Henry C Bunner An Anthology In Memori:

Henry C. Bunner M. Myers,1996-01-01 **Poems from the Mud Room** Howard Camner,2013-04-26 Tantalizingly irreverent Camner s work smacks of the deliciously absurd with a point He is a brilliantly bizarre poet and master of the surreal Lenny DellaRocca The Poetry Museum Camner defies the traditional aesthetic concepts of poetry He targets a world of ideas in a rather active way as opposed to the more passive meditative aspects found in most poetry There is a linguistic simplicity to his poems an almost transparent quality over a rather complex web of experience and thought His poetry is life All you have to do is look The obvious and not so obvious Marta Braunstein editor Cambio Literary Journal Camner writes in terse stark real verse that would make Hemingway raise his scotch glass in honor New Times Newspaper Camner s poetic style is reminiscent of Raymond Chandler s detective writing descriptive and terse with interesting plot lines His characters are certainly the product of a vivid imagination The Comstock Review Camner s humour noir is apparent in his poetics his spirited voice and unabashed freedom so alive even in his earliest poems Peter Hargitai A literary detour and well worth the trip Village Voice **Smarandache Function Journal, vol. 14/2004** Sabin Tabirca ,Tatiana Tabirca , A collection of papers concerning Smarandache type functions numbers sequences integer algorithms paradoxes experimental geometries algebraic structures neutrosophic probability set and logic etc **Collected Papers.
