**Richard Drake**

## **Herbert Hoover And Harry S Truman A Documentary History:**

**Herbert Hoover and Harry S. Truman** Timothy Walch,1992      Herbert Hoover and Dwight D. Eisenhower T. Walch,2013-07-17 Bringing together core selections from and analysis of material documenting the uneasy collaboration between Herbert and Eisenhower this collection incisively uses primary sources to illuminate the 1952 Republican nomination fight the second Hoover Commission and other key episodes during the Eisenhower presidency      Herbert Hoover and Dwight D. Eisenhower T. Walch,2013-07-19 Bringing together core selections from and analysis of material documenting the uneasy collaboration between Herbert and Eisenhower this collection incisively uses primary sources to illuminate the 1952 Republican nomination fight the second Hoover Commission and other key episodes during the Eisenhower presidency      **Herbert Hoover** Glen Jeansonne,2016-10-04 At last a biography of Herbert Hoover that captures the man in full Jeansonne has splendidly illuminated the arc of one of the most extraordinary lives of the twentieth century David M Kennedy Pulitzer Prize winning Author of Freedom from Fear Prizewinning historian Glen Jeansonne delves into the life of our most misunderstood president offering up a surprising new portrait of Herbert Hoover dismissing previous assumptions and revealing a political Progressive in the mold of Theodore Roosevelt and the most resourceful American since Benjamin Franklin Orphaned at an early age and raised with strict Quaker values Hoover earned his way through Stanford University His hardworking ethic drove him to a successful career as an engineer and multinational businessman After the Great War he led a humanitarian effort that fed millions of Europeans left destitute arguably saving more lives than any man in history As commerce secretary under President Coolidge Hoover helped modernize and galvanize American industry and orchestrated the rehabilitation of the Mississippi Valley after the Great Flood of 1927 As president Herbert Hoover became the first chief executive to harness federal power to combat a crippling global recession Though Hoover is often remembered as a do nothing president Jeansonne convincingly portrays a steadfast leader who challenged congress on an array of legislation that laid the groundwork for the New Deal In addition Hoover reformed America s prisons improved worker safety and fought for better health and welfare for children Unfairly attacked by Franklin D Roosevelt and blamed for the Depression Hoover was swept out of office in a landslide Yet as FDR s government grew into a bureaucratic behemoth Hoover became the moral voice of the GOP and a champion of Republican principles a legacy re ignited by Ronald Reagan and which still endures today A compelling and rich examination of his character accomplishments and failings this is the magnificent biography of Herbert Hoover we have long waited for INCLUDES PHOTOS      **Harry S. Truman** Robert H. Ferrell,1994 Biography of president Harry S Truman discussing his life political career and presidency      *The First Cold Warrior* Elizabeth Spalding,2006-05-26 From the first days of his unexpected presidency in April 1945 through the landmark NSC 68 of 1950 Harry Truman was central to the formation of America s grand strategy during the Cold War and the subsequent remaking of U S foreign policy Others are frequently associated with the terminology of and responses to the

perceived global Communist threat after the Second World War Walter Lippmann popularized the term cold war and George F Kennan first used the word containment in a strategic sense Although Kennan Secretary of State Dean Acheson and Secretary of Defense George C Marshall have been seen as the most influential architects of American Cold War foreign policy The First Cold Warrior draws on archives and other primary sources to demonstrate that Harry Truman was the key decision maker in the critical period between 1945 and 1950 In a significant reassessment of the thirty third president and his political beliefs Elizabeth Edwards Spalding contends that it was Truman himself who defined and articulated the theoretical underpinnings of containment His practical leadership style was characterized by policies and institutions such as the Truman Doctrine the Marshall Plan NATO the Berlin airlift the Department of Defense and the National Security Council Part of Truman s unique approach shaped by his religious faith and dedication to anti communism was to emphasize the importance of free peoples democratic institutions and sovereign nations With these values he fashioned a new liberal internationalism distinct from both Woodrow Wilson s progressive internationalism and Franklin D Roosevelt s liberal pragmatism which still shapes our politics Truman deserves greater credit for understanding the challenges of his time and for being America s first cold warrior This reconsideration of Truman s overlooked statesmanship provides a model for interpreting the international crises facing the United States in this new era of ideological conflict **Presidents and Place**

Olga Maria May Akroyd, Thomas Cobb, 2023-03-20 Presidents and Place America s Favorite Sons highlights the interrelationship between America s leading political icons and various facets of space and place including places of birth and death as well as regional allegiances among others The chapters examine the legacy of relationships between presidents and place in a variety of social and cultural forms ranging from famous political campaigns to television series to developments in tourism Beginning with the political iconography of New York s Federal Hall in early eighteenth century America and ending with a focus on the Republican Party s electoral relationship with the South the interdisciplinary and methodologically diverse nature of the chapters reveals that place has more than a biographical significance in relation to US presidents

