Performances from the Middle Ages Into the Twenty-first Century Fiona Macintosh, Justine McConnell, Stephen Harrison, Claire Kenward, 2018 Greek and Roman epic poetry has always provided creative artists with a rich storehouse of themes this volume is the first systematic attempt to chart its afterlife across a range of diverse performance traditions with analysis ranging widely across time place genre and academic and creative disciplines **Worshippers of the Gods**

Mattias P. Gassman, 2020-05-29 *Worshippers of the Gods* tells how the Latin writers who witnessed the political and social rise of Christianity rethought the role of traditional religion in the empire and city of Rome In parallel with the empire's legal Christianisation it traces changing attitudes toward paganism from the last empire wide persecution of Christians under the Tetrarchy to the removal of state funds from the Roman cults in the early 380s Influential recent scholarship has seen Christian polemical literature a crucial body of evidence for late antique polytheism as an exercise in Christian identity making In response *Worshippers of the Gods* argues that Lactantius Firmicus Maternus Ambrosiaster and Ambrose offered substantive critiques of traditional religion shaped to their political circumstances and to the preoccupations of contemporary polytheists By bringing together this polemical literature with imperial laws pagan inscriptions and the letters and papers of the senator Symmachus *Worshippers of the Gods* reveals the changing horizons of Roman thought on traditional religion in the fourth century Through its five interlocking case studies it shows how key episodes in the Empire's religious history the Tetrarchic persecution Constantine's adoption of Christianity the altar of Victory affair and the disestablishment of the Roman cults shaped contemporary conceptions of polytheism It also argues that the idea of a unified paganism often seen as a capricious invention actually arose as a Christian response to the eclectic philosophical polytheism in vogue at Rome

