Herman Had Two Daughters:

Herman Had Two Daughters Zelda Popkin, 2004-04 Tells the story of a Jewish family in America *The Jews of Windsor, 1790-1990* Jonathan V. Plaut, 2007-05-30 Beginning with the first Jewish settler Moses David the important role that Windsor Jews played in the development of Ontario's south is mirrored in this 200 year chronicle the founding pioneer families transformed their Eastern European shtetl into a North American settlement many individuals were involved in establishing synagogues schools and an organized communal structure in spite of divergent religious political and economic interests Modernity and the growing influences of Zionism and Conservative Reform Judaism challenged the traditional and leftist leanings of the community's founders From the outset Jews were represented in city council actively involved in communal organizations and appointed to judicial posts While its Jewish population was small Windsor boasted Canada's first Jewish Cabinet members provincially and federally in David Croll and Herb Gray As the new millennium approached Jews faced shrinking numbers forcing major consolidations in order to ensure their survival *Lost in the District, Lost in the Federal Territory: The Life and Times of Doctor David Ross, Surgeon, Sot-Weed Factor, Importer of Human Labor, of Bladensburg, Maryland, and related individuals* Stewart Lillard, 2017 *Lost in the District, Lost in the Federal Territory* relates the facts about Doctor David Ross of Bladensburg his family life his business and political connections and his efforts to develop a productive iron mine along the upper Potomac River on lower Antietam Creek in Washington County Maryland Through his diligence and the skills of his close relatives Dr Ross was in a position to recommend the taking up of arms against Great Britain to his river neighbors of the Committee of Correspondence His son was later appointed to serve briefly as one of the first auditors for the newly formed District of Columbia His nephew by marriage James Maccubbin Langan a victim of the Baltimore Riot of July 28 1812 was one of the first group of leaders who set Georgetown Maryland and later D C on its course to greatness as a deep water port He remains the only veteran of the American Revolutionary War to be buried in Arlington National Cemetery [My Campbell Heritage](#) TC Cottrell, 2017-05-21 The author traces his Campbell ancestors through at least seven generations to Perth in central Scotland Details on children and grandchildren are included when known The author also includes interesting facts about the times and places where they lived as well as weaving their life stories into local history when he believes it will add value Details on living persons is limited or excluded Much of the information was passed down within the author's family and is based on original sources that have not been made available in published works other than the author's earlier publication Cottrell Brashear Family Linage which contained some Campbell history The author includes copies of family documents as well as family photographs Sources are extensively documented as footnotes at the bottom of each page Timeline and ancestor charts are also provided An all name index lists page numbers for each individual **The Martin Family History Volume III Jane [Martin] Henderson (1759 - 1815)** Francie Lane, 2015-12-06 The history of Jane Martin Henderson and husband Thomas Henderson 1752 1821 of Rockingham

