

THE CAMBRIDGE COMPANION TO

F. SCOTT
FITZGERALD

Edited by Ruth Prigley

F Scott Fitzgerald Companion

Robert McParland

F Scott Fitzgerald Companion:

The Cambridge Companion to F. Scott Fitzgerald Ruth Prigozy, 2002 Eleven specially commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F Scott Fitzgerald as a writer and as a public and private figure No aspect of his career is overlooked from his first novel published in 1920 through his more than 170 short stories to his last unfinished Hollywood novel Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century The introduction traces Fitzgerald s career as a literary and public figure and examines the extent to which public recognition has affected his reputation among scholars critics and general readers over the past sixty years This volume offers undergraduates graduates and general readers a full account of Fitzgerald s work as well as suggestions for further exploration of his work The Cambridge Companion to F. Scott Fitzgerald Ruth Prigozy, 2002 Eleven specially commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F Scott Fitzgerald as a writer and as a public and private figure No aspect of his career is overlooked from his first novel published in 1920 through his more than 170 short stories to his last unfinished Hollywood novel Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century The introduction traces Fitzgerald s career as a literary and public figure and examines the extent to which public recognition has affected his reputation among scholars critics and general readers over the past sixty years This volume offers undergraduates graduates and general readers a full account of Fitzgerald s work as well as suggestions for further exploration of his work **The Cambridge Companion to F. Scott Fitzgerald** Michael Nowlin, 2023-11-09 This second edition of The Cambridge Companion to F Scott Fitzgerald offers both new and familiar readers an authoritative guide to the full scope of Fitzgerald s literary legacy Gathering the critical insights of leading Fitzgerald specialists it includes newly commissioned essays on The Beautiful and Damned The Great Gatsby Tender is the Night Zelda Fitzgerald Fitzgerald s judgment of his peers and Fitzgerald s screenwriting and Hollywood years alongside updated and revised versions of four of the best essays from the first edition on such topics as youth maturity and sexuality the short stories and autobiographical essays and Americans in Europe It also includes an essay on Fitzgerald s critical and cultural reputation in the first decades of the 21st century and an up to date bibliography of the best Fitzgerald scholarship and criticism for further reading **An F. Scott Fitzgerald Companion** Francis Scott Fitzgerald, 2000 10 articles on the life and work of F Scott Fitzgerald most by notable contemporaries with 4 additional brief articles appended *Cambridge Companion to F. Scott Fitzgerald* , 2002 **Student Companion to F. Scott Fitzgerald** Linda Claycomb Pelzer, *Critical Companion to F. Scott Fitzgerald* Mary Jo Tate, 2007 The Great Gatsby and its criticism of American society during the 1920s F Scott Fitzgerald claimed the distinction of writing what many consider to be the great American novel *Critical Companion to F* Student Companion to F. Scott Fitzgerald Linda C.

Pelzer,2000-07-30 The dazzling romantic fiction of F Scott Fitzgerald manages to captivate each new generation of readers This critical introduction written specifically for students offers insightful yet accessible literary criticism for five novels UThis Side of Paradise The Beautiful and Damned The Great Gatsby Tender Is the Night and UThe Last Tycoon A full chapter is devoted to examining each of these works with an indepth discussion of character development thematic concerns and plot structure The introduction to each novel traces its genesis and the critical reception it received at the time it was written The historical context sections examine the ways visionary works like UThe Great Gatsby offer both a chronicle and a critique of the attitudes dreams and illusions of American society during the period between the First and Second World Wars Students will also get a vivid sense of how life and art converged in the fiction of F Scott Fitzgerald the man who christened the Jazz Age This introductory study features a biographical chapter that relates Fitzgerald s life to his work and a chapter that places his fiction within its historical and literary contexts Five chapters analyze not only the basic literary components of plot character and theme but also provide an alternate critical interpretation of each novel that enriches reader s understanding of the work s complexity and vision A complete bibliography of Fitzgerald s works and a selected bibliography of critical and biographical sources complete this volume **Reader's Companion to F. Scott Fitzgerald's Tender is the Night**

