Palmer,2021-08-20 For more than a hundred years the entertainment industry has both struggled with and perpetuated the spectre of racism At times it has been guilty of portraying racist tropes or presenting employment barriers with little regard for how they extend the prejudices of society In better moments it has been in the forefront of breaking down barriers within society in an entertaining thought provoking and pioneering way So many of the impressions that we form come from the entertainment we consume It is from the entertainment arts and media of each era that we learn about the prevailing attitudes toward racial minorities it is also by way of the entertainment arts and media that we are able to educate and attempt to overturn these prejudices in the fight toward racial equality openness and inclusivity Minority voices are still critically underrepresented in the world of mainstream media and entertainment An open tent and positive portrayals of minorities in entertainment are vital to this fight Racism spreads like a virus with strains that develop and mutate throughout time infecting everything that they come in contact with Just as we have been continuously tested for coronavirus over the past year we must check our biases regularly and be ready to correct any flaws we see in our journey toward eradicating the scourge of racism once and for all Despite the progress that has been made there is still a long way to go This book will share the research I have compiled for the Palmer Foundation on how race is portrayed historically in film and theatre presenting examples of the successes and shortcomings that entertainment has added to the dialogue about race over the decades Hermes Pan John Franceschina,2012-06-12 Armed with an eighth grade education an inexhaustible imagination and an innate talent for dancing Hermes Pan 1909 1990 was a boy from Tennessee who became the most prolific popular and memorable choreographer of the glory days of the Hollywood musical While he may be most well known for the Fred Astaire Ginger Rogers musicals which he choreographed at RKO film studios he also created dances at Twentieth Century Fox M G M Paramount and later for television winning both the Oscar and the Emmy for best choreography In Hermes Pan The Man Who Danced with Fred Astaire Pan emerges as a man in full an artist inseparable from his works He was a choreographer deeply interested in his dancers personalities and his dances became his way of embracing and understanding the outside world Though his time in a Trappist monastery proved to him that he was more suited to choreography than to life as a monk Pan remained a deeply devout Roman Catholic throughout his creative life a person firmly convinced of the powers of prayer While he was rarely to be seen without several beautiful women at his side it was no secret that Pan was homosexual and even had a life partner As Pan worked at the nexus of the cinema industry s creative circles during the golden age of the film musical this book traces not only Pan s personal life but also the history of the Hollywood musical itself It is a study of Pan who emerges here as a benevolent perfectionist and equally of the stars

composers and directors with whom he worked from Astaire and Rogers to Betty Grable Rita Hayworth Elizabeth Taylor Sammy Davis Jr Frank Sinatra Bob Fosse George Gershwin Samuel Goldwyn and countless other luminaries of American popular entertainment Author John Franceschina bases his telling of Pan's life on extensive first hand research into Pan's unpublished correspondence and his own interviews Pan enjoyed one of the most illustrious careers of any Hollywood dance director and because his work also spanned across Broadway and television this book will appeal to readers interested in musical theater history dance history and film
