colony on Mars the President and his Machiavellian national security adviser try to recalibrate the global balance of power **Hercules** Robert Weisbrot, 2004 This book is a follow up to the author's successful first book on the show In this he writes about the final three seasons The author's passionate introspection contains cast profiles and commentary from the stars on each episode *An Enchanted Valley* Edward Harper, 2005-03 An Enchanted Valley is a wonderfully vivid trip through rural France with author Edward Harper and his cultural historian lover as they search for peace tranquility and beauty We had been in the village for six years now The house was finished We knew every nook and cranny of the area within a twenty mile radius The ebb and flow of the village had become a part of our lives each summer The ten year old daughter of the lascivious school teacher had bloomed into a voluptuous teenager whose boyfriends roared into the village on scooters Maurin's little dog no longer appeared on our doorsteps as his house stood shuttered and empty the center of a vicious fight over the inheritance But much remained the same Every year the chatelain celebrated his birthday with a picnic and barbecue on the edges of his exotic forest An immense pig was roasted over a pit and more than a hundred people attended a mixture of his military comrades including the retired colonel of the regiment and some aging but still menacing looking paratroopers in their red berets Gallons of Burdic in unmarked bottles chilled in ice filled barrels stood next to tables with great washtubs of salad and gardianne the superb spiced stew of the region The Military Badges and Insignia of Southern Africa Colin R. Owen, 1990