Co NC and children Dr Samuel Henderson Alexander Martin Henderson Mary Henderson Lacy Col Thomas Henderson Jane Henderson Kendrick Nathaniel Henderson and Fanny Henderson Springs and their descendants **History of the Kuykendall Family Since Its Settlement in Dutch New York in 1646** George Benson Kuykendall,1919 *History of the Kuykendall Family* George Benson Kuykendall,1919 With Genealogy as Found in Early Dutch Church Records State and Government Documents Together with Sketches of Colonial Times Old Log Cabin Days Indian Wars Pioneer Hardships Social Customs Dress and Mode of Living of the Early Forefathers **Memorial Biographies of the New England Historic Genealogical Society** New England Historic Genealogical Society,1907 *The Kindertransport* Jennifer Craig-Norton,2019-06-25 A timely study of the effects of family separation on child refugees using newly discovered archival sources from the WWII era Highly recommended Choice The Kindertransport an organized effort to extract children living under the threat of Nazism lives in the popular memory as well as in literature as a straightforward act of rescue and salvation but these celebratory accounts leave little room for a deeper more complex analysis This volume reveals that in fact many children experienced difficulties with settlement they were treated inconsistently by refugee agencies their parents had complicated reasons for giving them up and their caregivers had a variety of motives for taking them in Against the grain of many other narratives Jennifer Craig Norton emphasizes the use of newly discovered archival sources which include the correspondence of refugee agencies carers Kinder and their parents and juxtaposes this material with testimonial accounts to show readers a more nuanced and complete picture of the Kindertransport In an era in which the family separation of refugees has commanded considerable attention this book is a timely exploration of the effects of family separation as it was experienced by child refugees in the age of fascism **Women, Power, and Political Change** Bonnie G. Mani,2007-01-01 Women Power and Political Change analyzes the lives of fourteen American women who facilitated social and political changes since America s founding Bonnie G Mani describes the social and political context of each time period and uncovers how women can influence public policy without holding elected office and without personal wealth **History of Whiteside County, Illinois from Its Earliest Settlement to 1908** William W. Davis,1908 **Killing the Poormaster** Holly Metz,2012-10-01 On February 25 1938 in the early days of the welfare system the reviled poormaster Harry Barck wielding power over who would receive public aid died from a paper spike thrust into his heart Barck was murdered the prosecution would assert by an unemployed mason named Joe Scutellaro In denying Scutellaro money Barck had suggested the man s wife prostitute herself on the streets rather than ask the city of Hoboken New Jersey for aid The men scuffled Scutellaro insisted that Barck fell on his spike the police claimed he grabbed the spike and stabbed Barck News of the poormaster s death brought national attention to the plight of ten million unemployed living in desperate circumstances A team led by celebrated attorney Samuel Leibowitz of Scottsboro Boys fame worked to save Scutellaro from the electric chair arguing that the jobless man s struggle with the poormaster was a symbol of larger social ills The trial became an indictment of a system

which expects a man to live in this great democracy under such shameful circumstances We live in a time where the issues examined in *Killing the Poormaster* massive unemployment endemic poverty and the inadequacy of public assistance remain vital With its insight into our social contract *Killing the Poormaster* reads like today s news *Zelda Popkin* Jeremy D. Popkin,2023-02-01 *Zelda Popkin* s adventurous life could have made her the protagonist of one of her own novels In his brilliant telling of the story of her life her historian grandson Jeremy D Popkin has made a singular contribution to the history of American Jewish women in the twentieth century From the 1920s when she worked in the highly competitive and male dominated public relations business to her rise as a million selling author of popular fiction beginning in the 1940s including some of the earliest fiction on the Holocaust and the state of Israel *Zelda* s life and work documented the rise of American Jewish women Popkin uses *Zelda* s experience to bring to life a larger story of American Jews and American women in the twentieth century with the vividness that comes from having a lively character at its center At the same time this will also be a story about a woman whose powerful personality profoundly influenced several generations of a family Popkin makes the case that even if she sometimes burnished her stories to create what he calls legends of *Zelda* she was one of the most articulate female members of the generation of Jews who fought their way into the American middle class during the decades of the 1920s and 1930s *Zelda* s life is a rich source of evidence about the experience of American Jewish women and offers perspectives that are frequently at odds with analyses based on men s lives The story of *Zelda* her generation and its rich and significant legacy will create a compelling portrait and detailed tapestry of an iconic woman and her time *Biographical Annals of Montgomery County, Pennsylvania, Containing Genealogical Records of Representative Families, Including Many of the Early Settlers and Biographical Sketches of Prominent Citizens* Ellwood Roberts,1904 *History of Dunn County, Wisconsin* ,1925 **New York Supreme Court** , **Biographical Annals of Lancaster County, Pennsylvania** ,1903 *History of Sheboygan County, Wisconsin, Past and Present* Carl Zillier,1912 **History of Buffalo and Pepin Counties, Wisconsin** ,1919 **Church Life** ,1888
