Hercolubus Or Red Planet:

Hercolubus Or Red Planet V. M. Rabolu, 2003 What I affirm in this book is a prophecy that will be fulfilled shortly because I have evidence about the end of the planet I know it I am not scaring but warning because I am distressed about this poor Humanity These events will not wait and there is no time to waste with illusory things Back cover *Hercolubus Or Red Planet* V. M. Rabolu, 2003 In *Hercolubus or Red Planet* V M Rabolu offers a frightening look at the future of mankind The planet Hercolubus larger than Jupiter is on a path to Earth Destruction may be inevitable Also nuclear tests in the ocean are developing deep cracks along the seabed resulting in the gradual increase of earthquakes seaquakes cyclones and shifting of the polar axis V M Rabolu uncovers the origin of these distressful events and also the only hope mankind has to avoid total annihilation Publisher s description *Hercolubus Or Red Planet* V. M. Rabolú, 2006 *Hercolubus Oder Roter Planet* Joaquín Enrique Amórtégui Valbuena, 2000 ***Hercólubus Or Red Planet* , 2024** *Hercolubus Or Red Planet* V. M. Rabolu, 2017-02-07 *Hercolubus or Red Planet* is a warning to humanity about the proximity to Earth of the planet Hercolubus This is an enormous planet whose great gravitational power will create on our planet multiple earthquakes tidal waves volcanic eruptions etc that will be increasing in intensity until provoking a total alteration of the terrestrial surface In this book V M Rabol describes the catastrophic events that will happen soon to all of us some of which we are already witnessing and the necessary formula to escape from them *Hercolubus o Planeta Rojo* V. M. Rabolú, 2021-04 **Theodosius C.A. Toure, 2013-05-22** *Theodosius kingdom betrayal* is a story set on Forecastia a futuristic planet mixed with a dash of convenience in its simplicity The inhabitants Forecastians live as purely and peacefully as possible Trust had become so promoted that none had anticipated the betrayal The story begins with a strange weather which sets the mood in a city called Binty Two individuals of whom one is later recognized as the plotter and son of Eleaneos the King of Forecastia or at least of the main kingdom of the planet settled at Binty A few scenes later once a little bit about the planet is told to us The action begins dramatically whereas the character which would make the object of this first story Theodosius had been introduced However it is until Sumaoro who could have been acknowledged as the main character finds himself assigned the role of antagonist that we realise As the betrayal begins the instants rush leads the main character to trust his evil and notorious brother Sumaoro Unfortunately a mistake he then regrets He quickly realises that his brother had betrayed him and he begins fleeing As Theodosius was almost apprehended his father king Eleaneos comes to his rescue The scenes short drama will lead to the kings death and Theodosiuss escape from the planet Theodosius the shy respectful and admirable son automatically makes of his brother Sumaoro an enemy As we could have anticipated Theodosius to be a young and soft character at first Sumaoro damaging his plane saves the day He matures in the ship of which exiting on his own had become impossible The first chapter was rather an introduction to the main mechanism of the story The next chapter begins a hundred years later after the devastating incident had occurred on Forecastia The new character Jake takes part of the story

The following scenes of the chapter are filled with action pursuing and a sequence of deaths caused by a sub character Javertson as Theodosius attempts to regain his planet through NASA The Forecastian prince will travel through space with his new companion Jake They meet other characters as scenes proceed Filis the Martian Gazuma the Jupiterian and Kalabane the Hercolubian prince All which will play a major role in the books plot and get it to magnificent ends The next chapters now intensify the romance and everyday society hassles of course until Theodosius returns to his world where he is bitterly disappointed and led to the decision which will form the next chapters of the story As in the last scenes where dark magic word magic and powers beyond the norms are deployed and hence the book falls to an end from which a new beginning shall rise Judgement betrayal friendship war and power could merely assign a few aspects of this enthralling novella Between the fantasy and science fiction intertwined with the tales prose like fashion The end has us believe the story is yet not finished and has much more to offer

