A New Way of Living Gene Wilkes, 2012-12-05. You exercise. You eat right. You make good choices. The stairs instead of the elevator. You are pursuing wellness. Is it possible though that in your pursuit to achieve wellness, you are ignoring the one area of your life that needs the most daily exercise? Just like physical wellness requires commitment, a training regimen, good choices, and constant pursuit, spiritual wellness does too. In *A New Way of Living*, you'll discover a practical spiritual training program that can be successfully embraced and followed. Using nine simple verses, author-preacher-runner and cyclist Gene Wilkes paints the picture of how to pursue spiritual wellness. Using carefully interpreted messages from the Beatitudes, you'll have an understanding of the people, the characteristics, and the promises that Jesus addressed. With that understanding, Wilkes then helps you develop your simple Beatitude exercise regimen. Each chapter in *A New Way of Living* includes reflection questions as part of a takeaway section, as well as a small group discussion guide and three-week devotional for digital online use. The book also contains photos.
