Boston Symphony Orchestra, 1928      *A Scandinavian Heritage* Joan Magee, 1996-08-10 A Scandinavian Heritage surveys the numerous contributions made in this area by the people of 5 nations Denmark Norway Sweden Finland and Iceland The history of these people from the first settlers to the present is explored in detail      **New Music of the Nordic Countries**  
Jean Christensen, 2002 New Music of the Nordic Countries describes the music of Denmark Finland Iceland Norway and Sweden composed during the latter half of the twentieth century Along with providing biographical material on most of the living Nordic composers the book discusses in detail the major trends in Scandinavian contemporary music as well as many of the recent musical works The 800 page volume is edited by John D White a former Scholar to Iceland and a Fellow of the American Scandinavian Foundation White is the author of Part III New Music in Iceland and has enlisted five other distinguished Nordic musical scholars to write the remaining sections of the book Bound together philosophically geographically and to a significant extent ethnically the five Nordic countries hold a unique place in today's world They are populated by talented creative achievers and each nation possesses its own special qualities This is certainly true in its music yet little of Nordic tone art of the late twentieth century is widely known outside of Northern Europe Thus this comprehensive volume will serve a valuable purpose in disseminating knowledge about this important body of music literature      Boston Symphony Orchestra Boston Symphony Orchestra, 1916      **Begins with the Oboe** Richard S. Warren, Richard Warren, Andrew Davis, 2002-01-01 The result of this work is an insider's view of the orchestra in which the history of this great cultural institution comes alive BOOK JACKET      *Billboard* , 1970-05-23 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      **The Perilous Life of Symphony Orchestras** Robert J. Flanagan, 2012-01-24 This book analyzes the economic challenges facing symphony orchestras and contrasts the experience of orchestras in the United States where there is little direct government support and abroad where governments typically provide large direct subsidies Robert J Flanagan explains the tension between artistic excellence and financial jeopardy that confronts most symphony orchestras He analyzes three complementary strategies for addressing orchestras economic challenges raising performance revenues slowing the growth of performance expenses and increasing nonperformance income and demonstrates that none of the three strategies alone is likely to provide economic security for orchestras      The Bellman , 1909      **Music as Atmosphere** Friedlind Riedel, Juha Torvinen, 2019-11-25 This book explores the atmospheric dimensions of music and sound With multidisciplinary insights from music studies sound studies philosophy and media studies chapters investigate music and sound as shared environmental feelings This book probes into cutting edge

conceptual issues at the forefront of contemporary discussions on atmosphere atmospherology and affect It also extends the spatial and relational focus towards fundamentally temporal questions of performance process timbre resonance and personhood The capacity of atmospheric relations to imbue a situation with an ambient feeling and to modulate social collectives is highlighted as well as auditory experience as a means of connecting with feelings In addition to original research the volume features a first translation of an important text by German phenomenologist Hermann Schmitz and a debate on affect and atmosphere between the philosophers Jan Slaby and Brian Massumi This novel contribution to the field of music research provides a strong theoretical framework as well as vibrant case studies which will be invaluable reading for scholars and students of music sound aesthetics media anthropology and contemporary philosophy
