LEAVE MORE TO LIVE MORE PAWAN DUA,2024-03-18 In the contemporary world almost every heart is hurt Some conceal their pains behind the veil of smiles and others show in their eyes This happens as we are entangled in a web of superficial identities borrowed beliefs and ceaseless distractions which obstruct our joy peace freedom The origin of these afflictions lies in our uncontrolled desires unmet expectations tumultuous emotions and fragile mindsets This toxicity weighs

heavily on our mental psychological emotional well being and causing distress To mask our shortcomings vulnerabilities we hastily assign blame to others for less favourable circumstances while readily claim credit for favourable outcomes Inadvertently this reflects our flawed social conditioning unfounded fears etched in minds deficient risk appetite reluctance to accept realities as it is Good news is there is hope We can transcend these afflictions through a structured approach taking effective measures embracing preventive strategies Just as we recover from physical ailments we can heal from such emotional wounds through a transformative journey By healing our hurt we can truly relish the beauty of life and claim what we deserve or are capable of Once we do so then we will transition from the state of infinite limitation to infinite liberation
