Herbert List Herbert List,2000 **Herbert List** Herbert List,2008 *Herbert List* Herbert List,1996 **Herbert List**,2003 *Herbert List* ,1990 Herbert List ,1983 The Essential Herbert List Herbert List,2007 No further information has been provided for this title *Herbert List* Herbert List,1988 *Herbert List, Photographs 1930-1970* Herbert List,Günter Metken,1981 In the 30s Herbert list had compiled a portfolio of photographs for a large book on Greece The outbreak of the war prevented the project from being realized In association with the Herbert List estate Schirmer Mosel first produced a reconstruction of the planned book in 1993 The photographs landscapes fragments of sculpture ruined temples people at the sea conjure up a vision of classical Hellas bathed in light and beauty with the traces of the 20th century largely excluded In view of the tempestuous assaults made by civilizing development Herbert List s photographs themselves are today like archeological discoveries that have come down to us from a distant long vanished Golden Age Edited by photographer Max Scheler the book contains an essay by Hugo von Hofmannsthal in which the Austrian poet and dramatist describes his first journey to Greece in 1922 Now available again in a special low price softcover reprint Herbert List Max Scheler,Matthias Harder,2003 **Herbert List** ,1995 **The Seduction of the Mediterranean** Robert Aldrich,2002-09-11 Through an explanation of forty figures in European culture The Seduction of the Mediterranean argues that the Mediterranean classical and contemporary was the central theme in homoerotic writing and art from the 1750s to the 1950s Episodes of exile murder drug taking wild homosexual orgies and court cases are woven into an original study of a significant theme in European culture The myth of a homoerotic Mediterranean made a major contribution to general attitudes towards Antiquity the Renaissance and modern Italy and Greece The Ancient Shore Shirley Hazzard,Francis Steegmuller,2024-05-31 Born in Australia Shirley Hazzard first moved to Naples as a young woman in the 1950s to take up a job with the United Nations It was the beginning of a long love affair with the city The Ancient Shore collects the best of Hazzard s writings on Naples along with a classic New Yorker essay by her late husband Francis Steegmuller For the pair both insatiable readers the Naples of Pliny Gibbon and Auden is constantly alive to them in the present With Hazzard as our guide we encounter Henry James Oscar Wilde and of course Goethe but Hazzard s concern is primarily with the Naples of our own time often violently unforgiving to innocent tourists but able to transport the visitor who attends patiently to its rhythms and history A town shadowed by both the symbol and the reality of Vesuvius can never fail to acknowledge the essential precariousness of life nor as the lover of Naples discovers the human compassion generosity and friendship that are necessary to sustain it Beautifully illustrated by photographs from such masters as Henri Cartier Bresson and Herbert List The Ancient Shore is a lyrical letter to a lifelong love honest and clear eyed yet still fervently endlessly enchanted Much larger than all its parts this book does full justice to a place and a time where nothing was pristine except the light Bookforum Deep in the spell of Italy Hazzard parses the difference between visiting and living and working in a foreign

country She writes with enormous eloquence and passion of the beauty of getting lost in a place Susan Slater Reynolds Los Angeles Times The two voices join in exquisite harmony A lovely book Booklist starred review **Herbert List**
