

**None of us are getting  
out of here alive,**

so please stop treating yourself like an  
afterthought. Eat the delicious food. Walk  
in the sunshine. Jump in the ocean. Say  
the truth you're carrying in your  
heart like hidden treasure.  
Be silly. Be kind. Be weird.  
There's no time for  
anything else.

## **Hereand Afterthoughts:**

Afterthoughts Victor Lee,2010-01-20 Poetry is utilizing words as raw materials but instead of creating a product that you can touch it is creating a picture an idea or story in a meaningful pattern Thus you are creating a product that you can t physically touch but it touches you emotionally you can t see with your eyes but you can visualize in your mind and poetry has no limits or barriers It invokes thoughts and powerful feelings in both listeners and readers Afterthoughts is an autobiography in which poetry is the chosen literary genre Each poem is a depiction of love found love lost heartbreak hardship success inspiration and much more that I have experienced in my lifetime The Afterthoughts Stephen Reynolds,2024-04-28 In the middle of nowhere amidst the endless blackness of a forever night there is a train Ordinarily it speeds along in the empty darkness As much as a train can speed along when it has no track to speed upon and no landscape to speed through Motion like time reason and destination is an affectation here An unnamed narrator wakes suddenly to find himself in the compartment of a train he cannot remember boarding His fellow passengers are both strange and familiar Together they must work out the truth of their situation Are they memories of long forgotten souls or something else And what links them through the mists of time They are the afterthoughts trapped in their past searching for a future
