Frazier,1990 [Finding Help](#) Nan J. Giblin,Barbara A. Bales,1995 **Old Age and the Search for Security** Carole Haber,Brian Gratton,1993-12-22 Haber and Gratton lay to rest many conventional assumptions concerning the place of older persons in American history Choice Haber and Gratton's meaty little book does more than provide an intelligent synthesis of existing old age history its new interpretations insights and shifts of emphasis will provoke responses and help move historians work away from the now threadbare original disputes in the field toward new questions and approaches American Historical Review Indeed Haber and Gratton give us a refreshingly multidimensional history of the shift in old age security from work assets or children to government annuities Contemporary Sociology the history of old age has finally come of age The authors successfully synthesize the best of the earlier social and cultural studies with new empirical evidence and recent findings of economic historians Journal of Economic History A truly revisionary interpretation of the cultural and structural forces that shaped the elderly's lives from the colonial period to the present Lucid and controversial it is bound to be widely cited and hotly contested W Andrew Achenbaum This social history of the American elderly offers a provocative new view of aging in the United States It revises traditional assumptions about the economic status of the old and challenges the long held contention that industrialization destroyed family relationships

Conflict in Personal Relationships Dudley D. Cahn,2013-12-16 In keeping with a broad conception of interpersonal conflict this book is organized into two parts The first focuses on conflict on different types of couple relationships homosexual cross cultural dating but violent engaged and married and group relationships student peers parents and their young children and adult children and their aging parents The chapters not only review past research on conflict in some relationships but also take a significant step forward in introducing a variety of other relationship types for future research on conflict These chapters also offer evidence that conflict is experienced differently in different types of interpersonal relationships The second part of this book describes basic underlying principles and programs for dealing with interpersonal conflicts Chapters in this section discuss patterns of argument in everyday life issues associated with competence in interpersonal conflict and mediation as a form of intervention for resolution **Caring for Yourself While Caring for Your Aging Parents, Third Edition** Claire Berman,2005-12-27 For women and men who are involved in caring for aging

parents and for those who see caregiving in their future this empathetic and practical book offers complete coverage of all the practical issues you are likely to confront while addressing the emotional stress and particular needs of caregivers Claire Berman drawing on her own experiences the experiences of many other adult children and interviews with specialists in the geriatric field discusses the wide range of emotions that can accompany caregiving Publisher **The Big Squeeze** Barbara Shapiro,1995 Your mother has a weekly doctor s appointment and depends on you to get her there Your spouse dissatisfied at work brings all his troubles home Your boss has given you a job to do and wants it done now Your children want dinner want a ride want help with their homework Welcome to THE BIG SQUEEZE Today two income families are the norm childbearing is often postponed into the thirties and forties longevity is on the increase The family circle can sometimes seem like a trap You are in the middle and the physical emotional and financial stresses can be overwhelming Now here s a compassionate commonsense approach to avoiding the Big Squeeze Offering practical solutions to specific crises this unique and remarkably simple 8 STEP PROGRAM can help you Set your priorities and reduce your pressures Balance your family s needs with your own Communicate openly and delegate responsibilities among family members Discover all the community resources that you and your family have And much more A PRACTICAL AND SENSITIVE GAME PLAN Written in layman s language without intimidating or wearisome professional jargon West Hartford News Aging ,1986 **Eldercare 101** Mary Jo Saavedra,2016-08-11 The Silver Tsunami is upon us as elder care and crisis management reaches a tipping point with the graying of America By 2020 54 million people in the U S will be over the age of 65 by 2030 that number will top 80 million Feeling the squeeze of multi generational home demands children of aging parents are struggling to learn innovative eldercare management strategies and often find themselves overwhelmed by the many facets of caregiving Eldercare 101 is the answer to making order from chaos As a guide covering all aspects of aging and end of life in one place caregivers will no longer spend endless nights trying to decode the Internet trail confused uncertain and fearful of what they re missing Whether they are proactively planning ahead or need to have fast answers this comprehensive technology rich resource presents steppingstones for the Sandwich Generation as they navigate caring for aging parents grandparents friends and other family members Eldercare 101 is a well researched organized easy to understand guide for families desperately in need of help as they care for their aging loved ones The book is organized into 6 pillars of aging wellbeing legal financial living environment social medical and spiritual Each pillar is explored by an expert and offers best practices and tips for evaluating choices making decisions and living well wherever the road might lead **What Do I Do Now?** ,1991 *Adult Children and Aging Parents* Jane E. Myers,1989 This book was developed to assist counselors and other caregivers in working with adult children and their aging parents The first chapter addresses normative developmental issues in later life This includes the demography of aging theories of aging and attitudes toward older persons along with suggestions for identifying at risk populations implications for counselors and criteria for choosing assessment instruments for older persons The second

chapter addresses several issues of aging including depression suicide drug and alcohol abuse and organic brain diseases that are critical for counselors The third chapter examines psychosocial concerns of caregivers and adult children as well as family relationships and patterns in later life aging and loss the retirement transition and the transition to grandparenthood The fourth chapter deals with the possible needs of both older persons and adult children in relation to four family stress situations caregiving institutionalization elder abuse and death and dying The final chapter provides general information useful to counselors working with adult children and aging parents The focus is on building and maintaining healthy positive relationships Several counseling methods are described including bibliotherapy life review genograms and early recollections
