RHEA, 1995 Constable Around the Park Nicholas Rhea, 2004 The latest in the Constable series which inspired the hugely successful TV series Heartbeat Having qualified for promotion Constable Nick must await a vacancy as he continues his rural duties at Aidensfield deep within the North York Moors National Park As the spectacular countryside becomes increasingly busy with tourists so the constabulary's day to day problems multiply but not without minor incidents like people getting lost or the menace of discarded litter So

why would a man dump financial magazines in a moorland stream or a businessman throw sackfuls of rubbish into private woodland What were the fearsome creatures which trapped tourists in a moorland village Why would anyone abandon a wedding cake There is more serious work when Nick discovers the body of a man in a remote moorland house and a dog finds a human leg in a wood the funeral of a London gangster brings a hint of menace to Ashfordly a grandfather clock mysteriously disappears after an auction and there s a prowler at a local hospital with a lady who never closes her back door and the landlord who manages to persuade a royal personage to perform the opening ceremony at his new pub But was she really HRH The Princess Margaret This is the latest in the collection of rustic tales which inspired the top TV drama Heartbeat and its sister series The Royal
