Fire The Nanny How To Give Up The Second:

Let's Give It Up for Gimme Lao! Sebastian Sim, 2016 I don't aspire to be nice I do what is necessary to get what I want Born on the night of the nation's independence Gimme Lao is cheated of the honour of being Singapore's firstborn son by a vindictive nurse This forms the first of three things Gimme never knows about himself the second being the circumstances surrounding his parents marriage and the third being the profound but often unintentional impact he has on other people's lives Talented determined and focused young Gimme is confident he can sail the seven seas but he does not anticipate his vessel would have to carry his mother's ambition his wife's guilt and his son's secret Tracing social economic and political issues over the past 50 years this humorous novel uses Gimme as a hapless centre to expose all of Singapore's ambitions dirty linen and secret moments of tender humanity *Firebound* Vanessa Ricci-Thode, 2023-11-21 For the first time in her life Spark has friends and has cobbled together something that's starting to look like a family in her new home under the dragon city But she's never felt more alone Or under more pressure It's only a matter of time before Loch and the ice dragons take revenge and attack the dragon city again Spark throws herself into spellcraft as the dragons only hope But there's no way she can do it alone And then there's the matter of having mere days to rescue a stolen dragon egg In order to save the dragons she needs her mother and her grandmother at her side First Spark must delve into the most dangerous kind of magic while learning that rebuilding a family isn't easy While this book is about grief and isolation and loneliness it's also about queer joy in the darkness It's about family and trust and healing It's about being the light that drives away darkness It's also the most like HTTYD of the entire series **The Nanny's Temporary Triplets** Noelle Marchand, 2017-05-01 A Family to Be After fleeing to Little Horn Texas when she discovered her fiancé was a con man Caroline Murray agrees to act as the temporary nanny for her brother's handsome neighbor Though caring for David McKay's daughter and the orphaned infant triplets he's fostering is just a charitable gesture she's falling for the children and David But if there's one lesson Caroline won't forget it's that her feelings can't be trusted With children to care for and a ranch to run David definitely needs help though he doesn't want a new wife But his affection for Caroline runs deeper than mere appreciation of her skills as a nanny She was only supposed to be a temporary solution but will Caroline find a permanent place in David's heart **New York Magazine**, 1993-07-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Novels, Tales and Sketches of J.M.
