Voracious Children Carolyn Daniel,2006-02-22 *Voracious Children* explores food and the way it is used to seduce to pleasure and coerce not only the characters within children s literature but also its readers There are a number of gripping questions concerning the quantity and quality of the food featured in children s fiction that immediately arise why are feasting fantasies so prevalent especially in the British classics What exactly is their appeal to historical and contemporary readers What do literary food events do to readers Is food the sex of children s literature The subject of children eating is compelling but why is it that stories about children being eaten are not only horrifying but also so incredibly alluring This book reveals that food in fiction does far far more than just create verisimilitude or merely address greedy readers desires The author argues that the food trope in children s literature actually teaches children how to be human through the imperative to eat good food in a proper controlled manner Examining timely topics such as childhood obesity and anorexia the author demonstrates how children s literature routinely attempts to regulate childhood eating practices and only award subjectivity and agency to those characters who demonstrate normal appetites Examining a wide range of children s literature classics from Little Red Riding Hood to The Lion the Witch and the Wardrobe this book is an outstanding and

unique enquiry into the function of food in children's literature and it will make a significant contribution to the fields of both children's literature and the growing interdisciplinary domain of food culture and society **Magical Nature Tales** Dawn Casey, 2025-03-04 Celebrate the rich global traditions of storytelling with this vibrant collection of nature based tales from around the world From Mexico and Denmark Siberia and Greece to Finland Japan and India this stunning illustrated collection of nineteen stories is an ode to the natural world and its living creatures plants and magical beings that make up celebrated folklore around the globe Tales include Bringing Back Wolf Mexico Nettle Queen Denmark The Stork's Nest Poland Rabbit's Tail Brazil Hare's Ears Siberia Wild Strawberries England Fox's Tail Norway Badger Boy Ireland Pigeon and Bee Ukraine Little Brown Mouse Nepal India Bramble Girl Greece The Healing Apple Tree Poland Little Red Squirrel North America The Magic Acorn Russia Eagle and Owl Wales The Hedgehog Family Germany The Birth of Bear Finland The Sticky Pine Tree Japan Robin's Red Breast France *Psychodrama, Group Processes and Dreams* Wilma

Scategni, 2005-07-05 Psychodrama Group Processes and Dreams is the result of years of analytical work with groups and individuals It is unique in the field of therapeutic practice as it unites Jung's analytical psychology with Moreno's psychodrama including material on The work of Jung and Moreno How their theory works in practice The constellation of the archetype as transformation This book enables psychodramatists to incorporate Jungian ideas into their psychodramatic work and gives Jungians a guide to how psychodramatic techniques may help in group therapy Apparitions at the Moment of Death Daniel Bourke, 2024-12-03 Explains the phenomenon of crisis apparitions visions of loved ones that are experienced simultaneously with their deaths even at great distances Examines a wide range of sources including history literature folklore theology and contemporary culture that demonstrate the timelessness and ubiquity of these ghostly encounters Presents hundreds of vivid accounts of crisis apparitions many never before compiled in a single volume Since ancient times people from nearly every culture and corner of the world have experienced visions of loved ones that coincided with their faraway deaths These otherworldly synchronicities known as crisis apparitions are not rare in fact they have always been a part of our collective experience blurring the lines between our knowledge of life and our beliefs about the afterlife In this work of spiritual scholarship academic researcher Daniel Bourke explores the moment of death from a deeply illuminating perspective giving readers unprecedented access to mystifying corners of paranormal study From the temples of ancient Egypt to the hospital rooms of the twenty first century from the works of Homer to the monks of the Middle Ages from the saint to the shaman Bourke examines the crisis apparition and the phenomena of the living ghost in legend lyric and lore demonstrating their universal nature for the first time He shares profound accounts from a wide range of sources including history literature folklore theology and contemporary culture to reveal how widespread these ghostly encounters are throughout the ages In demonstrating how these remarkable encounters with living ghosts aren't fearsome experiences but leave the recipient full of healing and hope this book offers insight into how the beloved dead seem to communicate and the

intertwined nature of humanity in this world and the next *Soil and Soul* Elena Hellberg-Hirn, 2019-01-04 Originally published in 1998 in this book a number of stereotypes symbols and signs of Russia such as the double headed eagle the star bread and salt troika the Orthodox cross etc are presented as a consistent set of metaphors revealing a symbolic world made by and for the Russians in order to sustain and reinforce their group identity The Russian language culture and history form the basic core of the symbolic archive or thesaurus of Russianness from which the necessary images symbols and signs of identification are provided to manifest connection with the sphere of Russian identity Such symbolism may directly or obliquely refer either to the territory soil of Russia or to the ethnically specific traits of the Russian people soul Both soil and soul are emphatically personified in the symbolic image of Holy Russia Mother Russia **Comparing Cultures** John W. Pickering, 1999 With material for approximately 24 class periods Comparing Cultures exposes your students to Bolivia Canada Russia Korea Tasmania and Ghana concluding with the creation of their own culture language customs and more Cooperative learning and critical thinking skills are developed through activities that integrate personal experiences with classroom materials Essential Russian Mythology Pyotr Simonov, 1997 Enter the mysterious world of Russian myth and legenda world alive with spirits of wolves that talk of super human heroes magical spells and strange encounters Ranging from oral traditions of the first Slavs who practiced earth centered spirituality to medieval stories centered in Orthodox Christian beliefs this collection includes tales of wood nymphs and female spirits along with the story of Prince Vladimir victor over ancient pagan gods World Mythology Thomas J. Sienkewicz, 1996 A compact reference source that offers general readers bibliographic access to significant English language translations retellings and summaries of myths from cultures around the world While Greek Roman Norse and Arthurian myths are the best known this bibliography also surveys the less familiar materials containing African Asian Oceanian and American myths This easy to use reference arranges entries geographically and also includes author illustrator photographer and subject indexes *AB Bookman's Weekly*, 1993