*Charles Austin Beard* Richard Drake, 2018-12-15 Richard Drake presents a new interpretation of Charles Austin Beard s life and work The foremost American historian and a leading public intellectual in the first half of the twentieth century Beard participated actively in the debates about American politics and foreign policy surrounding the two world wars In a radical change of critical focus Charles Austin Beard places the European dimension of Beard s thought at the center correcting previous biographers oversights and presenting a far more nuanced appreciation for Beard s life Drake analyzes the stages of Beard s development as a historian and critic his role as an intellectual leader in the Progressive movement the support that he gave to the cause of American intervention in World War I and his subsequent revisionist repudiation of Wilsonian ideals and embrace of non interventionism in the lead up to World War II Charles Austin Beard shows that as Americans tally the ruinous costs both financial and moral of nation building and informal empire the life and work of this

prophet of history merit a thorough reexamination

**Life After Power** Jared Cohen, 2024-02-13 This informative highly readable The Wall Street Journal New York Times bestselling book from the author of the bestseller *Accidental Presidents* explores what happens after the most powerful job in the world President of the United States Former presidents have an unusual place in American life King George III believed that George Washington's departure after two terms made him the greatest character of the age But Alexander Hamilton worried former presidents might wander among the people like ghosts They were both right *Life After Power* tells the stories of seven former presidents from the Founding to today Each changed history Each offered lessons about how to decide what to do in the next chapter of life This book follows the exceptional lives of past presidents including Thomas Jefferson whose time after the White House saw him shaping public debates and founding the University of Virginia an accomplishment he included on his tombstone unlike his presidency John Quincy Adams who served in Congress and became a leading abolitionist passing the torch to Abraham Lincoln Grover Cleveland who was the only president in American history to serve a nonconsecutive term William Howard Taft who became Chief Justice of the Supreme Court Herbert Hoover who shaped the modern conservative movement led relief efforts after World War II reorganized the executive branch and reconciled John F Kennedy and Richard Nixon Jimmy Carter who had the longest post presidency in American history advancing humanitarian causes human rights and peace George W Bush who made a clean break from politics bringing back George Washington's precedent and reminding the public that the institution of presidency is bigger than any person Jared Cohen explores the untold stories in the final chapters of these presidents lives offering a unique and fascinating look at how seven individuals made the transition from the most powerful position in the world to consequential and fulfilling lives post presidency Condoleezza Rice 66th Secretary of State He tells how they handled very human problems of ego finances and questions about their legacy and mortality He shows how these men made history after they left the White House

**Prologue**, 1990 **Harry Truman's Excellent Adventure** Matthew Algeo, 2011 From Missouri to New York and back again this work chronicles the amazing road trip of a former president and his wife and their amusing failed attempts to keep a low profile *The Record* United States. National Archives and Records Administration, 1995

**Hell to Pay** D. M. Giangreco, 2017-10-15 Two years before the atomic attacks on Hiroshima and Nagasaki helped bring a quick end to hostilities in the summer of 1945 U S planners began work on Operation Downfall codename for the Allied invasions of Kyushu and Honshu in the Japanese home islands While other books have examined Operation Downfall D M Giangreco offers the most complete and exhaustively researched consideration of the plans and their implications He explores related issues of the first operational use of the atomic bomb and the Soviet Union's entry into the war including the controversy surrounding estimates of potential U S casualties Following years of intense research at numerous archives Giangreco now paints a convincing and horrific picture of the veritable hell that awaited invader and defender In the process he demolishes the myths that Japan was trying to surrender during the summer of 1945 and that U S

