Vikings to U-Boats Gerhard P. Bassler, 2006-10-06 Vikings to U Boats explores the colony's hidden multicultural history examining both sides of the German Newfoundland Labrador experience From first recorded contacts to the end of World War II Bassler traces the lives of German speaking fishermen musicians doctors engineers and entrepreneurs He reconstructs the historical reality behind U Boat and spy stories and analyses the change in status of the colony's German speaking people from neighbours to enemy aliens Vikings to U Boats challenges the assumption that the history of Newfoundland and Labrador was shaped solely by English speakers from the British Isles **Christianity and African**

Culture Klaus Fiedler, 2023-08-14 The common charge laid against missionaries that they are destroyers of African culture is shown to be untrue of the missionaries treated in this book who worked with considerable success to integrate Christianity and African culture The author examines the endeavours of the missionaries from the perspective of the local Christians who were not themselves interested in Africanization as such One can thus find some missionaries defending against the elected African Church leadership the right of the Chagga Christians to circumcise their daughters and Nyakyusa Christians refusing to use African tunes because the missionaries influenced by National Socialism professed both love for African culture and White superiority This informative book based on local and archival research at Daressalam University is eminently readable It features the first historical study of Bruno Gutmann and provides case study material for teaching *Christentum und afrikanische Kultur* Fiedler, Klaus, 2017-03-02 The missionaries have often been accused of having destroyed African cultures be it deliberately or because they did not understand The author draws a very different picture in his study of a number of German missionaries in various parts of Tanzania who had a high appreciation of African culture He argues that acceptance of inculturation attempts do not depend on race but on role and the same applies to both Black and White Die
