From the Jar of Blessings Shawn Wells,2024-06-10 From the Jar of Blessings is a compilation of about 270 blessings and or inspirational quotes that were sent to me by family and friends over a period of eleven years I would write each blessing quote on bright colored squares of paper fold them up and put them in a big glass olive jar I have For this book I have taken each blessing and or quote and written my thoughts about them Some of the blessings quotes are deeply personal while others are quite funny This book reminds us that God sends us blessings and inspiration on a regular basis whether it be a simple blessing such as a small act

of kindness or a huge blessing such as sparing a life after what could have been a fatal accident All too often we are so busy that we don't take the time to focus on the blessings all around us Some of the blessings in this book were sent to me by adults and others were sent by kids For some reason kids have an easier time recognizing blessings One boy sent in the following blessing I am thankful a boy in my class spoke up and stopped someone from bullying me I was so blessed to know that there were students at the school who were willing to stand up for others Bullying is such a problem in our schools and it is so important that children and adults stand up against it The blessings quotes in this book deal with topics such as Alzheimer's disease caregiving lack of finances cancer and many more Hopefully the blessings and or quotes in this book will cause you to look at day to day life from a different perspective Your Hidden Reflection Jeffrey C Orr, 2021-04-12 This book should open the eyes of the reader so they might begin to identify the many hidden blessings they have received throughout their entire life and were never really aware of them Using each of my personal reflections to help by giving testimonial examples will show the reader how to uncover their own hidden reflection treasures blessings they had never identified before We have so many blessing from God but most of them never get uncovered or identified When the reader begins to open their eyes they too begin to see their personal hidden reflections known as blessings They will gain strength from the Holy Spirit when they begin to realize God has been with them throughout their entire lives Once the reader begins the process of uncovering their own personal hidden blessings their trust and faith in God begins to grow even stronger With this growing faith the Holy Spirit gives the reader the peace of mind the reduction of worry less stress and the confidence to know God is truly in control of their lives When people can achieve the unconditional trust and faith knowing that God is in control of your life how will that change the way they live Toward the end of the book the reader can reflect back on many of the hidden blessing in their past They can begin to live each day going forward knowing that no matter what happens good or bad everything will turn out OK The reader will understand with clarity that someday they will be able to look back after difficult times have passed and realize it was again all a part of God's plan When they do they will again realize everything turned out to be another blessing in God's plan for their lives Praise God Veronica R.
