Herrnhut Austalias First Utopian Commune By Metcalf:

Herrnhut William James Metcalf, Elizabeth Huf, 2002 This is the story of Australia's first utopian commune Johann Friedrich Krumnow and his followers fled Germany to escape religious oppression and to seek a safe haven for their radical way of life

The Communal Idea in the 21st Century, 2012-09-28 The idea of a better society as associated with the communal idea is investigated from both theoretical perspectives and through contemporary experiences around the world This idea leaves nobody indifferent Whatever the hardship that its concretization implies however once it does materialize it cannot as such avoid new challenges tensions and unexpected claims This means at varying degrees negations of and removals from the utopian inspiration Humans are able to create unprecedented conditions of life under most ambitious inspirations but are unable to safeguard their achievements from change alterations and contradictions In this however another aspect of the utopian realizations is that they ultimately leave room for new utopist thinking and enrolment As far indeed the utopian inspiration draws its vitality from potent civilizational codes its renewal from ashes is as unavoidable as its self betrayal through materialization Contributors included Eliezer Ben Rafael Rami Degany Amitai Etzioni Maria Fling Albers Yiftah Goldman Ruth Kark Yossi Katz John Lehr Graham Meltzer Bill Metcalf Timothy Miller Yaacov Oved Michal Palgi Donald E Pitzer Shulamit Reinharz Lyman Tower Sargent Gyrgy Szil Menachem Topel Katherine Trebeck and Chris Warhurst

The German-speaking community of Victoria between 1850 and 1930 Volkhard Wehner, 2018 At the time of Australian Federation in 1901 German immigrants constituted two per cent of the population of Victoria This book examines how they settled formed a communal infrastructure and how they related to their Anglo Celtic hosts It is shown that their attempts to form a cohesive community failed by investigating the role played by the Lutheran Church German associations community leaders and the rift between rural and urban communities The changing relationship between the British Empire the German Reich and emerging Australian nationalism receives close attention The book tests and then proves a hypothesis that rural communities were more resilient and better equipped to survive while urban communities were not
