Here Comes the Bride Gayle Kasper, 2012-06-11 With more sizzle than the Nevada sun this delectable romance showcases Gayle Kasper's talent for bringing together passionate characters and re-creating the magic of falling headfirst into love. He looks like a man who breaks hearts for a living, observes Fiona Ames when she gets her first glimpse of Nick Killian. And his underwear is as wicked as his grin she thinks as the silk briefs spill out of his suitcase and onto the luggage carousel. Fiona has flown to Las Vegas to talk her father out of his surprise wedding, never expecting to find an irresistibly ally on the other side of the aisle. But a late night strategy session with Nick inspires her own whirlwind affair. Nick may not think Walter Ames is any match for his vivacious aunt, but Walter's beautiful blushing daughter might just be the match for Nick. Fiona's a little uptight for his taste, but that's not the only hitch. Nick doesn't believe in love. A divorce lawyer by trade, he's seen plenty of honeymooners turn into bitter enemies. Now even as they try to silence the wedding bells of Sin City, Fiona's fighting a battle of her own, convincing Nick that true love is no mirage. Includes a special message from the editor as well as excerpts from these Loveswept titles: *Back to You*, Morgan's Woman and *A Case for Romance*. **Represent!** Chris Ceraso, Lisa S. Brenner, 2021-03-25

In their exposé of Gen Z, *The New York Times* qualified its members as the most diverse generation in American history. Recent Broadway hits have found a successful formula in productions showcasing the emotional turmoil of contemporary young people, yet the majority of these works represent predominantly white voices, both in terms of authorship and representation. Non-white characters tend to exist only in a world of colorblind casting rather than speaking to their distinct racial and cultural heritage. This anthology helps correct that balance and presents a unique offering of plays written for multicultural teenagers by diverse authors who have spent a significant part of their careers working closely with young people in urban settings. The playwrights among them, award winners such as Chisa Hutchinson and Nilaja Sun, have created texts that are dramatic and comic, satirical and earnest, touchingly real and amusingly surreal. Varying in length and format, suitable for classrooms and youth groups of all sizes, the plays address such themes as ethnic and cultural identity, ancestry and assimilation, bullying and self-empowerment, disenfranchisement and alienation, parental pressure to over-achieve, youth activism and community building, and the very real perils of daily school life in an era of gun proliferation.

Here Comes the Garbage Barge! Jonah Winter, 2010-02-09 This *New York Times* Best Illustrated Book is a mostly true and completely stinky story that is sure to make you say Pee-yew. Teaching environmental awareness has become a national priority, and this hilarious book subtly drives home the message that we can't produce unlimited trash without consequences. Before everyone recycled, there was a town that had 3,168 tons of garbage and nowhere to put it. What did they do? Enter the Garbage Barge. Amazing art built out of junk toys and found objects by Red Nose Studio makes this the perfect book for Earth Day or any day, and photos on the back side of the jacket show how the art was created. *Here Comes the Garbage Barge* was a *New York Times* Best Illustrated book of 2010, a *Huffington Post* Best Picture Book of the Year, and