The Celestial Track Bala Mookoni,2015-07-08 The ancient palm leaves had predicted the possibilities of an Apocalypse An ashram near Bengaluru makes preparations for rescue operations in the event of a global Apocalypse The only vehicle that can operate during the Apocalypse is the Celestial Craftthe esoteric aircraft that was used by certain Masters since pre historic times in the Vedic cultures Apparently all the Celestial Crafts had vanished along with the Indus Valley civilization But the mystics believe that the palm leaves detailing the technology of these ancient machines are still available in a place called Naachipa whose exact coordinates are a mystery A civilization still lives there preserving the ancient traditions of the Indus Valley cultures and completely untouched by modern man Michel Diribarne and Pradeep Kumar set out on a prehistoric trail to unearth these palm leaves that are being fiercely guarded by those ancient people and their queen Irahi A woman of unparalleled beauty Irahi is literally a femme fatale whose charms mean certain death Only Pradeeps continuing purity faith in God and the power of the mystics can enable him to survive the dangers of the odyssey and unearth the palm leaves A story of love sacrifice seduction and celibacy it gives an insight into the ancient mystical wisdom and the divinity of man Journeying through vast and exotic forestlands and encountering strange people Michel and Pradeep have to comprehend the secrets of the mystics to fathom the unexplained mysteries of this universe that will eventually lead to the Celestial Craft

A Woman Possessed Liz Harmon,2012-12-13 My story begins by traveling down that long dark tunnel to the age of five This is my first recollection of the beginning of years of nightmares These are dreams that a five year old has no right having They are anywhere from horrific to prophetic Some of them went on anywhere from days to weeks to months with the same recurring theme What I like to call dream series It didnt take long to become a spooked child and I overcompensated by doing extreme stunts and performing foolish acts of bravery I was quite the dare devil Dare me Ill do it I dont know if I was daring life to destroy me or

just plain on a self destruct mission The result is often the same Somehow I lived to tell the tale I would lie down in the road to see if cars would stop Things like that Do not believe in God till you experience Him Mukul Kumar,2017-01-12 Does Karma exist Is it possible to remember past life Are there clairvoyant people who can see your aura and know of your past and future Is it possible to have out of the body experience Can there be transmigration of souls Do our dreams tell us something Can a Guru help you liberate from the cycle of life and death Is there life on other planets and solar systems Are there intelligent beings in outer space who are observing us Do some people know when the world will end Is it possible to be prepared for the end of the times and to move on to a new civilization What is the purpose of my life A series of mysterious coincidences lead a child from a remote village in India who would not have any future otherwise make leaps of progress His curiosity led him to attend some conferences given by a Brazilian missionary representing a cult in Spain headed by a Spiritual leader from Mexico There was an instant attraction The boy cuts his family connections overlooks his career aspirations and lands up in the monastery in the Catalu a region of Spain to be a missionary The spiritual head of the cult directs all the followers to abandon their worldly connections and prepare for the doomsday and creation of a new human race The followers built safe houses and prepared fervently in line with the instructions of the spiritual head The doomsday prediction does not materialize and what follows is chaos and disorientation The protagonist survives to tell his story

Radical Transformations in Minority Religions Beth Singler,Eileen Barker,2021-11-21 All religions undergo continuous change but minority religions tend to be less anchored in their ways than mainstream traditional religions This volume examines radical transformations undergone by a variety of minority religions including the Children of God Family International Gnosticism Jediism various manifestations of Paganism LGBT Muslim groups the Plymouth Brethren Santa Muerte and Satanism As with other books in the Routledge Inform series the contributors approach the subject from a wide range of perspectives professional scholars include legal experts and sociologists specialising in new religious movements but there are also chapters from those who have experienced a personal involvement The volume is divided into four thematic parts that focus on different impetuses for radical change interactions with society technology and institutions efforts at legitimation and new revelations This book will be a useful source of information for social scientists historians theologians and other scholars with an interest in social change minority religions and cults It will also be of interest to a wider readership including lawyers journalists theologians and members of the general public APOLLYON Ángel Ruiz Cediel,2024-10-01 Men of faith know that the end of time is not far away just like the Christians with their Apocalypse and the Mohammedans with the sura The Hour and even the agnostics had a premonition of it erroneously linking this event to the arrival of Nibiru in 2012 and the end of time of the Mayan Calendar In all cases the signs of the fulfillment of that time are unmistakable The last signs the false plagues and the massive vaccinations the mark of the Beast are already present After this there is only the fall of the stars the opening of the abyss and the torment of those who have the mark of the Beast

those who have been vaccinated But the Holy Scriptures do not speak of a single asteroid that will hit the Earth but of two a fiery mountain like a stadium and Wormwood which will open the abyss and release the last plague Power the same power that has spent history believing itself to be God has prepared itself to save itself from the inevitable it has created financial crises and pandemics to plunder states and build underground bunkers to hide in as prophesied and since the 1980s when the Doomsday Equation returned an inevitable singularity as the only result they have done so all over the world However time has run out
