Herb 'n' Lorna Eric Kraft, 1989-10-06 **Herb 'n' Lorna** Eric Kraft, 1989 *America's Continuing Story* Michael Lund, 1993 Literary History in America has been built around individual names titles and dates such as the years in which significant works of fiction were published Yet most of the fiction published from 1850 to 1900 first appeared in a number of installment formats That books were first made available to the public in parts has been dismissed as an interesting but critically irrelevant fact of literary history but now scholars recognize that modes of production shape literary meanings not just for individual works but in the larger culture as well Lund explains how most American novels were published and read between 1850 and 1900 then provides the titles of several hundred serial works their parts divisions and the dates of publication Lund considers 69 authors and 285 titles making America's Continuing Story the most complete study of its kind to date **Life on the Bolotomy** Eric Kraft, 2008-08-15 Peter Leroy recalls a childhood journey of discovery that he made from the mouth of the Bolotomy River to its source traveling with his best and imaginary friend Rodney Raskol Lodkochnikov The journey begins with the work of turning a packing case which Cap n Andrew Leech intends to use later as a coffin into a shallow draft boat it involves encounters with a philosophical vagrant and a gaggle of beautiful nymphs and it ends with the metaphor of life as a river turned on its head My Mother Takes a Tumble Eric Kraft, 2008-08-08 Peter Leroy explores his earliest memories which involve a next door neighbor with a shady occupation a shapely blonde a product of his imagination six kittens and one red wagon and his mother's tumble from her lawn chair MY MOTHER TAKES A TUMBLE is included in LITTLE FOLLIES However it is also available on its own as a pocket size paperback What a Piece of Work I Am Eric Kraft, 2012-05-08 Peter Leroy working on the principle of the panopticon constructs a plausible life for Ariane Lodkochnikov the sultry older sister of his imaginary childhood friend maker of her own self and her own myth Poignant Dizzying Wise Mr Kraft has created a heroine as complex as his narrative He is a master at illuminating the shoals and shallows of a young person's heart His work is a weird wonder successfully mating tales from the kind of small town life that hardly exists anymore with a never ending examination of what it's like to create such a world Karen Karbo The New York Times Book Review A NEW YORK TIMES NOTABLE BOOK OF THE YEAR Length novel about 100 000 words *The Young Tars* Eric Kraft, 2009-02-06 Peter Leroy recalls an episode from his grade school years an episode that he would really rather forget one of the dark gritty bits that one finds at the bottom of the chowder bowl of life It involves the Young Tars an organization originally intended to raise the morale of students at the new Babbington Central Upper Elementary School and the treacherous Mr Summers a teacher whose armamentarium of instructional techniques featured humility sessions and a toy weapon that fired ping pong balls *Tampa Bay Magazine* , 1988-07 Tampa Bay Magazine is the area's lifestyle magazine For over 25 years it has been featuring the places people and pleasures of Tampa Bay Florida that includes Tampa Clearwater and St Petersburg You won't know Tampa Bay until you read Tampa Bay Magazine **The Little Follies** Eric

Kraft,1995-01-15 In 1962 as a college sophomore Eric Kraft fell asleep in the library Among the books surrounding him he began to dream of a nameless boy sitting on a dilapidated dock in the warm sun of a summer day playing a game He was trying to bring the soles of his bare feet as close as he could to the surface of the water without touching it That boy became Peter Leroy and from Kraft's dream grew one of the most delightful unusual projects in contemporary literature Funny touching witty mythic and profound Kraft's novels featuring Peter his friends and family and the seaside town of Babbington create an alternate reality a world in which we see ourselves darkened and wavering as reflected by deep water Little Follies gathers nine Peter Leroy novellas into one volume the perfect introduction to an irresistible cycle of books by an author sometimes compared to Cheever Proust Twain Borges Russel Baker and Garrison Keillor but who is uniquely Eric Kraft

