**Here We Are** Graham Swift,2020-09-22 This novel of love in the world of 1950s vaudeville is a masterwork of literary magic from the Booker Prize winning author of Last Orders and Mothering Sunday It is 1959 in Brighton England and the theater at the end of the famous pier is having its best summer season in years Ronnie a brilliant young magician and Evie his dazzling assistant are top of the bill drawing a full house every night And Jack is everyone s favorite master of ceremonies holding the whole show together But as the summer progresses the drama among the three begins to overshadow their success onstage setting in motion events that will reshape their lives Vividly realized tenderly comic and quietly shattering Here We Are is a masterly work of literary magic **Here We Are!** Carol Dukes,2011-05-01 Sometimes a red hot chunk of tar seeps from my heart down into my gut The tar hardens and squeezes my stomach until I can hardly breathe Those of us who don t cry hold a terrible grief inside not softened with the relief of tears from Here We Are **Well, Here We Are!** J. Beck,2005-06 Bans and Bertha Hanson and their children arrived in Mountain Iron Minnesota on the Mesabi Iron Range in 1892 John and Hulda Beck and their children arrived there in 1906 After they arrived both families had more children and both lost some children The four parents all worked very hard and made very little money But they had dreams that their surviving children could have more comfortable lives if they could get an education which they had been denied The two families were brought together in 1922 when the Becks oldest son married the Hansons oldest daughter the first marriage for both families Well Here We Are is a record of what is known about the ancestors and descendants of Bans and Bertha and John and Hulda It is a remarkable story of how the dreams of four minimally educated people came true largely as a result of their hard work and sacrifice but even more because they succeeded in making their children believe in those dreams and passed them on to following generations *Hearings* United States.
