## **Finnish Proverbs:**

**Finnish Proverbs** ,1990-06 Translated by Inkeri Vaananen Jensen Proverbs of Finland heritage Front and back covers of Finland State Forest Minnesota Hand calligraphy and line art throughout by Esther Feske An axe is not sharpened on only one side Keep learning as long as you live Hurry slowly If you don't go you can't return Every man can tell you how even if he can't do it The day is longer in the morning There is time enough to rest in the grave Sauna the poor man's drug store Even the most wise makes one mistake A full purse does not jingle 6 x 9 51 pages **Finnish Proverbs** ,1990 *The Traditional Poetry of the Finns* Domenico Comparetti,1898 **The Wisdom of Many** Wolfgang Mieder,Alan Dundes,1994 The Wisdom of Many explores research on proverbs of many cultures More than twenty essays written by scholars of such diverse disciplines as folklore literature psychology linguistics and anthropology illustrate the significance of traditional proverbs and trace variations of proverbs over time drawing on African Chinese Spanish Finnish Irish and Yiddish examples *Popular Proverbs From Around the World with Meaning* Amrha Hseham,2024-02-15 Embark on a captivating journey through the wisdom of the ages with Popular Proverbs from Around the World with Meaning This enlightening collection brings together a treasure trove of timeless proverbs from diverse cultures offering profound insights into the human experience Dive into the rich world of global wisdom as you explore proverbs from countries spanning Afghanistan to Zimbabwe Each proverb is like a small window into the culture and values of its origin offering a glimpse into the collective wisdom of generations past Discover the universal truths encapsulated in these succinct sayings from the importance of hard work and perseverance to the value of community and compassion Whether you're seeking inspiration guidance or simply a deeper understanding of the world around you these proverbs are sure to resonate From the Albanian proverb urging us to take the stairs to success like the eagle to the Vietnamese wisdom highlighting the value of travel and learning each proverb is accompanied by its meaning enriching your understanding of its cultural context Popular Proverbs from Around the World with Meaning is not just a book it's a journey of discovery a celebration of cultural diversity and a testament to the enduring power of human wisdom So open its pages and let the wisdom of the world guide you on your own journey of self discovery and enlightenment

*Proverbs Are Never Neutral* Marina Yu. Kotova,Outi Lauhakangas,2023-11-27 This book examines how proverbs can carry ethnonyms and contradictory oppositions in everyday speech and interrogates the belief that such nuances are national in nature by comparing across languages and cultures The authors bring together linguistic terms and typologies from Slavonic Germanic Romance Finno-Ugric and Somali proverbs with their English parallels to enrich contrastive paremiology The book pushes the thematic boundaries of the paremiological minima of languages by drawing on fields including sociolinguistics and it will be of interest to students and scholars of cultural linguistics comparative cultural studies sociolinguistics social identity anthropology cognitive semiotics and the history of words and concepts **Library of Congress Subject Headings** Library of Congress. **Introduction to Paremiology** Hrisztalina Hrisztova-Gotthardt,Melita Aleksa Varga,2015-12-14 This handbook introduces key elements of the philological research area called paremiology the study of proverbs It presents the main subject area as well as the current status of paremiological research The basic notions among others include defining proverbs main proverb features origin collecting and categorization of proverbs Each chapter is written by a leading scholar specialist in their area of proverbial research Since the book represents a measured balance between the popular and scientific approach it is recommended to a wide readership including experienced and budding scholars students of linguistics as well as other professionals interested in the study of proverbs      **Gender Across Languages** Marlis Hellinger,Hadumod Bußmann,2002-04-10 This is the second of a three volume comprehensive reference work on Gender across Languages which provides systematic descriptions of various categories of gender grammatical lexical referential social in 30 languages of diverse genetic typological and socio cultural backgrounds Among the issues discussed for each language are the following What are the structural properties of the language that have an impact on the relations between language and gender What are the consequences for areas such as agreement pronominalisation and word formation How is specification of and abstraction from referential gender achieved in a language Is empirical evidence available for the assumption that masculine male expressions are interpreted as generics Can tendencies of variation and change be observed and have alternatives been proposed for a more equal linguistic treatment of women and men This volume and the previous two volumes will provide the much needed basis for explicitly comparative analyses of gender across languages All chapters are original contributions and follow a common general outline developed by the editors The book contains rich bibliographical and indexical material Languages of Volume 2 Chinese Dutch Finnish Hindi Icelandic Italian Norwegian Spanish Vietnamese Welsh      **Finnish proverbs and sayings** ,1995      **Myth and Mentality** Anna-Leena

Siikala,2002-05-15 The recent fascination in Finnish folklore studies with popular thought and the values and emotions encoded in oral tradition began with the realisation that the vast collections of the Finnish folklore archives still have much to offer the modern day researcher These archive materials were not only collected by scholars but also by the ordinary rural populace interested in their own traditions by performers and their audiences With its myriad voices this body of source material thus provides new avenues for the researcher seeking to penetrate popular thought What does oral tradition tell us about the way its performers think and feel What sorts of beliefs and ideas are transmitted in traditional songs and narratives Perspectives from the study of mentalities and cultural cognition research provide a framework for investigating these issues This collection of articles works from the premise that the cultural models which shape mentalities give rise to manifest expressions of culture including folklore These models also become embedded in the representations appearing in folklore and are handed down from one generation to the next The topics of the book cover age old myths and world views concepts of witchcraft and the Devil stretching back to the Middle Ages and the values and collective emotions of Finnish and Hungarian agrarian communities      **Finland: the Country, Its People and Institutions** ,1926      *F-O* Library of Congress.
