Male And Female Collision from Misunderstanding to Comprehension Professor Imad Fawzi Shueibi , 2017-10-24 Male And Female Collision from Misunderstanding to Comprehension Harmony and Symphony is a book about misunderstanding between males and females and how to handle such a situation It is true that males and females are almost unable to lead a healthy relationship in many fields yet it is the partnership of male and female in love and marriage that has always obsessed all This book concentrates on these relations taking us toward understanding our better halves Dr Shueibi gives preferences to such relationships by shedding light on some unknown and neglected details The phrase the author begins his book with you just don t understand shows how common and frequent the male female misunderstanding is and how both have different understanding of their partner and their way of thinking which sooner or later will end in their collision Dr Shueibi insisted on the fact that males and females are completely different natures To achieve harmony they both should be aware of this truth It is not only that they think differently but they also speak two structurally different languages The author concludes his book with so many techniques that help postpone collision and help better life This is really good but I find it somewhat boring and classical unlike all what has been presented in the book because of the instructive way he uses and the excessive number of advice This book could possibly help a reader to change his her life by changing perspectives and understanding the partner So it is not totally a matter of changing it is about learning to accept the other excuse contain and understand

How Not to Wear Black Jules Standish, 2011-07-29 This is the first self help book that looks seriously into the psychology behind why women wear black In certain cultures it is expected that women hide themselves behind black however women worldwide choose to wear it for their own reasons They believe it to be slimming smart chic and easy to co ordinate