At Home with the Glynn's (trade paperback) Eric Kraft,2009-02-26 Peter Leroy receives his sexual initiation at the hands of the Glynn twins becomes a sketch doctor listens to many tales about the night the Nevsky mansion burned learns the value of hope and discovers the love of his life As is usual with Peter's recollections we are never certain where memory ends and imagination begins but we are certain that we are reading the work of a brilliant memoirist who reconstructs his past with wry humor nostalgia satire and dazzling invention A witty and wildly digressive epistemological examination in the form of a childhood reminiscence The New Yorker Wholly engaging a daring tour de force Jonathan Baumbach The New York Times Book Review One of the more hilariously erotic pieces of writing since Lolita Edward Hannibal The East Hampton Star

The Fox and the Clam Eric Kraft,2008-10-23 Leroy recalls his childhood friend Matthew Barber Peter and Matthew seem unlikely friends Matthew finds little to like in life and his outlook is decidedly blue Peter finds much to like in life though nearly everything puzzles him and he is essentially sanguine about his future no matter how groundless his optimism might be Eventually the friends find as most friends do that each has added to his developing self a little of the other A set of thematic variations ranging from a Saturday afternoon cartoon about a happy hippo and an unhappy one to a deadly competition having to do with skipping third grade that raise complicated farce to the level of calculus Anna Shapiro The New Yorker Take the Long Way Home Eric Kraft,2009-01-20 Peter Leroy returns in memory to the fifth grade where he finds himself gazing at Veronica McCall across the Gulf of Puberty Remembering Veronica the hottest little number in Babbington's elementary grades at that time inevitably leads him to reflect on the many varieties of love and lust to which the human animal is subject to consider the roots of the animosity between Babbington's clamdiggers and chicken farmers to recall the occasion of his first meeting Porky White who was to become the brains behind the Kap'n Klam chain of bivalve based fast food restaurants and forces him to recreate his attempt to skate on ice The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell,Terry Victor,2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60

000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work Unique exciting and at times hilariously shocking key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia New Zealand Canada India South Africa Ireland and the Caribbean emphasis on post World War II slang and unconventional English published sources given for each entry often including an early or significant example of the term's use in print hundreds of thousands of citations from popular literature newspapers magazines movies and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning New to this edition A new preface noting slang trends of the last five years Over 1 000 new entries from the US UK and Australia New terms from the language of social networking Many entries now revised to include new dating new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning it's rude it's delightful and it's a prize for anyone with a love of language

Call Me Larry Eric Kraft, 2009-01-30 Peter Leroy recalls his childhood affection for the Larry Peters series of adventure books As a boy he entered the world of the books so completely that he went from wanting to be Larry Peters to believing sometimes that he was As Larry he relished the company of his wisecracking sister Lucy and his square jawed and capable pal Rocky King Later when he had become a grownup circumstances led to his taking his place as the last in a line of pseudonymous authors of the series so that in a way he really did become Larry Peters *On the Wing* Eric Kraft, 2014-10-28 In Taking Off the first installment of Eric Kraft's beguiling trilogy Peter Leroy built an aerocycle in his parents garage working from designs he found in Impractical Craftsman magazine Cheered on by the gathered residents of his small Long Island beach community Peter readied his contraption for the adventure of a lifetime a solo cross country flight to New Mexico and back Now Peter is ready to fly and in *On the Wing* he tells the hilarious tale of his journey across a mid century America populated by eccentrics crackerbarrel philosophers and figments of the national imagination In small hops mostly consisting of taxiing and landing he visits roadside attractions and unusual towns one where every casual expression and idiom is questioned hence a diner offering Real Diner Cooking rather than real home cooking another where he is chased with pitchforks and shotguns by citizens still traumatized by Orson Welles's War of the Worlds a remote crossroads where he finds himself under attack by a low flying plane and finally a town near Roswell New Mexico where Peter becomes a phenomenon to rival Roswell's reputation for alien invasion Along the way Peter encounters other on the roaders and finds himself pursued by a mysterious dark haired girl who continues to appear in different guises and seems strangely familiar though he can't quite place her face And in a parallel contemporary journey undertaken with his wife Albertine the adult Peter revisits his long ago journey navigating as Albertine drives a vintage automobile through a much