Matthew Joseph Bruccoli,Judith Baughman,1996 Bruccoli s substantial introduction reconstructs the composition publication and initial reception of the novel Fitzgerald forecast so enthusiastically when he wrote to his editor Maxwell Perkins in 1925 Bruccoli chronicles the novel s varied commencements explains Fitzgerald s final approach to the novel and addresses key criticisms of the work Noting that discussion of Tender Is the Night habitually returns to its initial reception Bruccoli refutes the common belief that the novel failed in 1934 because of a critical conspiracy He describes Fitzgerald s brooding over the novel s stillbirth and his unsuccessful efforts to republish it in amended form Comparing Fitzgerald s plan for restructuring the novel with Malcolm Cowley s 1951 edition Bruccoli assesses the limited impact of the revised novel **An F. Scott**

Fitzgerald Companion James Stephens,2000 *F. Scott Fitzgerald in Context* Bryant Mangum,2013-03-18 The fiction of F Scott Fitzgerald serves as a compelling and incisive chronicle of the Jazz Age and Depression Era This collection explores the degree to which Fitzgerald was in tune with and keenly observant of the social historical and cultural contexts of the 1920s and 1930s Original essays from forty international scholars survey a wide range of critical and biographical scholarship published on Fitzgerald examining how it has evolved in relation to critical and cultural trends The essays also reveal the micro contexts that have particular relevance for Fitzgerald s work from the literary traditions of naturalism realism and high modernism to the emergence of youth culture and prohibition early twentieth century fashion architecture and design and Hollywood underscoring the full extent to which Fitzgerald internalized the world around him **Readings on F. Scott**

Fitzgerald Katie De Koster,1998 Essays in this volume explore Fitzgerald s major novels themes characters the life style of the 1920s that he depicted in his works *The Cambridge Companion to Emily Dickinson* Wendy Martin,2002-09-05 Emily

Dickinson one of the most important American poets of the nineteenth century remains an intriguing and fascinating writer. The Cambridge Companion to Emily Dickinson includes eleven new essays by accomplished Dickinson scholars. They cover Dickinson's biography, publication history, poetic themes and strategies and her historical and cultural contexts. As a woman poet, Dickinson's literary persona has become incredibly resonant in the popular imagination. She has been portrayed as singular, enigmatic and even eccentric. At the same time, Dickinson is widely acknowledged as one of the founders of American poetry, an innovative pre-modernist poet as well as a rebellious and courageous woman. This volume introduces new and practised readers to a variety of critical responses to Dickinson's poetry and life and provides several valuable tools for students, including a chronology and suggestions for further reading.

The Cambridge Companion to Edward Albee
Stephen Bottoms, 2005-07-21. Edward Albee, perhaps best known for his acclaimed and infamous 1960s drama *Who's Afraid of Virginia Woolf?* is one of America's greatest living playwrights. Now in his seventies, he is still writing challenging award-winning dramas. This collection of essays on Albee, which includes contributions from the leading commentators on Albee's work, brings fresh critical insights to bear by exploring the full scope of the playwright's career from his 1959 breakthrough with *The Zoo Story* to his recent Broadway success *The Goat or Who is Sylvia* (2002). The contributors include scholars of both theatre and English literature and the essays thus consider the plays both as literary texts and as performed drama. The collection considers a number of Albee's lesser-known and neglected works, provides a comprehensive introduction and overview and includes an exclusive original interview with Mr Albee on topics spanning his whole career.

The Cambridge Companion to Aphra Behn
Derek Hughes, Janet Todd, 2004-11-25. Traditionally known as the first professional woman writer in English, Aphra Behn has now emerged as one of the major figures of the Restoration. She provided more plays for the stage than any other author and greatly influenced the development of the novel with her ground-breaking fiction, especially *Love Letters between a Nobleman and his Sister* and *Oroonoko*, the first English novel set in America. Behn's work straddles the genres: beside drama and fiction, she also excelled in poetry and she made several important translations from French libertine and scientific works. This Companion discusses and introduces her writings in all these fields and provides the critical tools with which to judge their aesthetic and historical importance. It also includes a full bibliography, a detailed chronology and a description of the known facts of her life. The Companion will be an essential tool for the study of this increasingly important writer and thinker.