officials later wildly exaggerated casualty figures to justify using the atomic bombs to influence the Soviet Union As Giangreco writes Both sides were rushing headlong toward a disastrous confrontation in the Home Islands in which poison gas and atomic weapons were to be employed as MacArthur s intelligence chief Charles Willoughby succinctly put it a hard and bitter struggle with no quarter asked or given Hell to Pay examines the invasion of Japan in light of the large body of Japanese and American operational and tactical planning documents the author unearthed in familiar and obscure archives It includes postwar interrogations and reports that senior Japanese commanders and their staffs were ordered to produce for General MacArthur s headquarters This groundbreaking history counters the revisionist interpretations questioning the rationale for the use of the atomic bomb and shows that President Truman s decision was based on real estimates of the enormous human cost of a conventional invasion This revised edition of Hell to Pay expands on several areas covered in the previous book and deals with three new topics U S Soviet cooperation in the war against Imperial Japan U S Soviet and Japanese plans for the invasion and defense of the northernmost Home Island of Hokkaido and Operation Blacklist the three phase insertion of American occupation forces into Japan It also contains additional text relevant archival material supplemental photos and new maps making this the definitive edition of an important historical work American Presidents of the 20th Century N. O. Kura,2000 A bibliography that lists by president books journals reports and films of all American presidents of the 20th century *The New Dealers' War* Thomas Fleming,2008-08-05 Acclaimed historian Thomas Fleming brings to life the flawed and troubled FDR who struggled to manage WWII Starting with the leak to the press of Roosevelt s famous Rainbow Plan then spiraling back to FDR s inept prewar diplomacy with Japan and his various attempts to lure Japan into an attack on the U S Fleet in the Pacific Fleming takes the reader inside the incredibly fractious struggles and debates that went on in Washington the nation and the world as the New Dealers led by FDR strove to impose their will on the conduct of the War Unlike the familiar yet idealized FDR of Doris Kearns Goodwin s No Ordinary Time the reader encounters a Roosevelt in remorseless decline battered by ideological forces and primitive hatreds which he could not handle and frequently failed to understand some of them leading to unimaginable catastrophe Among FDR s most dismaying policies Fleming argues were an insistence on unconditional surrender for Germany a policy that perhaps prolonged the war by as many as two years leaving millions more dead and his often uncritical embrace of and acquiescence to Stalin and the Soviets as an ally For many Americans Franklin Delano Roosevelt is a beloved heroic almost mythic figure if not for the big government that was spawned under his New Deal then certainly for his leadership through the War The New Dealers War paints a very different portrait of this leadership It is sure to spark debate *Parameters* ,1999 **The Unpredictability of the Past** Marc Gallicchio,2007-08-21 Collection explores the formation and uses of memory about the Asia Pacific front of World War II considering how it continues to shape political and diplomatic discourse *National Archives and Records Administration Annual Report* United States. National Archives and Records Administration,1995 *Annual Report for the*

*Year Ended ...* United States. National Archives and Records Administration, [The American Presidents](#) Melvin I. Urofsky, 2004-11-23 What makes a president great Here is the ideal source for students scholars and the general public The American Presidents is a collection of articles that analyze and evaluate the presidential careers of the men who have occupied the office since its inception in 1789 In this volume the leading presidential historians in the United States offer insights into what makes a president great mediocre or in the case of most of them something in between The contributors to The American Presidents were not asked to write straightforward biographies of the presidents other sources are available for that Rather they were asked to evaluate their subjects No strict patterns were imposed by the editor each author approached his or her subject in the way that best illustrated the strengths and weaknesses of the president under consideration Forty one have held the office of president and all in one way or another were exceptional men Some like Andrew Jackson and Harry Truman are usually thought of as representing the common folk but nothing was common about either of them Each proved to be an extraordinary and singular politician able to rally and represent the country through the challenges of their times Some presidents had achieved brilliance in other fields Ulysses Grant in the military and Herbert Hoover as an engineer and humanitarian for example but had presidencies that are considered unsuccessful What accounts for this seeming paradox in which insight sensitivity and competence suddenly become nontransferable when the man reaches the White House This book offers the reader multiple perspectives on this and other issues Examination of the ways in which challenges affect presidential greatness Theodore Roosevelt a successful president by any standard was acutely aware that the prosperity and peace the country enjoyed during his two terms in office would ironically prevent him from reaching the upper tier of greatness enjoyed by Washington and Lincoln After he left office he yearned to return in hope of finding the challenge that would seal his greatness Earlier in the late nineteenth century the electorate placed competent men such as Rutherford B Hayes Grover Cleveland and Benjamin Harrison in the White House but they are little remembered today None faced earth shaking challenges at home and abroad and their presidencies slipped into obscurity Discussion of personal characteristics and presidential performance For more than two centuries the presidency has proved a remarkably durable institution Presidential personalities have varied widely from the patrician aloofness of Washington to the moody introspection of Lincoln to the noisy exuberance of Theodore Roosevelt The articles in The American Presidents consider the ways in which personality has affected performance Special features 41 signed essays by the leading experts illustrated with portraits of the presidents Selected bibliographies At a glance summaries of each president s achievements Useful charts and tables on cabinet members first ladies and vice presidents from Washington to Clinton Addresses and Web sites for major presidential libraries

Yeah, reviewing a ebook **Herbert Hoover And Harry S Truman A Documentary History** could accumulate your near links listings. This is just one of the solutions for you to be successful. As understood, completion does not suggest that you have fabulous points.

Comprehending as skillfully as harmony even more than additional will present each success. neighboring to, the pronouncement as well as acuteness of this Herbert Hoover And Harry S Truman A Documentary History can be taken as well as picked to act.
