Ben Hogan Tim Scott, 2015-04-01 Ben Hogan s accomplishments on the golf course are the stuff of legends but his life off it was exceedingly private In this biography author Tim Scott demonstrates why such public perception was not representative of Hogan s personality offering a firsthand glimpse into the famous golfer s humor and sensitivity Hogan wasn t perfect and many of his fine qualities were never made public until now as Tim Scott shares his personal experience with Hogan as well as Hogan s friends family and

acquaintances Along the way a clearer picture emerges of Hogan as a man a golfer a friend and a husband *Ben Hogan's Magical Device* Ted Hunt,2009-05-26 In 1954 Ben Hogan stated in the serialized lessons he wrote for Life magazine that he had a secret He challenged the world to find it by stating It is easy to see if I tell you where to look He then wrote his legendary instructional book Five Lessons and created a remarkable golf swing puzzle but somehow one important piece of information was missing Golf expert after golf expert have attempted to define this secret over the years serving to compile a rather lengthy list of what they think the secret is but never quite explaining how it s done Enter Ben Hogan s Magical Device a revealing book which intends to finally explain in universally understandable terms that long lost secret to Hogan s swing As a lifelong golfer with 50 years of experience two degrees in Physical Education and a Doctorate in History author Ted Hunt became determined to track down Hogan s secret himself He reviewed most of the literature concerning Hogan and interviewed many professionals including Jack Nicklaus and the result of his research produced a clearer understanding of the source of the confusion concerning Hogan s secret An hypothesis was conceived and tested and Hunt was pleased to discover that his analysis stood up to critical examination But perhaps more importantly his golf responded with more accuracy and lower scores which included shooting his age 79 several times within weeks of embracing the secret Complete with 100 photos illustrations and a foreword by movie star Sean Connery Ben Hogan s Magical Device gives an easy to follow explanation of Hogan s secret where it comes from and the foundations which support its successful execution Interspersed throughout the text are stories from professional acquaintances who spoke with Hunt about their times with Mr Hogan
