A Treasury of Heroes and Heroines (Esprios Classics) Clayton Edwards, 2018-03-21 A TREASURY OF HEROES AND HEROINES A RECORD OF HIGH ENDEAVOUR AND STRANGE ADVENTURE FROM 500 B C to 1920 A D ILLUSTRATED BY FLORENCE CHOATE AND ELIZABETH CURTIS *Heroes and Heroines* Eleanor Farjeon, Herbert Farjeon, Robin Jacques, 1987 *Heroes and Heroines*, 2013 Explores myths folktales legends and other traditional literature featuring heroes *Heroes, Heroines, and Everything in Between* Christopher J. Olson, CarrieLynn D. Reinhard, 2017-09-20 Current characters in children's entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality From films to picture books to animated television series children's entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another *Heroes Heroines and Everything in Between Challenging Gender and Sexuality Stereotypes in Children's Entertainment Media* examines how this media ecology now includes a presence for nonheteronormative genders and sexualities It considers representations of such identities in various media products e g comic books television shows animated films films children's literature meant for children e g toddlers to teenagers The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality By doing so they explore these nontraditional representations and consider what they say about the current state of children's entertainment media popular culture and global acceptance of these gender identities and sexualities **Folk Heroes and Heroines around the World** Graham Seal, Kim Kennedy White, 2016-03-14 This comprehensive collection of folk hero tales builds on the success of the first edition by providing readers with expanded contextual information on story characters from the Americas to Zanzibar Despite the tremendous differences between cultures and ethnicities across the world all of them have folk heroes and heroines real and imagined that have been represented in tales legends songs and verse These stories persist through time and space over generations even through migrations to new countries and languages This encyclopedia is a one stop source for broad coverage of the world's folk hero tales Geared toward high school and early college readers the book opens with an overview of folk heroes and heroines that provides invaluable context and then presents a chronology The book is divided into two main sections the first provides entries on the major types and themes the second addresses specific folk tale characters organized by continent with folk hero entries organized alphabetically Each entry provides cross references as well as a list of further readings Continent sections include a bibliography for additional research The book concludes with an alphabetical list of heroes and an index of hero types **Crafting Characters** Koen De Temmerman, 2014-02-27 The oldest European novels were written in ancient Greek during the first few centuries of the Common Era Despite the gold rush towards these novels in the last two decades and the resurgence of interest in representations of character in literary studies and Classical studies in particular no volume

has yet been devoted to exploring character and characterization in the ancient Greek novels This study analyses the characterization of the protagonists in the five extant so called ideal Greek novels those of Chariton Xenophon of Ephesus Achilles Tatius Longus and Heliodorus De Temmerman offers close readings of techniques of characterization used in each novel and combines modern mainly but not exclusively structuralist narratology and ancient rhetoric He argues that three conceptual couples central to ancient theory of character typification individuation idealistic realistic characterization and static dynamic character construct character in these narratives more ambiguously more elusively and in more complex ways than has so far been realized Throughout the different chapters it also becomes clear how intimately presentations of character are intertwined with self portrayal and performance of the self *The Next Generation of Heroes and Heroines*. Michael Butz,2007-11 People are the product of their parents and the environment around them They learn from both either right or wrong us as children are sponges soaking up what we come across As we get older we learn by experiences and as older we get the more knowledge we require The wisest person is the one who learns off someone else s experiences and mistakes So I pray that this book will help you in your journey of life to help others with their knowledge in and for the right reasons and by other experiences Gods Way **Heroes and Heroines of Greece and Rome (Reference)** Brian Kinsey,2012-01-15 This title explores the many heroes and heroines of the Greek and Roman civilizations *Heroes, Heroines, & Denizens of the Underworld* JC Miller,2013-01-17 This is a unique story of the superhero genre as it attempts to create an origin of superheros and their superhuman powers It also gives a rare look into the often depressing and neurotic lives of superheroes This is the story of Wallace Duffy a simpleton an introvert and a wimp Wally is certainly not the kind of person the neighbors would suspect is a superhero Wally s teen years are something he would prefer to forget He was the target of ridicule ever since his late grandfather told Wally s friends that he and Wally were superheroes by ancestry His adult years did not seem to be much of an improvement They were filled with heartbreak due to his inability to express himself romantically to Chloe Spade the love of his life That was now about to change ever since he discovered that his grandfather was not just a senile old man Everything the old codger said was true Publisher s description *Nineteenth Century Children* Gillian Avery,1965 **Heroes and Heroines of Yesterday** Louise Ward Watkins,2013-10 This is a new release of the original 1926 edition **Popular Arthurian Traditions** Sally K. Slocum,1992 Scholars of popular culture turn their attention to various expressions of the Arthurian legend most from the 20th century with a more balanced consideration of women writers characters and critics than has traditionally been the case Among the topics are the image of Morgan Le Fay postmodern Arthur Mark Twain Joseph Campbell and several recent movies No index Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR *Irish Heroes and Heroines of America* John E.
