Hero Healer Artist:

Healing Art Marie Perret, 2012-08 Marie Perret has explored the connection between expression art and awareness for many years. Originally trained in transpersonal psychotherapy, meditation, and spiritual healing, she evolved a holistic way of working with creativity using intuitive painting called Art Synthesis. For the last 20 years, she has been running workshops and training courses. She describes her own creative journey, shares her experience of working with others, and her understanding of the vital role of creativity in human life. *The Healing Art* William Henry Davenport Adams, 1887

The Origin and Growth of the Healing Art Edward Berdoe, 1893 **The Healing Art of Storytelling** Richard Stone, 2005

Over the years, television and other cultural forces have robbed us of storytelling as a tool of communicating learning and healing. In *The Healing Art of Storytelling*, professional storyteller Richard Stone describes this crisis and its devastating effects and then offers a step-by-step guide for creating a storytelling tradition that we can use to transform our families, our friendships, and ourselves. This ancient art offers us a fresh approach to issues such as coping with death and grieving, building esteem in ourselves and our children, finding courage in the face of uncertainty, and discovering the miraculous in the everyday. With *The Healing Art of Storytelling*, you will gain a deeper sense of integrity, purpose, and direction, and most importantly, see the story of your life in a new light. Richard Stone is a captivating storyteller with an important lesson in his tale: you can do this too, and in the telling, transform yourself as well as your story.

Henriette Anne Klauser, Ph.D., author of *Put Your Heart on Paper* and *Writing on Both Sides of the Brain*, beautifully written, insightful, and practical, a book for every storyteller and the storyteller in everyone. Allan B. Chinen, M.D., author of *Waking the World* and *Beyond the Hero*. Richard Stone invites us on a rich adventure to tell the smaller stories of our lives with exquisite precision that we ourselves, through the telling, may become larger and spacious, full of grace. Wayne Muller, author of *How Then Shall We Live* and *Legacy of the Heart*. This is the storyteller's workshop and cookbook, but more than that, it shows the deep motivator and the healer of wounded hearts and souls at work in an effective and salvational manner. A most helpful book and a good read. Rabbi Zalman Schachter-Shalomi, author of *The Dream Assembly* and *From Ageing to Sageing*. *Laura Secord* Peggy Dymond Leavey, 2012-05-12 2013 Speaker's Book Award Shortlisted. Laura Secord is now famous for her singular feat of bravery during the War of 1812, but did she warn the British and help defeat the American invaders as her legend says? After dragging her injured husband off the battlefield during the War of 1812, Laura Secord (1775-1868) was forced to house American soldiers for financial support while she nursed him back to health. It was during this time that she overheard the American plan to ambush British troops at Beaver Dams. Through an outstanding act of perseverance and courage, in 1813, Laura walked an astonishing 30 kilometers from her home to a British outpost to warn Lieutenant James FitzGibbon. Despite facing rough terrain, the ever-present danger of being caught by American troops, and rather delicate encounters with Native forces, Laura reached FitzGibbon just in time for the British to prepare and execute an ambush on American military nearby, forcing

the U S general to surrender Laura lived a very long time dying at the age of 93 In her lifetime the government never formally recognized her singular feat of bravery and much controversy still envelopes her legacy **Molly Brant** Peggy Dymond Leavey,2015-04-25 Molly Brant a Mohawk girl born into poverty in 1736 became the consort of Sir William Johnson one of the wealthiest white men in 18th century America Suspected of being a spy for the British during the American Revolution Molly was forced to flee with her children or face imprisonment Because of her ability to influence the Mohawks her assistance was needed at Fort Niagara and she found refuge there A respected Mohawk matron Molly became a vital link between her people and the Canadian Indian Department Like her brother Joseph she worked hard to keep five of the Six Nations on the side of the British throughout the war believing the empty promises that all would be restored to them once the conflict ended Although she was seen as fractious and demanding at times her remarkable stamina and courage gained the respect of the highest levels of Canadian government *Mary Pickford* Peggy Dymond Leavey,2011-09-14 Traces the life of silent film star Mary Pickford from her childhood in Toronto through her years of success in motion pictures in the United States John A. Macdonald Ged Martin,2013-06-01 Shocked by Canada s 1837 rebellions John A Macdonald sought to build alliances to avoid future conflicts Thanks to financial worries and an alcohol problem he almost quit politics in 1864 The challenge of building Confederation harnessed his skills and in 1867 he became the country s first prime minister

Vilhjalmur Stefansson Tom Henighan, 2009-03-09 Born in Manitoba of Icelandic parents Vilhjalmur Stefansson 1879 1962 became one of Canada's most famous and controversial Arctic explorers After graduate studies in

anthropology at Harvard University Stefansson lived with and studied Inuit in the Mackenzie River Delta in the Northwest Territories in the winter of 1906-07. In two subsequent expeditions he completed a major anthropological survey of the Central and Western Arctic coasts and islands of North America, located and lived with the Copper Inuit, a previously unknown group of aboriginal people, and discovered the world's last major land masses. During his third and final great Arctic expedition from 1913 to 1918, some of Stefansson's men perished tragically, an outcome that severely damaged his reputation. Nevertheless, the hardy explorer contributed immensely to knowledge about the Far North, particularly in his championing of the Friendly Arctic. Part scientist, part showman, Vilhjalmur Stefansson was truly unique among polar adventurers. James Wilson Morrice Wayne Larsen, 2008-05-26. Larsen chronicles the troubled life of painter James Wilson Morrice, 1865-1924, as he searches for the colours and compositions that would inspire a revolution in Canadian art.
