Heres To Your Health Comrade Shifrin:

Here's to Your Health, Comrade Shifrin! Il'iā Petrovich Suslov,1977 Displays life in the USSR in a satirical way

Professional Journal of the United States Army ,1977 *Stalin's Last Generation* Juliane Fürst,2010-09-30 Stalin s last generation was the last generation to come of age under Stalin yet it was also the first generation to be socialized in the post war period Its young members grew up in a world that still carried many of the hallmarks of the Soviet Union s revolutionary period yet their surroundings already showed the first signs of decay stagnation and disintegration Stalin s last generation still knew how to speak Bolshevik still believed in the power of Soviet heroes and still wished to construct socialism yet they also liked to dance and dress in Western styles they knew how to evade boring lectures and lessons in Marxism Leninism and they were keen to forge identities that were more individual than those offered by the state In this book Juliane F rst creates a detailed picture of late Stalinist youth and youth culture looking at young people from a variety of perspectives as children of the war as recipients and creators of propaganda as perpetrators of crime as representatives of fledgling subcultures as believers as critics and as drop outs In the process she illuminates not only the complex relationship between the Soviet state and its youth but also provides a new interpretative framework for understanding late Stalinism the impact of which on Soviet society s subsequent development has hitherto been underestimated including its role in the ultimate demise of the USSR **Military Review** ,1977 *Catalog of Copyright Entries. Quarterly Review of Military Literature ,1977 **The Red Pencil** Marianna Tax Choldin,Maurice Friedberg,2024-11-26 The Red Pencil 1989 examines the many ways in which Soviet censorship interfered in the creative process in the words of those who experienced it first hand It helps to identify the ways in which Soviet artistic and intellectual production was shaped by the practices of Soviet censorship The book goes beyond the simple recounting of banned books and taboo subjects to examine the more subtle issue of how Soviet writers attempted to strike a balance between accommodating the demands of government censorship while retaining for themselves a modicum of unfettered expression and intellectual integrity Most of the contributing authors were active as writers critics editors film and theatre specialists or scientists prior to their departure from the Soviet Union in the 1970s *The New York Times Book Review* ,1977 **Slavic Review** ,1978 Coverage of Russian Eurasian and East European issues *Fiction in French - Fiction in Soviet* British Library,2013-02-07 No detailed description available for Fiction in French Fiction in Soviet **The Jewish Quarterly** ,1979 *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress.
