Wilson,2003-08 Hester Verney has been forced to make her own way in the world Seeking happiness and love her destiny seems as influenced as much by the hard prosaic reality of the unforgiving fenlands where she lives as by human foible The forces of nature seem to bring her tragedy and ruin **Memoirs of the Verney Family During the Seventeenth Century** Lady Frances Parthenope Verney,1925 *Memoirs of the Verney family* Frances Verney,1892-01-01 *Memorials of St. Margaret's Church, Westminster* St. Margaret's Parish (Westminster, England),1914 **Records of Buckinghamshire, Or, Papers and Notes on the History, Antiquities, and Architecture of the County, Together with the Proceedings of the Architectural and Archaeological Society for the County of Buckingham** ,1903

Elizabeth Claire Gervat,2011-01-18 Elizabeth Chudleigh was one of the eighteenth century s most colourful characters Born into impoverished gentility her beauty wit and vitality soon earned her a place at the centre of court life When she married the Duke of Kingston in 1769 she had reached the highest rung of the social ladder But Elizabeth was carrying a dark secret In 1744 she had secretly married a naval lieutenant called Augustus Hervey and after the Duke s death her first marriage was discovered Bigamy fever swept London society and in a very public trial Elizabeth was found guilty But her strength of character ensured that even when her friends deserted her her courage and zest for life did not In an engaging history of this strong and wilful woman Gervat shows there was far more to Elizabeth than the caricature villain her contemporaries made her out to be **Hester** Ian McIntyre,2008 Hester Salusbury was a child prodigy Later as Hester Thrale her wit learning and vivacity would attract the greats of the day Joshua Reynolds Fanny Burney Boswell David Garrick and Edmund Burke to the household at Streatham Park She published to great popularity and acclaim on Johnson irritating the hell out of Boswell and remains one of our most perceptive sources One of our first female historians a feminist without knowing it she also broke new ground in politics and business When her husband died rumours flew that she d wed Johnson Instead she ran off with an Italian music teacher The scandal consumed London society and her relationship with her daughters But Hester was passionately in love it was a love that nearly killed her This is a brightly lit portrait of an exceptional woman whose life loves and letters make a vivid and important contribution to our understanding of Georgian England Praise for Ian McIntyre s *Dirt Deity A Life of Robert Burns* If you read Burns then buy this If you don t read Burns then start *Economist* A shrewd clear comprehensive and wonderfully readable portrait of Burns as fallible man and gifted poet A C Grayling *Financial Times* For Joshua Reynolds Stunning and richly entertaining superlative Philip Hensher *The Times* **Hester Verney** T.
