GraceQuest Robert V. Rakestraw, 2015-04-13 In this fascinating spiritual theological autobiography Robert Rakestraw tells of his lifelong unceasing search for God After a troubled and unconventional childhood he came to know the grace and freedom of God in a personal way during his college years He then embarked on an unwavering intellectual and spiritual quest for truth and meaning in life Without technical language Rakestraw highlights significant developments and revisions in his understanding of God and God's ways of interacting with the world In striking and sometimes intimate detail he relates compellingly his experiences as a student pastor professor sufferer heart transplant recipient and above all seeker of God Dr Rakestraw's gripping portrayal of his difficulties and sufferings especially with regard to health issues does not come across as depressing Rather it presents the sustaining love and goodness of God in such a way that will pull readers in to investigate the remarkable and freely offered grace of God extolled by the author *Pictures Your Heart Remembers* John

Trent, 2000-07-18 In *Pictures Your Heart Remembers* family expert Dr John Trent shows how pictures of the good and bad things in our lives not only find their way into our hearts but also affect how we view ourselves how we treat others and even how we relate to God These pictures writes Trent affect the way we think the way we feel and the way we perceive the world use the pictures of your life to deepen your love for God and others In this most personal book Trent draws on pictures from his own painful past to show how acts of kindness or cruelty a parent's smile or a teacher's ridicule are all wrapped up in memories that carry the power to bless or curse us Drawing on pictures full of promise in God's Word Trent shows that we have a choice in how we react to the negative events we've experienced in the past We also have a choice every day to leave positive pictures in the lives of those we meet just as Jesus did Over a million homes have been deeply impacted by Dr Trent's powerful message of the blessing This book previously released as *Choosing to Live the Blessing* speaks to the people who may not have seen consistent love acceptance or warmth in their past and gives them hope and help in reframing those negative events into lifelong positives Filled with genuine warmth and vulnerability *Pictures Your Heart Remembers* will touch readers' hearts and challenge them to leave pictures of blessing today **Cry of the Elephant Man** Erik L.

Strandness MD MATH, 2016-06-30 We are in danger of losing our identities as unique beings created in the image of God Our culture not wanting to answer to a higher authority tries to expel God from the planet but in the process strips off the very image that makes us human If we officiate at the death of God we will also be forced to preside over the funeral of man The good news is that despite the loud voices declaring that we are just evolved animals the vast majority of us behave as if we are special Since the characteristics that make humans unique are found nowhere else on the planet we are compelled to look to the heavens We have a choice we can find significance running with the pack or in becoming children of God We can

howl at the moon or offer prayers to our Father but either way we will end up worshiping our maker Dr Strandness explores what it means to be created in the image of God by examining those qualities that are universally recognized as unique to humankind He makes the case that these characteristics have a heavenly origin and can only be adequately explained by a Biblical understanding of humans as Gods image bearers **40/40 Vision** Peter Greer,Greg Lafferty,2015-10-01 At midlife our outlook can become blurry But it s also an opportunity to recalibrate our vision Drawing on Ecclesiastes this book helps us navigate midlife with fresh clarity and purpose renewing us for meaningful mission and service Rediscover who God has called you to be and see the rest of your life with the clarity of 40 40 vision **Toughest People to Love** Chuck

couple whose marriage is in jeopardy The man who is out of work The woman stuck in crushing debt The patient with a bad diagnosis The student who can t get a fair shake People hanging by a thread losing faith and short on strength What do they all need to hear Don t give up Our lives are minefields of challenges that take their toll on our courage our conviction and even our faith But God whispers to the weary Don t give up Drawing from inspiring biblical stories and first person

testimonies of perseverance bestselling author and pastor Kyle Idleman encourages readers to cast their concerns on God trust in his love and timing pray for patience and strength and seek out support in the family of God *Praying with Mom*

Now readers everywhere can follow the same ten steps Baraz teaches to his program participants. In this practical, down-to-earth guide, you will learn how to make happiness a habit by inclining your mind toward states that lead to well-being, find joy even during difficult times, and avoid the pitfalls that prevent you from achieving the contentment you seek. Cultivate effective practices for sustaining joyfulness, such as reclaiming your natural sense of wonder and finding joy in the midst of everyday experiences. Each chapter of Awakening Joy consists of one step in Baraz's ten-step program and includes engaging exercises and practical advice to make happiness your natural default setting. For everyone, from the cynic despondent over life's many sorrows to the harried commuter raging at freeway traffic, this book offers up a simple yet powerful message of hope grounded in the realization that joy already exists inside every one of us. Jill Brown, 2022-05 Caregivers are you overwhelmed? Do you secretly have bouts of despair, bitterness, and even hopelessness? As a caregiver, you run the risk of disappearing. Your time goes overwhelmingly to the needs of your loved one. Your relationships get strained, and your challenges and anxieties are difficult to articulate. It's easier to just keep your head down and do what must be done. What's more, you probably didn't sign up for this role or train for it. And yet here you are, reliving the trauma that got you here, providing support you didn't know you had in you, giving, struggling with fatigue, making critical life-altering decisions, and yearning for the community you had that has changed or disappeared. Rich in stories and unflinchingly pragmatic, *We're Stronger than We Look* is an invitation to look up and remember the life you've been given, the image of God that you bear, and the assurance that God loves you as much as you love the person entrusted to your care. This message is delivered by a caregiver who, while writing this helpful book, has cared for her paraplegic husband who was suddenly disabled in a bicycling accident. Permission to Believe

Rabbi Samuel E. Karff, 2010-12-01 *Permission to Believe* is a powerful statement of belief and faith by Samuel Karff, a prominent rabbi, spiritual leader, and outstanding figure in Jewish-Christian relations. challengers wanted me to win the argument Granting ourselves permission to believe does not require that we turn away from the ordinary world but that we heed these deep intuitions of our heart Life is not only a puzzle to solve but a mystery to embrace The book contains 10 chapters and explores themes of brokenness stubbornness doubt and faith Chapter titles What Is Faith What Kind of Life Is This Anyway Confronting the Obstacles to Faith Recovering Faith Prayer The Vital Connection Overcoming A Crisis of Faith When Prayer Is Not Enough The Power of Love Living in a Broken World Sustaining Faith in Our Later Years Dance Laughter and Hope **Stuck** F. The Bellowing of Cain: Hope for Those Who've Blown It Jeremy Gordon Grinnell, 2023-01-10 It's a strange form of Christianity that would deny that perpetrators of evil can be redeemed The Bellowing of Cain was written primarily to those who like Cain have made horrible life wrecking decisions and secondarily to those who have a calling to live and work with them It is written by a fellow traveler who understands what it means to destroy one's life for he once did so In the culture of disposable people we need a book like The Bellowing of Cain to teach us about the unique journey taken by people with such baggage baggage like shame loss and remorse Such luggage is heavy and bends the back of those who must carry it and they
