Heretic Blood:

The Heretic's Guide to Doctrine Daboniel Hereticus, 2020-03-19 This book is intended to open Christians minds up to other Christians and to help improve dialog between them It deals with where a lot of them are coming from doctrinally and the problems to be dealt with on both sides There is a core to all true Christians that should bind us but we cannot do that as long as we cannot be open with our differences and open minded enough to understand why some people believe what they do Mature Christians should be able to talk about the elephant in the room I am of the firm belief that if everybody was coming from the Bible with what they believed we would have a lot more agreement And the world would hate us all the more I certainly do not expect every Christian to agree with me on everything It is not for nothing I call myself Hereticus

Victorian Christianity at the Fin de Siècle Frances Knight, 2015-10-23 The period known as the fin de siècle defined in this groundbreaking book as chiefly the period between 1885 and 1901 was a fluid and unsettling epoch of optimism and pessimism endings and beginnings as well as of new forms of creativity and anxiety The end of the century has attracted much interest from scholars of literary and cultural studies who regard it as a critical moment in the history of their disciplines but it has been relatively ignored by religious historians Frances Knight here sets right that neglect She shows how late Victorian society often said to be one of the most intensely Christian cultures the world has ever seen reacted to the bold agendas being set by the thinkers of the fin de siècle and how prominent Church figures during the era first identified many of the concerns that have preoccupied Christians latterly These include an active interest in social justice and the creation of new types of communities increasingly open discussion of the sexual exploitation of children debates about society s decadence new ideas about the role of women and the belief in the redemptive powers of art pioneered by figures as diverse as P T Forsyth Percy Dearmer and Samuel and Henrietta Barnett Examining in particular the Christian world of fin de siècle London the author offers penetrating insights into a society in which the ritual and culture of Christianity sometimes permeated the aesthetic movement and where devotees of the aesthetic movement like Walter Pater Oscar Wilde and their disciples often revealed a fascination with Christianity She argues that the long 1890s was a decisive decade in which various sections of Christian opinion both on the progressive and the more conservative wings of the faith began to express views which set the tone for attitudes which would become commonplace in the twentieth century Victorian Christianity at the Fin de Siècle is the focussed treatment of religion and culture at the end of the nineteenth century that the field has long needed It will be welcomed by scholars of church history social and cultural history and the history of ideas

MacKenzie,2020-11-09 As above so below Trappist monk Tom Merton had been dead for 30 years when Heather E MacKenzie met him for the first time Their meeting was ordained by God who needed to use her as a vessel for His truth through Merton s spirit Her journey of discovering her role as a holy witness to Merton s divine life as an apostle of Christ would take her on a retreat to Our Lady of Gethsemani Abbey where both Merton and the Mystical Christ appeared during the Sacrament of the Eucharist service as an expression of God s Love The Trappists Order of monks in Kentucky consider themselves as apostles of Christ and all the spiritual events described in the book were orchestrated by God to reveal that

truth God desires for people to know that Merton who is now living in the Spirit realm is a heavenly apostle who is working with the Christ God decided that Heather needed to be the witness to this truth and write about it Through His intervention she learned that there are spiritual entities who are working with Christ in the Spirit realm and there are heavenly apostles similar to the biblical apostles who knew Jesus when he was alive on the earth Merton is one of these heavenly apostles The Church considers the Eucharist to be the most important sacrament of the Christian faith and Merton is living this truth as evident by appearing with the Mystical Eucharist Christ My Mystical Retreat with Tom Merton celebrates his spirit more intimately than ever before
