Heres Howe:

Here's Howe Thomas Sutton,1950 Artists in Ohio, 1787-1900 Mary Sayre Haverstock,Jeannette Mahoney Vance,Brian L. Meggitt,2000 A three volume guide to the early art and artists of Ohio It includes coverage of fine art photography ornamental penmanship tombstone carving china painting illustrating cartooning and the execution of panoramas and theatrical scenery *The Judge* ,1923 *The Billboard* ,1928 **The Great American Songbook** Steven Suskin,2023-04-01 In an age of ubiquitous music and countless new songs releasing every minute the Great American Songbook endures After all the Songbook that sprawling canon of popular songs standards and show tunes from roughly the 1920s through the 1950s is a foundational text of American pop music Rare indeed is the song that doesn't in some way draw on this magnificent corpus and rare is the person who hasn't heard at least a few of its most enduring melodies Nonetheless the Songbook is broader and deeper than most listeners can imagine and on the margins the question of whether this or that song should be included is the source of regular arguments among scholars and buffs alike Attempting to plumb its depths can be a daunting prospect Enter Steven Suskin who has been writing about music since the days that Rodgers Arlen and Berlin still roamed the streets of Manhattan In this carefully curated and cheerfully opinionated guidebook Suskin surveys 201 of the most significant selections from the Songbook ranging from celebrated masterpieces to forgotten gems Year by year he puts songwriters and their contributions in their context and explains what makes each song such a distinctive treat whether felicitous melody colorful harmony compositional originality or merely the sheer irreducible joy of listening to it Old and new favorites await all readers of this painstakingly compiled enthusiastically written catalog Broadway ,

Crawford,2011-11-03 John Howard baron Howard and first duke of Norfolk was one of the most important men of the Yorkist period He was a consistently loyal supporter of the Yorkist dynasty from the late 1450s until his death at Bosworth in 1485 He was an indefatigable royal servant active in the military field as an agent of the Crown at home in East Anglia as a councillor at Westminster and as an ambassador who became England's leading envoy to France And yet there were other men of the period equally significant in their careers for whom no biographies have been forthcoming To the question why write a biography of John Howard one answer must be because we can With the exceptions of the kings he served no other man of the fifteenth century peerage has left us so much in the way of evidence of his day to day life not only of his royal service but his domestic concerns Information about other men of his time depends largely on well documented political or administrative action very little information is available on their private lives The same is not true of Howard The unparalleled records that he left behind are four volumes of household memoranda covering the periods 1462 1471 and 1481 1483 The memoranda were a daily record of the money received and dispersed by Howard himself his family and senior

household members The lack of distinction between business and domestic concerns and the great range of subjects from payments for ships to laces for his wife s gowns are what make them so illuminating Taken together these surviving records illustrate almost every aspect of his life and bring him alive talented efficient ambitious and not above some dishonourable dealings short tempered paternalistic and loyal

Irish Modernisms Paul Fagan,John Greaney,Tamara Radak,2021-09-23 This book focuses on previously unexplored gaps limitations and avenues of inquiry within the canon and scholarship of Irish modernism to develop a more attentive and fluid theoretical account of this conceptual field Foregrounding interfaces between literary visual musical dramatic cinematic epistolary and journalistic media these essays introduce previously peripheral writers artists and cultural figures to debates about Irish modernism Hannah Berman Ethel Colburn Mayne Mary Devenport O'Neill Sheila Wingfield Freda Laughton Rhoda Coghill Elizabeth Bowen Mirt n Cadhain Joseph Plunkett Liam O'Flaherty Edward Martyn Jane Barlow Seosamh Torna Jack B Yeats and Brian O Nolan all feature here to interrogate the term s implications Probing Irish modernism s responsiveness to contemporary theory beyond postcolonial and Irish studies Irish Modernisms Gaps Conjectures Possibilities uses diverse paradigms including weak theory biopolitics posthumanism and the nonhuman turn to rethink Irish modernism s organising themes the material body language mediality canonicity war state violence prostitution temporality death mourning Across the volume cutting edge work from queer theory and gender studies draws urgent attention to the too often marginalized importance of women s writing and queer expression to the Irish avant garde while critical reappraisals of the coordinates of race and national history compel us to ask not only where and when Irish modernism occurred but also whose modernism it was

Charles Stewart Parnell and His Times N. C. Fleming,Alan O'Day,2011-07-06 Charles Stewart Parnell 1846 1891 wrote remarkably little about himself but he has attracted the attention of many writers politicians and scholars both during his lifetime and ever since His controversial and provocative role in Irish and British affairs had him vilified as a murderer in The Times and afterwards dramatically vindicated by the Westminster Parliament It cast him as a romantic hero to the young James Joyce and a self serving opportunist to the journalists of the Nation Parnell has been the subject of court cases parliamentary enquiries and debates journalism plays poems literary analysis and historical studies For the first time all these have been collected catalogued and cross referenced in one volume an invaluable resource for scholars of late nineteenth century Ireland and Britain Divided into fifteen chapters including a biographical sketch the volume contains information on manuscript and archival collections printed primary sources Parnell s writing Parnell s speeches in the House of Commons and outside Parliament contemporary journalism contemporary writing and contemporary illustrations on Irish affairs and a substantial list of scholarly work including biographies books articles chapters and theses This volume offers readers a clear record of the substantial material already available on Parnell and in doing so offers resources to future research in this area

Dickens the Enchanter Peter Conrad, 2025-02-27 A kaleidoscopic investigation of Dickens s imagination and the world he created See Dickens as never before in this creative biography which delves into his novels journalistic essays and letters to reveal his strange hilarious but obsessive personal character and the audacity of a mind that set out as he said to rearrange the universe Peter Conrad s bold rediscovery of Dickens suggests that he alone rivals Shakespeare and in some ways betters him As well as re examining the great novels Conrad s book probes the journalism in which Dickens reports on his risky ventures into the urban underworld It also describes the celebrated but dangerously over intense public readings in which as at a seance he allowed his most terrifying characters to take possession of him Ultimately it reveals how the forces of creation and destruction come together in Dickens who despite his reputation for jollity and effusive sentiment found it increasingly hard to control the madness and violence of his own self destructive genius Dickens the Enchanter takes us deep into an imagination whose power and originality struck some contemporaries as godlike while others thought it demonic If you already love Dickens it will renew your understanding of him if you have yet to read him it will lure you into his astonishing alarming enchanted world
