Cape Cod Stories Joseph Crosby Lincoln, 2023-08-29 We struck Cashmere on the Hudson about three o'clock on the afternoon of the day of the wedding. 'Twas a little country kind of a town smaller by a good deal than Orham and so we calculated that perhaps after all the affair wouldn't be so everlasting tony. But when we hove in sight of Dillamead Ebenezer's place we shortened sail and pretty nigh drew out of the race. 'Twas up on a high bank over the river and the house itself was bigger than four Old Homes spliced together. It had a fair sized township around it in the shape of land with a high stone wall for trimming on the edges. There was trees and places for flower beds in summer and the land knows what we see right off that this was the real Cashmere on the Hudson. The village folks were stranded on the flats, old Dillaway filled the whole ship channel.

FROM THE BOOKS

Fish Stories D. W. Bennett, 1979

Cape Cod Henry David Thoreau, 2016-08-04

Our author's report of his trip has a piquancy that is quite alluring. This might be said of all his books for no matter what he wrote about his comments were certain to be unusual and it is as much or more for the revelations of his own tastes, thoughts and idiosyncrasies that we read him as for the subject matter with which he deals. He had published only two books when he died in 1862 at the age of forty-four and his Cape Cod did not appear until 1865. Nor did the public at first show any marked interest in his books. During his life therefore the circle of his admirers was very small but his fame has steadily increased since and the stimulus of his lively descriptions and observations seems certain of enduring appreciation.
