## **Hidden Child The Linwood Method For Reaching The Autistic Child:**

**The Hidden Child** Jeanne Simons, Sabine Oishi, 1987 Explains a successful treatment program for the autistic child for teachers parents and therapists     A History of Autism Adam Feinstein, 2011-07-07 This unique book is the first to fully explore the history of autism from the first descriptions of autistic type behaviour to the present day Features in depth discussions with leading professionals and pioneers to provide an unprecedented insight into the historical changes in the perception of autism and approaches to it Presents carefully chosen case studies and the latest findings in the field Includes evidence from many previously unpublished documents and illustrations Interviews with parents of autistic children acknowledge the important contribution they have made to a more profound understanding of this enigmatic condition

Help Him Make You Smile Rita S. Eagle, 2007-03-14 Intersubjectivity refers to the motivation and capacity to connect and share one's own inner world with that of another person This book addresses the questions how does this precious human communication develop in infancy and what can or should be done when it does not develop The author presents a unique chronicle describing the day by day emergence of intersubjectivity in her infant son born with neurodevelopmental disabilities These observations are analyzed in the context of a critical review of theory and research about intersubjectivity in normal children and in children with atypical development From both sources emerges a model for how intersubjectivity develops in the parent infant interaction and guidelines for how to intervene when it does not While acknowledging the inroads that have been made in understanding this unique human capacity the author points to the questions that remain to be addressed in future research The book ends with a rare opportunity to follow the trajectory of her son's capacity for intersubjectivity over a period of more than thirty years It is addressed to theorists and researchers clinicians who work with infants and children with developmental disorders and their families and parents who want to understand their children's development     *Behind the Mirror* Jeanne Simons, Sabine Oishi, 2021-04-20 The life story of Jeanne Simons whose own autism informed her pioneering work with autistic children Jeanne Simons devoted her career as a social worker and educator to the study treatment and care of children with autism In 1955 she established the Linwood Children's Center in Ellicott City Maryland one of the first schools dedicated to children with autism Her Linwood Model developed there was widely adopted and still forms the basis for a variety of autism intervention techniques Incredibly although unknown at the time Jeanne was herself autistic Behind the Mirror reveals the remarkable tale of this trailblazer and how she thought felt and experienced the world around her With moving immediacy Jeanne tells her life story to developmental psychologist friend and collaborator Sabine Oishi Jeanne's unique experience is supplemented by commentary from Dr Oishi who explains the importance of key biographical details and fills in additional information about the diagnosis and treatment of autism Enhanced with a photo gallery a look at new approaches to the education of children with autism and a history of Linwood since its founding the book also contains a foreword an afterword and an appendix by James C Harris MD the past director of

child psychiatry at Johns Hopkins University School of Medicine and the founder of its autism clinic Demystifying the experience of autism Behind the Mirror is a groundbreaking account of possibilities and hope *Understanding Autism Spectrum Disorders* Diane Yapko,2003 Annotation Quick reference question and answer format gives readers easy access to the material Appeals to a wide base of readers including parents and family members medical and paramedical professionals teachers social workers and students **Harris' Developmental Neuropsychiatry** James C.