The Cambridge Companion to Robert Frost
Robert Faggen, 2001-06-14. This collection of specially commissioned essays by experts in the field explores key dimensions of Robert Frost's poetry and life. Frost remains one of the most memorable and beguiling of modern poets. Writing in the tradition of Virgil, Milton and Wordsworth, he transformed pastoral and georgic poetry both in subject matter and form. Mastering the rhythms of ordinary speech, Frost made country life the point from which to view the world and the complexities of human psychology. The essays in this volume enable readers to explore Frost's art and thought from the controversies of his biography to his subtle

reinvention of poetic and metric traditions and the conflicts in his thought about politics gender science and religion This volume will bring fresh perspectives to the lyric narrative and dramatic poetry of an American master and its chronology and guide to further reading will prove valuable to scholars and students alike **The Cambridge Companion to Edgar Allan Poe** Kevin J. Hayes,2002-04-25 This collection of specially commissioned essays by experts in the field explores key dimensions of Edgar Allan Poe s work and life Contributions provide a series of alternative perspectives on one of the most enigmatic and controversial American writers The essays specially tailored to the needs of undergraduates examine all of Poe s major writings his poetry short stories and criticism and place his work in a variety of literary cultural and political contexts They situate his imaginative writings in relation to different modes of writing humor Gothicism anti slavery tracts science fiction the detective story and sentimental fiction Three chapters examine specific works The Narrative of Arthur Gordon Pym The Fall of the House of Usher The Raven and Ulalume The volume features a detailed chronology and a comprehensive guide to further reading and will be of interest to students and scholars alike *Beyond Gatsby* Robert McParland,2015-04-16 Many of the heralded writers of the 20th century including Ernest Hemingway John Dos Passos F Scott Fitzgerald and William Faulkner first made their mark in the 1920s while established authors like Willa Cather and Sinclair Lewis produced some of their most important works during this period Classic novels such as *The Sun Also Rises* *The Great Gatsby* *Elmer Gantry* and *The Sound and the Fury* not only mark prodigious advances in American fiction they show us the wonder the struggle and the promise of the American dream In *Beyond Gatsby* How Fitzgerald Hemingway and Writers of the 1920s Shaped American Culture Robert McParland looks at the key contributions of this fertile period in literature Rather than provide a compendium of details about major American writers this book explores the culture that created F Scott Fitzgerald and his literary contemporaries The source material ranges from the minutes of reading circles and critical commentary in periodicals to the archives of writers works as well as the diaries journals and letters of common readers This work reveals how the nation s fiction stimulated conversations of shared images and stories among a growing reading public Signifying a cultural shift in the aftermath of World War I the collective works by these authors represent what many consider to be a golden age of American literature By examining how these authors influenced the reading habits of a generation *Beyond Gatsby* enables readers to gain a deeper comprehension of how literature shapes culture **The Cambridge Companion to Dostoevskii** William J. Leatherbarrow,2002-07-18 Key dimensions of Dostoevskii s writing and life are explored in this collection of specially commissioned essays Contributors examines topics such as Dostoevskii s relation to folk literature money religion the family and science The essays are well supported by supplementary material including a chronology of the period and detailed guides to further reading Altogether the volume provides an invaluable resource for scholars and students [Handbook of the American Novel of the Twentieth and Twenty-First Centuries](#) Timo Müller,2017-01-11 Increasing specialization within the discipline of English and American Studies has shifted the focus of

scholarly discussion toward theoretical reflection and cultural contexts These developments have benefitted the discipline in more ways than one but they have also resulted in a certain neglect of close reading As a result students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s much of which relies on dated methodological and ideological presuppositions The handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate from James s *The Ambassadors* to McCarthy s *The Road* These readings do not revert naively to a time before theory Instead they distil the insights of literary and cultural theory into concise introductions to the historical background the themes the formal strategies and the reception of influential literary texts and they do so in a jargon free language accessible to readers on all levels of qualification

Uncover the mysteries within is enigmatic creation, Discover the Intrigue in **F Scott Fitzgerald Companion** . This downloadable ebook, shrouded in suspense, is available in a PDF format (Download in PDF: *). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
