Disembodied Heads in Medieval and Early Modern Culture Barbara Baert, Anita Traninger, Catrien Santing, 2013-07-18 Do heads excite a desire to chop them off a desire to decapitate and take a human life as anthropologists have suggested The contributors to this book are fascinated by

disembodied heads which are pursued in their many medieval and early modern disguises and representations including the metaphorical They challenge the question why in medieval and early modern cultures the head was usually considered the most important part of the body a primacy only contested by the heart for religious reasons Carefully mapping beliefs mythologies and traditions concerning the head the result is an attempt to establish a cultural anatomy of the head which is relevant for cultural historians art historians and students of the philosophy art and sciences of the premodern period Contributors include Barbara Baert Esther Cohen Mateusz Kapustka Arjan R de Koomen Robert Mills Marina Montesano Scott B Montgomery Catrien Santing Jetze Touber and Bert Watteuw **Fashion Design** John Hopkins, 2012-02-09 Gids voor studenten modeontwerpen **When Clothes Become Fashion** Ingrid Loschek, 2009-08-01 When how and why do clothes become fashion Fashion is more than mere clothing It is a moment of invention a distillation of desire a reflection of a zeitgeist It is also a business relying on an intricate network of manufacture marketing and retail Fashion is both medium and message but it does not explain itself It requires language and images for its global mediation It develops from the prescience of the designer and is dependent on acceptance by observers and wearers alike When Clothes Become Fashion explores the structures and strategies which underlie fashion innovation how fashion is perceived and the point at which clothing is accepted or rejected as fashion The book provides a clear theoretical framework for understanding the world of fashion its aesthetic premises plurality of styles performative impulses social qualities and economic conditions **Fashion at the Edge** Caroline Evans, Caroline Edwards, 2003-01-01 Caroline Evans analyses the work of experimental designers the images of fashion photographers and the spectacular fashion shows that developed in the final decade of the twentieth century to arrive at a new understanding of fashion s dark side and what it signifies Drawing on a variety of literary and theoretical perspectives from Marx to Benjamin Evans argues that fashion plays a leading role in constructing images and meanings during periods of rapid change She shows persuasively that fashion stands at the very centre of the contemporary where it voices some of Western culture s deepest concerns *Fashion Projects* Francesca Granata, 2023-12-06 Fashion Projects 15 Years of Fashion in Dialogue anthologizes the New York based journal Fashion Projects The book is an index of a particular time within the fashion studies landscape and the attendant fields of fashion writing fashion curation and critical fashion practice during which the field witnessed a meteoric rise The long running non profit journal Fashion Projects was described by The Paris Review as a journal devoted to critical discourse in fashion Fashion Projects was founded in New York in 2005 as a zine It gradually morphed into a larger journal straddling the academic and general interest worlds with international distribution and an ardent readership It served as a platform to highlight the importance of fashion within current critical discourses through longform interviews with a range of curators critics artists and designers This book collects together the best articles from the journal most issues of which are now unavailable From exploring the rise of digital fashion media with Penny Martin the founding editor in chief of SHOWstudio to the continued importance of

connoisseurship with Harold Koda former Curator in Chief of the Met's Costume Institute the anthology records the increasing centrality of fashion to contemporary critical discourse **Danger in the Path of Chic** Lucy Moyse Ferreira,2021-12-02 During the interwar years a proliferation of violence encroached upon the glossy idealistic world of fashion from the curiously common appearance of dismembered heads in fashion illustration to seemingly torturous techniques and devices advertised by beauty imagery even extending to garments designed to look assaulted and destroyed *Danger in the Path of Chic* brings this disturbing imagery to light for the first time proposing new directions for historians of fashion violence and culture in the interwar years Concentrating on London Paris and New York as fashion centres and political allies the volume explores why horror manifested itself in this way at this time and in a sphere that is usually perceived as being built on fantasy and escape In doing so *Danger in the Path of Chic* situates fashion within the very real social psychological economic and political traumas of the period *Basics Fashion Design 08: Styling* Jacqueline McAssey,Clare Buckley,2011-06-01 Styling explains how to analyse fashion collections the importance of cultural and historical research and the skills required to style for catalogues advertisements and magazines *Pattern Cutting: The Architecture of Fashion* Pat Parish,2020-10-08 Pattern cutting or pattern making is an essential yet complex skill for every fashion designer to master *Pattern Cutting The Architecture of Fashion* demystifies the pattern cutting process and clearly demonstrates pattern fundamentals enabling you to construct in both 2D and 3D and quickly get to grips with basic blocks shape sleeves collars trousers pockets and finishes Pat Parish approaches the subject of pattern cutting through proportion balance line and form identifying key shapes and structures from the catwalk and translating them into 3D through cutting draping and construction processes This popular and inspirational sourcebook has been updated to reflect new directions in construction design and techniques and to include more advanced patterns such as the Magyar sleeve and the jumpsuit With handy tips shortcuts and tricks of the trade the second edition of *Pattern Cutting* is a must have studio resource for all budding fashion designers It will provide you with the inspiration tools and confidence to interpret and adapt basic patterns and take your designs to the next level New to this edition Step by step instructions for more complex patterns including the Magyar sleeve rever collar and jumpsuit A chapter devoted to patterns for pockets and finishes Invaluable information about working with different fabrics such as neoprene and spacer Expanded coverage of innovation in pattern cutting including sustainable and geometric cutting techniques Refreshed pattern flats and colour images Case studies with designers who have used cutting techniques to create unique contemporary designs
