**The Dynamics of Heritage** Laurence Gouriévidis, 2016-03-23 There has been much academic interest in the role of museums as places where understanding of the past is shaped and legitimised for a wide and increasingly diverse public This book focuses on the museum representations of the Highland Clearances a much neglected aspect of one of the most disputed and politically charged issues in modern Scottish history Drawing together a range of interdisciplinary themes and notions it considers the cultural legacy of the period brings to light the socially and historically conditioned meanings and values encapsulated in museum narratives of the Clearances and shows the significance of collective memory in the negotiations inherent in heritage work Examining both national and local museums in Scotland and concluding with comparisons with Australian museums of migration Dynamics of

Heritage contributes to our understanding of the processes of heritage construction and its relationship to issues of memory and other modes of engagement with the past      Heritage and Identity J.M. Fladmark,Thor Heyerdahl,2015-11-17 Was the shaping of nation states in Northern Europe governed by military might or by Christian and democratic ideals How has trade and cross cultural exchange between Scandinavia and the British Isles shaped our historic identities and what about the impact of global politics and marketing in recent times These are some of the questions explored by the contributors in the context of forces that shape national identities today Their analysis highlights the need for historical awareness when developing future cultural policy brand profiles and marketing strategies Looking back Jesse Byock tells how democracy was first embraced in the north by the early settlers of Iceland Bjorn Myhre delves into the unpredictability of historical interpretation Edward Cowan discusses the role of battles and beddings in relations across the North Sea John Purkis writes about William Morris fascination with Nordic culture Stephen Harrison presents the winning ways of product development and marketing by Manx National Heritage whilst Chris Powell looks at Cool Britannia today and Simon Anholt at national branding strategies This is an inspirational book that sheds new light on old subjects equally relevant for both public and private sector policy makers alike      **Heritage** J.D. Fladmark,2014-02-04 This volume deals with policy methods and techniques for the stewardship of our land and our cultural assets The focus is on interpretation and presentation of heritage themes and the papers should be of interest to those concerned with school and university curricula those working in museums and galleries and those in charge of parks and tourist enterprises Individual contributions celebrate achievements and debate issues relating to the natural and built environment the future of green tourism planning and interpretation in museums parks and private estates The authors include Professor David Lowenthal on cultural landscapes Charles McKean on architecture David Macmillan on the arts John Purser on music Elisabeth Luard on cooking the Earl of Glasgow on the opening of a family estate to the public and Gordon Baxter on the heritage of one of Scotland s great enterprise stories in the food industry The main theme of the book is that we do not always take enough pride in our heritage which is often undervalued and neglected Positive action is required to raise awareness to foster respect for our inheritance and to generate a new kind of enterprise that will not endanger the heritage resources on which we depend for enjoyment and jobs

**Scotland--the Brand** David McCrone,Angela Morris,Richard Kiely,1995 Tartanry and Balmoralty is Scotland s thriving heritage industry an economic blessing or the curse of negative stereotyping Since the eighteenth century heritage has been synonymous with heritage tourism This book is the first to explore the images which this industry conveys and to analyse its centrality to Scotland s definition of itself Based on an influential study by three leading sociologists it examines the specific role and character of the major players in Scottish heritage the National Trust for Scotland the Scottish Tourist Board and Historic Scotland as well as the lairds who have a stake in the industry In describing its consumers the authors show how heritage fits into their patterns of leisure consumption and lifestyle It also discusses the importance of heritage as opposed to

history to the country's identity and politics

### **Preserving a Reformed Heritage** John W Keddle, 2016-11-15

This is the story of the Free Church of Scotland in the 20th Century. It outlines the life and witness of the Church throughout the century, dealing with some of the issues which faced the Church in that period. A companion volume entitled *A Divided Church* provides an account of the division which occurred in the Free Church of Scotland in 2000, a division that led to the emergence of the Free Church of Scotland Continuing. This is not an exhaustive history, nor is it an official one. It is in the nature of *Aspects of the History of the Free Church of Scotland in the 20th Century*. The Free Church itself reflected a confessional, evangelical, and reformed position throughout the century, though not without testing times, not least right at the end of the century.
