The Tollbooth: An Inspirational Story about One Man's 40-Day Spiritual Journey John Feloni, 2023-05-25 A Meeting A Journal A Price to Pay A Life to Gain The Tollbooth follows the story of business meeting between Mr Robert Campbell the CEO of a multinational conglomerate and an employee who is looking for more During this encounter Mr Campbell shares something he's never shown to anyone a hand written journal Within its pages the employee learns invaluable life lessons strategic business insights and most important of all the secret to a transcendent life The Tollbooth is the second and favorite of author John Feloni's trio of books which include The Covenant Secret that propound and elucidate time tested as well as contemporary philosophies on life and business Each book is a modern day exemplum or parable with the concepts presented in a riveting story that entertains as much as it educates Hollywood Digest writes that Mr Feloni makes the giving and sharing of ideas and hard knocks feel effortless Learn the secrets to life and business today The toll owed is small and the reward gained is mighty GREAT QUOTES YOU WILL FIND IN THE TOLLBOOTH Most people live their lives in a state of hypnosis never really living life the way it's supposed to be lived One must be diligent in keeping one's attention off of the undesirable condition In meditation contemplation and prayer one should take the time and energy to focus on the desired condition When you meditate contemplate or pray give thanks for the good things in your life You don't become healthy by becoming an expert on disease which for the most part is how medical doctors are trained You must become an expert on health We were made in God's image We are designed to fulfill our inner nature As God's children we were made to be everything our inner voice tells us that we can be This is the Truth of the physical universe over which God has given us dominion Forget opinions That's why now is the time for you to break free of them I've been where you are Confusion frustration harassment from your loved ones the death of a loved one a yearning inside passion eating at you fear everything I've been there But now is the time for you to free yourself of all the shackles that bind you The most important thing I see in you is the beautiful music your heart is making It's singing out in wonderful harmony It's so obvious You've got to listen to it You are as ready as you'll ever be to live your life as it was meant to be lived Go for it WHY 40 DAYS In Biblical and spiritual terms the number 40 stands for a period of gestation of waiting of growth of cleansing and of the development of spirit During this period a soul desirous of enlightenment will find him or herself wandering in a spiritual wilderness and undergoing tests and trials on all planes of being For example During the Great Flood it rained for 40 days and 40 nights The Israelites wandered the desert for 40 years in search of the Promised Land Moses spent 40 days on Mount Sinai in commune with God After he was baptized Jesus spent 40 days meditating in the desert The Catholic Lent is for 40 days After the resurrection Jesus appeared to the apostles for 40 days Buddha sat for 40 days under a tree before achieving enlightenment

Miller,2025-07-29 The work in this book was put together as a devotional to the deeply felt and wonderful study of God's Word the Bible In it through my many sources I have arranged well over fifty topics or subjects if you will along with the chapters and verses in the Bible that reflect the Bible's view concerning these topics As a devotional my book is arranged for you to pick whichever topic or group of topics that interests you My ultimate purpose in putting together this book is to help EVERYONE and ANYONE in THEIR UNDERSTANDING of THE WORD OF GOD the Bible Yes from the most sinful person to the most devoted from the most intellectual to the least capable of understanding Yes from the strong to the weak my purpose is to help ANYONE and EVERYONE to read and understand the Bible Bless you all *Boerejood: One Man's Quest to Understand the Miracle of Democracy in South Africa* Julian Roup,2024-10-16 Brilliant engaged intelligent personal and funny Financial Times Ten years after democracy arrived in South Africa here is a book that gives a voice to the Afrikaner speaking in English about the Miracle of the peaceful transition to majority rule their worst nightmare This is a book that goes beyond politics with the very human story of one man giving insight into the hearts and minds of a people struggling to find their identity as white Africans trying to secure their place in Africa They are seen through the eyes of a Boerejood a half Afrikaans half Jewish writer who struggles himself with issues of identity reflecting the struggle around him In the final analysis Boerejood is about the universal human struggle between good and evil black and white justice and injustice love and hate all that defines us as being human It takes the reader on an astonishing and remarkable journey of discovery the destination being the soul of the Afrikaner and an answer to why these people accepted black majority rule with relatively no struggle after years of racist persecution of their black and brown neighbours Reading Boerejood is like being a voyeur at a hugely animated dinner party where you sit and listen to highly charged debate with intelligent people locking horns They make fascinating points and then incredibly inane and naive remarks Then they dazzle with astute observations You are hooked and hang on to every word Cape Times *A Journey to Know God One Day at a Time* Reginald B. Holmes,2023-02-09 To the Reader I wrote this book to share with you the love and cleansing power of God's word My prayer is that together we will be better servants to God our brothers and sisters I hope this book will encourage you to seek the presence of God and submit to his life transforming power and authority Isaiah 44:22 says 'I have blotted out like a thick cloud your transgressions and like a cloud your sins return to me for I have redeemed you' If you have not

accepted Jesus Christ as your personal Savior pray this prayer believe and receive the free gift of eternal life Heavenly Father I know that I am a sinner I believe that you are the Savior and you died on the cross for my sins buried and rose from the dead according to the scriptures I repent and ask you to forgive me for my sins Come into my heart and take control of my life By your blood I am free from the punishment of sin I am a new creation in Christ born of God with the life and love of Jesus in me My salvation has been sealed Thank you for eternal life in Jesus' name Amen

changed the course of his journey The ministry would become his career but not until he had been a struggling novelist a successful real estate agent in New Yorks Greenwich Village and a highly paid business executive in Detroit Dick was a prolific reader and books that influenced his philosophy and his quest for meaning are listed as Sacred Texts at the end of Part I One Mans Journey

Cusack, 2019-02-15 Fish in the Bible Psychosocial Analysis of Contemporary Meanings Values and Effects of Christian Symbolism analyzes why and to what end tales and truths about fish presented in the Bible hold water in Christian societies today Fish in the Bible argues that portraits of fish and fishermen presented in the Bible have been both embraced and rejected by contemporary cultures with primarily Christian constituents e.g American culture This book does not make an ethical argument rather it explores manners in which Christians have selectively rejected or accepted depictions and symbols of fish and fishermen It explores differences between Christian maxims presented in Bible verses and the beliefs and actions of societies operating under Christian moral majorities Fish in the Bible also considers the evolution of symbolism and metaphors in Christian society using parables and tales found in the Bible Fish in the Bible works on several specialized topics to argue that overall depictions of fish and fishermen in the Bible significantly and subtly shape Christian cultures even when Christians ignore or dismiss the robust ways in which fish and fishermen are characterized and treated in the Bible Fish serve as a metaphor for Gods power judgment sin and fertility they are used to instill boundaries and standards in practitioners and sometimes fish are worshiped demonized and subjugated There is no clear or singular message regarding fish or fishermen and Christian societies are left to abide by a patchwork of representations to formulate their own opinions and judgments Social and behavioral science as well as cultural customs commerce and current events demonstrate Christians navigation and interpretations of what their understandings and
