Pricing for Profit Dale FURTWENGLER, 2009-09-09 Many small business owners are trapped by industry pricing and market misconceptions when they could be compensated for the true value of the product or service being offered The low price they feel compelled to offer limits their ability to generate profits which in turn slows their response to changing customer needs The good news is that a business can command almost any price it chooses by focusing on the value not the cost to the customer *Pricing for Profit* shows businesspeople how to break out of the stranglehold of industry pricing and charge more for their wares regardless of the competition without alienating their customers Readers will learn how to Quantify the value of their products or services Distinguish between price buyers and value buyers Bundle their offerings for competitive advantage and increased customer value Craft a powerful marketing message that communicates value Generate more unit sales and close more sales overall at higher prices Make more money with less effort Filled with easy to use formulas sample scripts clear examples instructive exercises and more this accessible and practical guide is a must read for businesspeople

who want to be well paid for the value they provide

For the Love of Matthew Janice Credit Houska, 2012-01-23

Matthews story begins the day he is born Happiness abounds until the next day when a doctor tells the parents he suspects their baby boy has Down syndrome What follows is an anguish only a parent who has been through this would understand Grief guilt and anger is followed by a determination to make things right Matthews mothers determination and belief that her son could learn anything despite being told there was little hope for Matthews future proved the experts wrong Her methods are outlined in the story which included mountains of word cards and a constant flow of stimulation He was reading a few words at age 3 and by age ten he was learning to play the piano Matthews story tells of the hills and valleys one encounters in daily life in school and the community You will share with Matthew the anguish at the death of a cherished grandmother and the devastation that comes having a grandfather with Alzheimer as well as other tragedies dot his young life The story tells of his experiences in pre school to high school which is a mixture of highs and lows His talent in music is realized and by the time he is seventeen he is playing the piano guitar harmonica and xylophone Heartwarming sad funny and a must for parents who are facing similar challenges Growth itself contains the germ of happiness Pearl Buck
