Hermeneutics As Politics:

Hermeneutics as Politics Stanley Rosen, 1987 Presenting hermeneutics as a fundamentally political phenomenon Stanley Rosen combines exemplary scholarship with analytic precision to illuminate current critical thinking Hermeneutics as Politics, 2003 *Hermeneutics, Politics, and the History of Religions* Christian K. Wedemeyer, Wendy Doniger, 2010 This volume comprises papers presented at a conference marking the 50th anniversary of Joachim Wach's death and the centennial of Mircea Eliade's birth Its purpose is to reconsider both the problematic separate legacies of these two major twentieth century historians of religions and the bearing of these two legacies upon each other Shortly after Wach's death in 1955 Eliade succeeded him as the premiere historian of religions at the University of Chicago As a result the two have been associated with each other in many people's minds as the successive leaders of the so called Chicago School in the history of religions In fact as this volume makes clear there never was a monolithic Chicago School Although Wach reportedly referred to Eliade as the most astute historian of religions of the day the two never met and their approaches to the study of religions differed significantly Several dominant issues run through the essays collected here the relationship between the two men's writings and their lives and in Eliade's case the relationship between his political commitments and his writings in fiction history of religions and autobiography Both men's contributions to the field continue to provoke controversy and debate and this volume sheds new light on these controversies and what they reveal about these two scholars legacies *Politics, Poetics, and Hermeneutics in Milton's Prose* David Loewenstein, James Turner, 1990-04-26 This book explores the interconnections between Milton's politics poetics and prose writings **Hermeneutics as Politics** Stanley Rosen, 1987

Legal and Political Hermeneutics, Or Principles of Interpretation and Construction in Law and Politics Francis Lieber, 1880 *On Jean-Luc Nancy* Darren Sheppard, Simon Sparks, Colin Thomas, 2005-08-03 This is the first book to consider the increasing importance of Jean Luc Nancy's work which has influenced key thinkers such as Jacques Derrida All his major works have been translated into English yet until now little has been made available on his place in contemporary philosophy By showing how he situates his work in a contemporary context the collapse of communism the Gulf War and the former Yugoslavia this outstanding collection reveals how Nancy's engagement with Hegel Marx Nietzsche Heidegger and Derrida makes him one of the key contemporary continental philosophers Providing new perspectives on the issues of sense art and community these essays make it impossible to approach philosophy without reference to the work Jean Luc Nancy

Hermeneutics, Citizenship, and the Public Sphere Roberto Alejandro, 1993-01-01 Alejandro offers a theoretical reflection on citizenship as a political category that could make possible a collective identity defined by the citizens interpretations of traditions and their participation in the public sphere as well as their construction of a hermeneutic historical consciousness This reflection seeks to pave the way for a vision of citizenship as a space of fluid boundaries within which there is room for diverse and even conflicting understandings of individuality community and public identity Paper

edition unseen 17 95 Annotation c by Book News Inc Portland Or The Politics of Postmodernity Gary Brent Madison,2012-09-14 The distinctive feature of Madison s political theory is the Merleau Pontyan sense of contingency that pervades his writings on the subject and indeed is visible throughout his entire oeuvre The perspicacity of Madison s view of con tingency was first noted by Paul Ricoeur In his foreword to the English transla tion of Madison s now classic study of the philosophy of Merleau Ponty Ricoeur wrote More than anything the most penetrating view which Gary Madison proposes of Merleau Ponty s final ontology concerns the paradox of contingency Twenty eight years after the original French publication of his dissertation we may look back over Madison s work and interpret it as working out Merleau Ponty s insights into the implications of contingency for human political reality within the framework of a hermeneutical theory of democracy The spirit of Merleau Ponty s understanding of the emergence of Being at the heart of contingency and of contingency at the heart of Being is carried forward in Madison s articulation of a nondogmatic politics of communicative rational ity Madison s postmodern liberalism is unique in seeking to articulate a specifi cally and explicitly hermeneutical politics one that attempts to draw out the ul timate praxial consequences of phenomenological hermeneutics As might be expected from a political economic theory of communicative rationality Madi son s thinking takes shape through a dialectical confrontation with a number of prominent contemporary writers Derrida Rorty and Habermas in particular **Legal and Political Hermeneutics, Or, Principles of Interpretation and Construction in Law and Politics** Francis Lieber,2024-09-27 Reprint of the original first published in 1839 The Spirit of Populism ,2021-11-08 Populism is a buzzword This compilation explores the significance of religion for the controversies stirred up by populist politics in European and American contexts in order to understand what lies behind the buzz Engaging Jewish Christian and Islamic political thought and theology contributions by more than twenty established and emerging scholars explore right wing and left wing protests offering critical interpretations and creative interventions for a polarized public square Both methodologically and thematically the compilation moves beyond essentialist definitions of religion encouraging a comparative approach to political theology today Ulrich Schmiedel and Joshua Ralston discuss their book on Brill s Humanities Matter podcast available on Spotify Apple Podcasts and Google Podcasts **Towards a Post-Modern Understanding of the Political A.** Bielskis,2005-08-19 While claiming that liberalism is the dominant political theory and practice of modernity this book provides two alternative post modern theoretical approaches to the political Concentrating on Nietzsche s and Foucault s work it offers a novel interpretation of their genealogical projects It argues that genealogy can be applied to analyze different forms of cultural kitsch vis vis the dominant political institutions of consumer capitalism The problem with consumer capitalism is not so much that it exploits individuals but that it fosters cheap human existence saturated with the artefacts of kitsch Contrasting genealogy with hermeneutic philosophy it calls for a renewal of hermeneutics within the Thomistic tradition *Legal and Political Hermeneutics, Or Principles of Interpretation and Construction in Law and Politics* Francis

Lieber, 2017-11-22 Excerpt from *Legal and Political Hermeneutics or Principles of Interpretation and Construction in Law and Politics With Remarks on Precedents and Authorities* Adding some remarks which appear to me of sufficient importance to enlarge the chapter on precedents and to add a new one on authorities I have re written the whole as a superficial comparison will show and here lay the result of my labors before the reader May it do some good Whether I have succeeded or not I believe it will be granted on all hands that the subject is a very important one and that in countries as the United States and England in which civil liberty teaches the citizen to look for one of its great protections in the exact administration of the laws and a careful avoidance of constant explanation not interpretation Of the laws by the Public Power in countries in which the law is allowed to make its own way immutable principles and fixed rules for interpreting and construing them should be generally acknowledged or if they exist already in a scattered state should be gathered and clearly represented so that they may establish themselves along with the laws as part and branch of the common law Of free countries About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