Power Stefano Rebeggiani, 2018-09-10 Statius narrative of the fraternal strife of the Theban brothers Eteocles and Polynices has had a profound influence on Western literature and fascinated generations of scholars and readers This book studies in detail the poem's view of power and its interaction with historical contexts Written under Domitian and in the aftermath of the civil war of 69 CE the Thebaid uses the veil of myth to reflect on the political reality of imperial Rome The poem offers its contemporary readers including the emperor a cautionary tale of kingship and power Rooted in a pessimistic view of human beings and human relationships the Thebaid reflects on the harsh necessity of monarchical power as the only antidote to a world always on the verge of returning to chaos While humans and especially kings are fragile and often the prey of irrational passions the Thebaid expresses the hope that an illuminated sovereign endowed with clementia mercy may offer a solution to the political crisis of the Roman empire Statius narrative also responds to Domitian's problematic interaction with the emperor Nero whom Domitian regarded as both a negative model and a secret source of inspiration With *The Fragility of Power* Stefano Rebeggiani offers thoughtful parallels between the actions of the Thebaid and the intellectual activities and political views formulated by the groups of Roman aristocrats who survived Nero's repression He argues that the poem draws inspiration from an initial phase in Domitian's regime characterized by a positive relationship between the emperor and the Roman elite Statius creates a number of innovative strategies to negotiate elements of continuity between Domitian and Nero so as to show that while Domitian recuperated aspects of Nero's self presentation he was no second Nero Statius poem interacts with aspects of imperial ideology under Domitian Statius allusions to the stories of Phaethon and Hercules engage Domitian's use of solar symbols and his association with Hercules This book also shows that the Thebaid adapts previous texts in particular Lucan's *Bellum Civile* in order to connect the mythical subject of its narrative with the historical experience of civil war in Rome in 69 CE By moving past recent solely aesthetic readings of the Thebaid *The Fragility of Power* offers a serious and thoughtful addition to the recent scholarship in Statian studies **Atlas' Revenge** Robyn DiTocco, Tony DiTocco, 2004-10 PJ Allen must return to the mythological world to help his friend Hercules *Fight Game* Kate Wild, 2009-03 Fifteen year old Freedom Smith is a fighter just like all of his relatives who have the Hercules gene which leads him to a choice between being jailed for attempted murder or working with a covert law enforcement agency to break up a mysterious illegal fight ring *The Blacksmith & Wheelwright*, 1912 *Son of Classics and Comics* George Kovacs, C. W. Marshall, 2016 *Son of Classics and Comics* presents thirteen original studies of representations of the ancient world in the medium of comics Building on the foundation established by their groundbreaking *Classics and Comics* Kovacs and Marshall have gathered a wide range of studies with a new global perspective [Televisual Shared Universes](#) CarrieLynn D. has had limited exploration in other media such as those seen on the smaller screen By applying convergence culture and other contemporary media studies concepts to television s history contributors demonstrate the common activities and practices in serial narratives that align older television with contemporary television simultaneously bridging the gap between old media and new media studies Scholars of film studies media studies and popular culture will find this book of particular interest *Farm Implement News Buyer's Guide* Farm Implement News Co., Chicago,1903 *Engineering and Contracting* ,1915 *Engineering* ,1869 *Crime Fighting Heroes of Television* Vincent Terrace,2015-10-02 Superheroes and characters who fight crime by extraordinary means have populated the television airwaves from the beginning This broad ranging reference contains a trove of information on shows featuring such characters as Superman and Black Scorpion to programs like The A Team and Knight Rider Regular police and detective shows have been excluded Alphabetical entries on 125 network cable and syndicated series broadcast from 1949 to 2001 plus 26 pilot films deliver information about story premises characters and myriad elements that add flavor and interest to the shows as well as cast listings and broadcast data A handy index of performers is included as well as appendices listing the crime fighting superheroes and machines that appear in the programs **Television Finales** Douglas L. Howard,David Bianculli,2018-11-13 Today more than ever series finales have become cultural touchstones that feed watercooler fodder and Twitter storms among a committed community of viewers While the final episodes of The Fugitive and M A S H continue to rank among the highest rated broadcasts more recent shows draw legions of binge watching fans Given the importance of finales to viewers and critics alike Howard and Bianculli along with the other contributors explore these endings and what they mean to the audience both in terms of their sense of narrative and as episodes that epitomize an entire show Bringing together a veritable who s who of television scholars journalists and media experts including Robert Thompson Martha Nochimson Gary Edgerton David Hinckley Kim Akass and Joanne Morreale the book offers commentary on some of the most compelling and often controversial final episodes in television history Each chapter is devoted to a separate finale providing readers with a comprehensive survey of these watershed moments Gathering a unique international lineup of journalists and media scholars the book also offers readers an intriguing variety of critical voices and perspectives **Acts of Trust** Mary Farrell,Michael Eric Dyson,2010-09 Without trust our lives would be impossible Every relationship we have whatever its nature depends on trust for its successful continuance Sometimes life itself depends on it But how do we trust other people What happens to us when we engage in acts of trust And what happens to us when our trust is betrayed Mary Farrell examines issues Søren Kierkegaard Joakim Garff,2013-10-31 The day will come when not only my writings but precisely my life the intriguing secret of all the machinery will be studied and studied S ren Kierkegaard s remarkable combination of genius and peculiarity made this a fair if arrogant prediction But Kierkegaard s life has been notoriously hard to study so complex was the web of fact and fiction in his work Joakim Garff s biography of Kierkegaard is thus a landmark achievement A seamless blend of history

philosophy and psychological insight all conveyed with novelistic verve this is the most comprehensive and penetrating account yet written of the life and works of the enigmatic Dane who changed the course of intellectual history Garff portrays Kierkegaard not as the all controlling impresario behind some of the most important works of modern philosophy and religious thought books credited with founding existentialism and prefiguring postmodernism but rather as a man whose writings came to control him Kierkegaard saw himself as a vessel for his writings a tool in the hand of God and eventually as a martyr singled out to call for the end of Christendom Garff explores the events and relationships that formed Kierkegaard including his guilt ridden relationship with his father his rivalry with his brother and his famously tortured relationship with his fianc e Regine Olsen He recreates the squalor and splendor of Golden Age Copenhagen and the intellectual milieu in which Kierkegaard found himself increasingly embattled and mercilessly caricatured Acclaimed as a major cultural event on its publication in Denmark in 2000 this book here presented in an exceptionally crisp and elegant translation will be the definitive account of Kierkegaard s life for years to come **Not Only the City** James McNally Gabriel Pfundstein, 1999
