Wholesale Couture Liz Tregenza, 2023-02-23 The first book to consider the subject Wholesale Couture London and Beyond 1930 70 seeks to revise the notion that wholesale couturiers were simply copyists and demonstrate the complexities of their design processes and business strategies This term has fallen out of usage however it was used to describe the pinnacle of the British ready to wear fashion industry between the 1930s and 1960s Companies within this sector have typically been recognised as creators of high quality copies of French haute couture using ready to wear techniques Liz Tregenza traces wholesale couture garments from concept to usage considering design manufacture branding promotion retail and export She looks beyond the garments produced and investigates the people behind these firms consequently demonstrating the significant role that largely Jewish immigrants

played in the development and success of this industry The book also considers the wider social and economic factors that affected manufacturers and consumers the effect of austerity rationing and the Utility scheme and the pressing need for wholesale couturiers to export their products internationally It demonstrates that 1946 was a critical year for re building and re imagining the London fashion industry and that wholesale couturiers were at the centre of these developments Furthermore it reveals the impact of changing consumer purchasing power including the burgeoning youth market for fashion manufacturers Offering a new perspective on British fashion history Wholesale Couture demonstrates that these couturiers were vital in cementing London s status as a ready to wear fashion centre

Health, Medicine, and Society in Victorian England Mary Wilson Carpenter, 2009-11-19 This work offers a social and cultural history of Victorian medicine from below as experienced by ordinary practitioners and patients often described in their own words Health Medicine and Society in Victorian England is a human story of medicine in 19th century England It s a story of how a diverse and competitive assortment of apothecary apprentices surgeons who learned their trade by doing and physicians schooled in ancient Greek medicine but lacking in any actual experience with patients was gradually formed into a medical profession with uniform standards of education and qualification It s a story of how medical men struggled with new diseases such as cholera and old ones known for centuries such as tuberculosis syphilis and smallpox largely in the absence of effective drugs or treatments and so were often reduced to standing helplessly by as their patients died It s a story of how surgeons empowered first by anesthesia and later by antiseptic technique vastly expanded the field of surgery sometimes with major benefits for patients but sometimes with disastrous results Above all it s a story of how gender and class ideology dominated both practitioners and patients Women were stridently excluded from medical education and practice of any kind until the end of the century but were hailed into the new field of nursing which was felt to be natural to the gentler sex Only the poor were admitted to hospitals until the last decades of the century and while they often received compassionate care they were also treated as cases of disease and experimented upon with freedom Yet because medical knowledge was growing by leaps and bounds Victorians were fascinated with this new field and wrote novels poetry essays letters and diaries which illuminate their experience of health and disease for us Newly developed techniques of photography as well as improved print illustrations help us to picture this fascinating world This vivid history of Victorian medicine is enriched with many literary examples and visual images drawn from the period

The Speaker, 1891 **Identity, Community and Australian Artists, 1890-1914** Kate R. Robertson, 2019-09-19 An irresistible call lured Australian artists abroad between 1890 and 1914 a transitional period immediately pre and post federation Travelling enabled an extension of artistic frontiers and Paris the centre of art and London the heart of the Empire promised wondrous opportunities These expatriate artists formed communities based on their common bond to Australia enacting their Australian ness in private and public settings Yet they also interacted with the broader creative community fashioning a network of social and professional relationships They joined

ateliers in Paris such as the Acad mie Julian clubs like the Chelsea Arts Club in London and visited artist colonies including St Ives in England and taples in France Australian artists persistently sought a sense of belonging negotiating their identity through activities such as plays balls tableaux parties dressing up and of course the creation of art While individual biographies are integral to this study it is through exploring the connections between them that it offers new insights Through utilising extensive archival material much of which has limited or no publication history this book fills a gap in existing scholarship It offers a vital exploration re consideration of the fluidity of identity place and belonging in the lives and work of Australian artists in this juncture in British Australian history
