Extreme Righteousness Seeing Ourselves In The Pharisees:

Extreme Righteousness Tom Hovestol,2007-08 These phrases describe the Pharisees And they describe our own evangelical community Yet most of us have failed to appreciate the rich parallels to ourselves We have focused on the pharisees as negative characters By so doing we forfeit the practical benefit God intended by revealing so much about them In this honest eye opening book author Tom Hovestol examines the Pharisees Exploring their historical and biblical roots he discovers penetrating truths that can warn enlighten and protect believers to avoid their disastrous path Book jacket

Seeing Ourselves in the Pharisees Tom Hovestol,1997 *Defeating Pharisaism* Gary Tyra,2009-09-28 Gary Tyra s constructive study of the Sermon on the Mount seeks to revitalize discipleship by exposing and rooting out the modern incidence of Pharisaism legalism dogmatism separatism judgmentalism etc among evangelical churches today [Luke \(Teach the Text Commentary Series\)](#) R. T. France,2013-11-19 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text *Trust in an Age of Arrogance* C FitzSimons Allison,2011-05-26 God is in the dock Shall we convict him or forgive him Shall we replace the God of Scripture with another of our choosing mock and deride him or ignore him Shall we replace revelation with the chaos of speculation We perceive ourselves ratherthan God as the center of the world and this universal condition leads to conflict with others and with God Maintaining our center causes cheating lying litigation divorce wars genocide and human misery Western civilization is giving up trust in the promise of God s mercy justice and forgiveness and replacing it with trust in the goodness of man Jesus warned us to beware the teaching of the Sadducees and Pharisees The Sadducees who denied hope of eternal life are a rough equivalent of our modern day secularists with their religious trust that this world is all there is Replacing God with trust in flawed human nature is a mark of arrogance that even pagans would have characterized as hubris evoking divine wrath The Pharisee s yeast of self righteousness is a natural condition of us all Even when cleansed it reappears in every tradition rendering forgiveness and transformation a promise only for those who think they have earned and deserve it Such a distortion of God s word is congenial to our self as center but it robs us sinners of the justice and mercy of a loving God Following Jesus s warning we have the opportunity to wipe away the Sadducee arrogance and the Pharisee self righteousness and discover anew the supreme power and joy of the Christian faith *Making Sense of the New Testament (Three Crucial Questions)* Craig L. Blomberg,2004-03-01 The New Testament is the foundation of the Christian church but some question its historical accuracy Others have claimed that Paul s teaching differs from that of the Gospels How can we reconcile the seemingly different messages of Jesus and Paul What is the relevance of the New Testament in our world today in cultures far removed

by time and space from the first century Mediterranean world What principles can we use to make appropriate applications In Making Sense of the New Testament Craig Blomberg offers a reasonable well informed response to these crucial questions encountered by Bible readers Grounded in sound scholarship but written in an accessible style this book offers reliable guidance to pastors students and anyone interested in a better understanding of the New Testament **Let It Go** Mark Atteberry,2010 Christians everywhere beat themselves up over sins that their heavenly Father has long since forgiven and forgotten In Let It Go Atteberry leads us to let go of inferiority perfectionism criticism and shame and hold on to abundance grace salvation and joy **That You Might Believe - Study on the Gospel of John** Robert L. Deffinbaugh,2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20 31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1 29 **Troublemakers in the Church** Mark Atteberry,2022-01-01 Most people would agree that the church is an amazing concept the idea that people who share faith in Christ can worship and serve together and enjoy sweet fellowship that has love forgiveness and mutual support as its hallmarks But the reality is often quite different When people who are part of the church behave in ways that are thoughtless selfish and even vicious then that shining ideal dims drastically and people get wounded sometimes never to recover Suddenly the one place in the community that should symbolize hope and light becomes a house of horror Why does this happen The easy answer is to point an accusing finger at Satan but what about our own culpability **Troublemakers in the Church Dealing with the Difficult the Dangerous and the Deadly** identifies twenty five types of troublesome church members and offers insights on how to deal with them while also offering a specific plan for how to build a church culture that manages and minimizes trouble **ISms** Gregory Bergman,2006-05-30 If you love words you ll love ISMs There are words and then there are ISMs More than just expressions with a wacky suffix ISMs are the eccentric geniuses of the English language From esoteric philosophies and arcane religions to avant garde artistic movements and kinky sexual practices ISMs describe our highest forms of human thought and endeavor and our very lowest In this engaging and enlightening book you ll explore more than 200 of the most interesting mysterious and obscure ISMs discovering the true meaning of these intriguing words as well as the often bizarre etymologies mythologies and the common and not so common usage behind them With ISMs as your guide you ll be the most
