Fishing With My Old Guy:

From the Far Side of the River Paul Quarrington, 2012-01-06 As he braves rills rivers and ocean waters in search of his elusive quarry Paul Quarrington's casts are as likely to call up thoughts of his troubled marriage his father's death or one of midlife's existential questions as they are to yield a fish big or small But whatever his trials and triumphs he is never without his wickedly perverse sense of humor Whether you're a dedicated river wader or an armchair angler you'll find him an irresistible companion

Casting into Mystery Robert Reid, 2020-01-10 Every time I leave the world of work family and community to wade into a river with fly rod in hand I enter a sacred space that sometimes finds expression in the written word In *Casting into Mystery* writer Robert Reid and wood engraver Wesley W Bates avid anglers both put ink to paper in homage to the venerable sport of fly fishing Through text and image they recall with fondness the company of rivers each is grateful to know providing a glimpse inside a sporting culture teeming with literature art and music Part memoir part objet d'art and part field guide *Casting into Mystery* will delight passionate fly fishing practitioners and armchair anglers alike

A Life in the Bush Roy MacGregor, 2015-09-08 Winner of The CAA Birks Family Foundation Award for Biography The 2000 Ottawa Carlton Book Award The U S Rutstrum Award for Best Wilderness Book In 1929 at the age of twenty two Duncan MacGregor the son of a lumberman great grandson of a voyageur and an avid reader and baseball fan headed off into the largest tract of preserved bush in the world Ontario's Algonquin Park When he got there he was home for the rest of his life From the true nature of fishing to the harsh realities of raising a family in the woods from the role of fear in the bush to the small nuances of family relationships *A Life in the Bush* is painted on a canvas both vast and richly detailed A story that captures the tough physical demands the rich life of the senses and the unselfconscious freedom that comes from living apart from town and city In this beautifully crafted memoir of his father Roy MacGregor paints an intimate portrait of an unusual man and spins a spellbinding tale of a boy's complex relationship with his father He also evokes perhaps for the first time in Canadian literature the bush the way bush people see it an insider's view of life in the totemic Canadian wilderness
