## **Grace Faith Free Will Contrasting Views Of Salvation Calvinism And Arminianism:**

*Grace, Faith, Free Will* Robert E. Picirilli, 2002 Robert E Picirilli in *Grace Faith Free Will* renews the discussion of issues that have divided Calvinism and Arminianism since the Reformation Jacobus Arminius a Dutch theologian of the 16th century contested the dominant theological ideas advanced by the well known Protestant reformer John Calvin and his disciples Historically Arminius has been frequently misunderstood and often interpreted by friend and foe alike Even today one who calls himself Arminian does so with considerable risk as the name means different things to different people and comes in various flavors Many automatically think of Arminians as liberal differing little from Universalists at least holding to salvation by works and possibly espousing heretical views of the Trinity or the goodness of man In truth some Arminians have held and even now hold such beliefs No so of Arminius himself his original followers or able contemporary theologians such as Picirilli Though he presents both classics Calvinism and Arminianism in order to help readers intelligently decide for themselves Dr Picirilli unashamedly advocates a very specific form of Arminianism as the best resolution of the tensions between the two doctrinal positions

Rogers, 2016-03-28 *Reflections of a Disenchanted Calvinist* The Disquieting Realities of Calvinism engages one of the classical strands of Protestant thought with the classical strength of Protestantism shedding the light of the Scriptures on the questions of the faith Author Ronnie W Rogers leads readers through the intricacies of Calvinist thought touching on such topics as the sovereignty of God predestination unconditional election the origin of evil free will and faith and works The intent of this journey is to provide a critique of Calvinism and to present readers with a clear picture of the ramifications of subscribing to Calvinist doctrines Chapters address particular theological topics by stating both affirmations rooted in the Scriptures and disaffirmations drawing their support from the Scriptures as well The lines of thought do not shy away from complex theological questions but instead rely upon the riches of theological reflection to assure the critiques of Calvinism are fair both to the doctrines and to the Scriptures If you are a part of the Calvinist tradition and want to explore the nuances of your background or if you locate yourself outside of that tradition but have deep curiosity about the questions the Calvinist tradition raises then *Reflections of a Disenchanted Calvinist* The Disquieting Realities of Calvinism offers a rigorous guide to exploring the depths of the tradition and critique of the tenets of Calvinism

*To Save Sinners* Michael Riccardi, 2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity the very heart of the gospel Because of this one does not stray far from the heart of the Christian faith when he asks For whom has Christ accomplished so great a salvation Answers to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents

the history of the church Despite the different views held by mainline Protestant theologians like Martin Luther John Calvin and Jacobus Arminius this book points to Scripture as the basis for Reformed soteriology It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students pastors Bible teachers and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today *Christian Theology* Adam Harwood,2022-10-19 The church has been entrusted with God's revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction Adam Harwood's *Christian Theology* is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions *Christian Theology* will equip students and pastors to clarify and articulate what they believe and why *Shades of Grace* Marc D. **Augustine to the Synod of Dort** Peter Sammons, 2020-01-20 Over the centuries the Protestant church has been severed into two major positions in regard to predestination and reprobation On one side the Arminians largely reject these doctrines while the reformed readily embrace them as biblical truth Although much has been written either rejecting or defending the doctrine of reprobation little attention has been given to the historical development of the reformed position on the nature of reprobation and God's use of secondary causality in the hardening of the wicked By means of historical analysis Peter Sammons traces the development of the doctrine of reprobation from Augustine to the Synod of Dort In this book Sammons gives special attention to views on reprobation and its various parts preterition and predamnation along with how historically theologians have attempted to articulate its execution Perhaps one of the greatest paradoxes in all of Scripture theology and philosophy is here addressed How does an omnibenevolent and omnipotent God predetermine and interact with sin in the

world Answering the question proves vital not merely to reconcile theological and philosophical concerns but to answer the all important question of life Who is God This volume is intended to provide a balanced analysis of the historical and intellectual development within reformed theology as to how God is simultaneously holy and sovereign by examining how reprobation and its parts have historically been defined Reformed understanding on this doctrine was not done in a vacuum nor was it concluded in the 180 meetings of the Synod of Dort rather it has a history within the church of thoughtful development God in Eternity and Time Robert E. Picirilli,2022-06-01 God in Eternity and Time presents a fresh solution to the question of determinism versus human freedom starting from the vantage point of God s words and acts in creation

*The Gospel of Mark* Robert E. Picirilli,2003 **Foreknowledge and Social Identity in 1 Peter** Paul A. Himes,2014-09-12 What is the meaning and significance of foreknowledge in the book of 1 Peter and how does the concept relate to the circumstances of its first recipients Himes attempts to answer these questions by examining the concepts of both foreknowledge and social identity within the first century and how they fit into the theology of 1 Peter In the process of elaborating the concepts of foreknowledge and social identity this study provides one of the first thorough examinations of the words prognosis and prognosko in the literature of the time period when 1 Peter was composed and circulated Himes argues that these words are linguistically relevant to how early hearers and readers would have understood the message of 1 Peter In addition this volume provides a thorough analysis of social scientific criticism in 1 Peter paying special attention to the various views about the social circumstances of the epistle s recipients Finally this book concerns itself with the biblical theology of 1 Peter and with how the concept of foreknowledge functions as a word of comfort and hope to the beleaguered audience of this epistle **Free Will Revisited** Robert E. Picirilli,2017-05-31 Whether man has free will continues to be a hot topic among Bible teachers and theologians After defining the issues involved from both a worldview and a biblical standpoint this work devotes three chapters to exploring the single volume treatments against free will by the great theologians Luther Calvin and Edwards The author then responds to the major issues involved in their objections to free will

foreknowledge and necessity human depravity and the grace of God the sovereignty and all encompassing providence of God and Edwards's rationalistic argument In each instance the doctrine of free will rightly understood is in full and biblical accord with these concerns A concluding chapter summarizes and expresses the bottom line differences in the doctrine of salvation between the Arminian and the Calvinistic wings of reformed theology

**Grace for All** Clark H. Pinnock, John D. Wagner, 2015-03-31 Did Christ atone for the sins of humanity on the cross Does God desire all people to be saved and direct his grace toward all people for that purpose There are some Christians following a deterministic paradigm who believe this is not true They believe God has predestined some people for heaven and many or even most for hell The rising tide of Calvinism and its TULIP theology needs to be respectfully answered Grace for All The Arminian Dynamics of Salvation features a distinguished international panel of scholars to examine this controversy These writers address issues such as election free will grace and assurance They make compelling scriptural arguments for the universality of God's grace contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ This book strives to uncover the biblical position on salvation We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion Grace for All The Arminian Dynamics of Salvation is an updated and revised version of Grace Unlimited a 1975 collection of scholarly articles assembled by the late Clark H Pinnock of McMaster Divinity College
