Exposition Des Oeuvres De James Mcneill:

Exposition des oeuvres de James McNeill Whistler James McNeill Whistler, École nationale supérieure des beaux-arts (France), 1905 The Joseph and Elizabeth Robins Pennell Collection of Whistleriana Shown in Division of Prints, Library of Congress, Southwest Pavilion Library of Congress. Prints and Photographs Division, 1921 *James McNeill Whistler Arts Council of Great Britain*, 1960 **Whistler and Artistic Exchange between Japan and the West** Ayako Ono, 2023-04-28

Ono examines cross cultural artistic exchange between the West and Japan from the late nineteenth century to the early twentieth century Studies of Japonisme have been dominated by searching out relationships of influence between artworks trying to identify which specific works influenced a particular artist Ono argues that a more holistic understanding of spillover effects is necessary in fully comprehending the nuances of these relationships She bases this argument on documents and works of art in the context of globalisation looking at the relationships between James McNeill Whistler and others with their contemporaries in the Japanese artistic and literary worlds This was a more complex two way exchange than is often appreciated with Western artists taking inspiration from to them new Japanese styles while Japanese artists and writers were trying to craft a modern more western influences style to reflect the modern nation of Japan emerging onto the world stage after centuries of relative isolation A fascinating analysis of the role of globalisation and cultural exchange in the development of new and hybrid artforms that will be essential reading for scholars of this fascinating period in international art history
