**Grainger & Allison's Diagnostic Radiology** Ronald G. Grainger, David J. Allison, 1997 This text is an updated and revised edition which provides comprehensive coverage of the field of organ imaging. Intended for those in postgraduate radiology training particularly the radiological resident or registrar preparing for the professional examinations of the American Boards, The Royal College of Radiologists or other examining bodies, it is also designed for the working bench in the reporting reading room and should serve as a reference text for the consultant radiologist. CD-ROM for Grainger and Allison's Diagnostic Radiology R. G. Grainger, David J. Allison, 1999-02 The complete text of the 3rd Edition of GRAINGER ALLISON'S DIAGNOSTIC RADIOLOGY on disc including all 5 000 photographs and line illustrations. The reader can search both text and images plus there is a search facility for references including Medline. The disc also contains 500 multiple choice questions which are also available in paper format. These will be cross referenced to the main volume in the book. They appear in the same order as they appear in the paper version plus in random order as a self assessment exam. **Grainger and Allison's Diagnostic Radiology** A.
