The RH Factor Rick Hutchins, 2005-11-01 Humanity is the sum of the arts and sciences But the equation doesn't balance For how do we explain the synergy that makes the whole greater than the sum of the parts How do we define a sense of wonder What is the formula for the meaning of life Like Einstein's Cosmological Constant that indefinable spark of mystery that makes the universe

something more than merely possible there is an unqualifying element that breathes life into our ideas and perceptions lifting us up above the mundane
